

A PLACE I'D LIKE TO BE

There is a place I'd like to be, it's a place where all of this misery, sorrow, suffering, heartache, and pain are suddenly washed far, far away.

There is a place I'd like to be, it's a place of peace, love, and joy, it's a place of Peace, LOVE and Joy just like when I was a very young boy.

There is a place I'd like to be, it's a place filled with adventure, hope, faith, fun, and family.

There is a place I'd like to be where kind hearted souls really do care, it is a place where we are all surrounded by Christ's compassion, kindness, and love, it is a place where there is no more selfishness, hatred, sadness, or fear.

There is a place I'd like to be where people actually do care about and LOVE one another, it is a place filled with compassion, kindness, and Brotherly LOVE where we are surrounded by the warmth of Christ Yeshua's all powerful and perfect LOVE.

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

"I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other. Your love for one another will prove to the world that you are my disciples."
//John 13:34-35\\
