

THE MOUNTAIN TOP OF AMERICAN HEALTHCARE

Based on MLK'S Mountain Top Speech

All we say to our elected officials is be true to what you promised for American healthcare reform. If I lived in Russia or China or any other totalitarian country maybe I could understand nursing home, care center and medical rehab patients waiting for over six hours to be changed. Maybe I could understand patients having their basic civil rights being violated by being treated like prison inmates and zoo animals. Maybe I could understand patients being ripped off, mistreated, abused, and lied to because those counties haven't committed themselves to real healthcare reform over there, but somewhere I read to treat others as we ourselves would want to be treated, somewhere I read to be Good Samaritans by placing Service Above Self in reaching out in helping others for the glory of God. Somewhere I read to LOVE THY NEIGHBOR AS THY SELF!!!!

SO JUST AS I SAY WE AREN'T GOING TO LET ANY CORPORATE EXCUSES TURN US AROUND!!!! WE AREN'T GOING TO LET ANY CORPORATE LIES OR THREATS TURN US AROUND WE AREN'T GOING TO LET ANY MANDATES TURN US AROUND!!!!

I've been to the mountain top of American healthcare and I've seen the horrors of it for beware it is a living hell on wheels to be sure and there is no reason why,

OUR ELECTED OFFICIALS SHOULD HAVE BETTER HEALTHCARE THAN THE PEOPLE THEY SERVE IN FACT IT IS DISGRACEFUL, SHAMEFUL, AND OUTRIGHT CRIMINAL, AND SO VERY, VERY WRONG!!!!AMEN
