

I'M JUST A GUY

By 193

I'm just a guy in search of a dream, I'm just a guy who's traveling down life's stream.

I'm just a guy who's trying to do what's best, I'm just a guy in search of a little Peace, Hope, and Rest.

I'm just a guy who's chasing after our Lord and Savior Jesus Christ day and night, I'm just a guy who hungers for His holy bread in need of our Lord's heavenly light.

I'm just a guy who has a hunger for the Word of God without a doubt, I'm just a guy who wants to serve our Lord in obedience, humility, and love as I lift up my voice and shout.

I'm just a guy who's traveling down the river of life, I'm just a guy who doesn't like hatred, wars, or strife.

I'm just a guy in search of a little Peace, Hope, and Love, I'm just a guy who wants to spread his wings and take to the air like a gray ring-necked turtle dove.

I'm just a guy in search of John 3:16 for a happy ending and a brand-new beginning...Amen John 14:27
