

SAGUARO CRACKERJACK JAKE MCMULLEN MCSTONE MCTAVISH THE 3RD

Like a mighty Saguaro standing all alone out in the Arizona desert, here I sit seemingly all alone each day. At times I feel has though I am a Saguaro with very sharp thorns that no one wants to come near for fear of getting hurt, and to those who take care of me I feel at this point I have become a real thorn in their side too. Here is my story,

I am a Saguaro Cactus standing all alone surrounded by many other Saguaro Cactus who have chosen to just let each other be. I am a Saguaro Cactus standing tall and proud but you'll never hear a word out of us because we keep to ourselves.

I am a Saguaro Cactus in need of Christ's Compassion, Kindness, Encouragement and Love. I'm a Saguaro Cactus surrounded by those who can't seem to speak life into me.

I am a Saguaro Cactus living all alone in desperate need of Compassion Encouragement Kindness and LOVE....

PART 2 The Cactus in search of Genuine LOVE

My name is SAGUARO CRACKERJACK JAKE MCMULLEN MCSTONE MCTAVISH THE 3RD I'm a Saguaro Cactus living in the Arizona desert. I am not alone for we Saguaros are many out here and we have some really cool neighbors too like the Joshua Tree Clan and the Palo Verde Tree Community.

There are a variety of animals and birds that live in the desert like the Coyote and the Javelina and the Gila Monster O and the Road Runner and Hawk and many others.

We Saguaros do not talk much we mostly keep to ourselves which can be very lonely at times. O we wave to each other from time to time and we share our pollen with the honey bees and humming birds.

I wish I had a hug or a pat on the back though, I wish we talked to each other more often, I wish we could all stand around a campfire and tell stories about pirates and Knights and Kings and Queens and all. I wish we could all be a real family instead of being distant and apart from one another. Even the little ones do not talk to me.

Maybe all it would take is to try, I mean it couldn't hurt right? O and for this story you can abbreviate my name because its so long as in SCJJ Tripple M The 3rd.

Well SCJJ Trip M The 3rd decided to reach out to all those around him by talking to them.

“HELLO EVERYONE HOW ARE YOU ALL DOING TODAY?”

Nothing, not even a peep. All the Saguaros just stood there silently not a single one responded.

In the days that followed SCJJ Trip M The 3rd tried singing, talking, yelling and even at times begging his fellow cacti to respond but try as he may not a single Saguaro said a word.

Then SCJJ Trip M The 3rd tried yelling for help and one very wise old Saguaro responded to his pleas for help.

“You know the rules my young friend we Saguaros are forbidden to talk or move around we are to observe and remember world history for the end of days for when Christ Yeshua returns then we will be transformed back into angels for His glory. Now be quiet or risk being blown down by a mighty sand storm.”

“But we were not created to be alone, we need to be in fellowship with each other, we need to have love and be loved don’t you understand.”

“Yes I understand, chill out young one, I will go ask our Lord if He can do something about your request. Now be still and know that He is God.”

Three days later the wise old Saguaro had a response, he said, “The mighty Saguaros have been granted three days out of the year to be transformed back into angels so we can go and visit Long Term Care Patients to provide healing and love, we have been allowed to heal three patients each and we must be back here within 12 hours.”

“And what are the three days of the year if I may ask?”

“They are The Last Great Day of The Feast of Tabernacles, Passover, and the Day of Pentecost, these very special days of the year have been chosen for us to go comfort and heal the sick and suffering in Long Term Care Facilities.”

Now is just so happened that on Passover 2022

SCJJ Trip M The 3rd was sent to North Mountain Med Rehab in Phoenix Az. It was about 2 pm in the afternoon. The first patient to be healed was Thomas who needed dialysis twice a week because his kidneys had shut down and as Chaplain Paul was praying over Thomas who had just been wheeled out of Dialysis SCJJ Trip M The 3rd placed his hand on Chaplain Paul's shoulder and the healing power of God healed Thomas' kidneys for the Glory of God.

Patient number two was Pastor Shon Karna, SCJJ Trip M The 3rd waited for Chaplain Paul to arrive, Pastor Shon was suffering from painful kidney stones and when Chaplain Paul prayed over Pastor Shon SCJJ Trip M The 3rd once again placed his hand on Chaplain Paul's shoulder and PRAISE GOD Pastor Shon was healed for the glory of God...

Now for the 3rd patient to be healed for the glory of God, SCJJ Trip M The 3rd followed Chaplain Paul to Joanna's room. Joanna was dealing with an infection in her stomach that prevented her from being allowed to drink water. Joanna was very uncomfortable and very thirsty. Chaplain Paul went out to see if there was anything the staff could do and was told its up to the Dr and they did not know when Joanna would be allowed to drink water again. Chaplain Paul felt so bad he got down on his knees by the air-conditioner and began crying as he prayed for Joanna's healing. Then SCJJ Trip M The 3rd once again placed his hand on Chaplain Paul's shoulder and just like that Joanna was healed, not only that but at that exact moment the nurse came walking in the room with a pitcher of water and said,

“The Dr has just given Joanna permission to have water.”

Well needless to say Chaplain Paul and Joanna were filled with the Joy of the Lord then SCJJ Trip The 3rd made Joanna's stuffed lamb that was sitting in the window sill glow in the sunlight and all was well...Amen

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen
