

Dear Ciara I woke up at 3 am Wednesday morning and I began praying for you in asking God to please watch over you and please help heal you. After I prayed I laid in my bed and began thinking of ways to cheer you up, I thought I would buy some puppets and do a puppet show for you but after looking online for some really cool puppets I couldn't find any, we'll see, maybe I could still pull this one off sometime. The truth is I am a writer and a storyteller among other things so the best way I can think of in helping to cheer you up is through my stories and writings.

This is why I've written a few of the patients I love dearly into my books and stories to cheer them up by letting them know how special they are in my life. In the short time I have known you I have written many writings and stories that include you, in fact I wrote them so fast I spoiled you. Ciara you are very special not only to me but to many others as well, our Lord sent me and Pastor Ken into your life to be by your side during this very difficult season in your life, He sent us to help encourage you and to help teach you about a great many things about life and the Word of God and about diet and nutrition, and about healthcare.

How can I cheer you up Ciara? I can cheer you up by letting you know that you are very much loved, you are very special, you have purpose and our Lord and Savior loves you with all His heart, for His word tells us that He will never leave us nor forsake us, He is walking with us through the storms of life, He will lead us to green pastures by the still waters, for He is the Son of our living God, He is the Light of the world and the Way the Truth and the Life, He is the Sheep Gate, the Good Shepherd, the True Vine, the Bread of Life and the Resurrection and the Life. Our Lord is the Prince of Peace, He is the Lamb of God Who takes away the sins of the world, He is the Lion of Judah, He is the Alpha and the Omega, the Beginning and the End, the First and the Last. He is the Lord of lords and the King of kings and He is coming again in all His glory to judge the living and the dead...Amen

Ciara it has been an honor and a privilege to be your Chaplain and your friend, thank you for sticking with me and like I said I am on call for you 24-7 for as long as it is necessary to insure your safety and wellbeing.

I only want one thing and that is for you to get well soon. Now listen to me, you are to eat only healthy foods and drink only healthy liquids, drink plenty of water each day.

You are not to speak negatives about your health if at all possible. The tongue has the power to speak blessings or curses into our lives and into the lives of those around us. God has given humans the power to speak things into existence at times. If you say you will not walk again for a few years you then imprint that thought on your mind and if you truly believe that then that is what will most likely happen. No!!! You are to say out loud as often as you can,

“I am completely healed!!! My spinal cord is healed by the power of God and I will regain feeling in my body, legs, and feet soon. I will walk again soon and not in years like the doctors are telling me but I will walk again soon according to God’s timeline and not man’s timeline for the glory of God...Amen”

By saying these things and truly believing it through our faith in God we are doing what is written in the Bible, for the Word of God tells us, **BY OUR FAITH WE ARE HEALED** through the shed blood of Christ our Lord. Read about Pastor Charles and Thomas again in my book and see how through their undying faith in God’s ability to heal them the doctors were proven wrong time and time again for the glory of God.

By speaking that which is not as though it is through our faith and trust in Christ our Lord we can literally speak things into existence. We are truly proclaiming your healing each day through our faith in Christ our Lord. It is not a false sense of hope we are building upon here, it is the truth that we are believing in through faith that God will manifest your complete healing into a real reality for His glory.

Remember negative thinking will always tear us down, but positive thinking will always build us up. Be positive, know that you have the support of those who care about you and love you. I will continue to stand by your side for as long as you will have me, I promise I will help you fight this battle until we reach the finish line and achieve total **VICTORY** for the glory of God. Like my mother always use to say,

“The V in Vescio stands for **VICTORY**.”

1 John 5:4-5 For whatever is born of God overcomes the world and this is the VICTORY that has overcome the world, our faith. Who is he who overcomes the world but he who believes that Christ Yeshua is the Son of God? Amen

Isaiah 41:10 Fear not for I am with you and be not dismayed for I am your God, I will strengthen you, yes I will help you, I will uphold you with my righteous right hand.

Philippians 4:13 I CAN DO ALL THINGS THROUGH CHRIST OUR LORD WHO STRENGTHENS ME.

Isaiah 40:28-31 Have you not known? Have you not heard? The everlasting God the Lord? The Creator of the heavens and the Earth, neither faints nor gets weary. His understanding is unsearchable, He gives power to the weak and to those who have no strength He increases strength. Even the youths shall faint and be weary, and the young men utterly fall. But those who wait on the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint.

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

Like a caterpillar being transformed into a butterfly in a cocoon, it may be painful and uncomfortable for a season of time but what will one day emerge into the light of day is a beautiful creation of God.
