There is a place of loneliness & despair there is a place where very few people take the time to care There is a place starved of affection kindness compassion & love There is a place where sad souls need r love There is a place not too far from U by now I think U know what to do.

Imagine a life without love or compassion Imagine a life without kindness dignity or respect most of the time, Imagine being treated like a little child day after day, Imagine being all alone abandoned & forgotten, Imagine if someone who cared took the time to spend time with you.

A man was sitting all alone, he looked as if he was made of stone, I walked over & offered him prayer, He looked at me & started to cry. How awful it would be to be starved of compassion & love sitting day after day hoping a kind soul would come our way, things cannot continue this way.

There will come a day when r health will fall away & what we do today will greatly determine how we r treated tomorrow To B or not to B that is the ? for what is a man a spec of dust a grain of sand for he & he alone creates his own heaven or hell on earth...Amen Luke 10:25-37

There is a place of loneliness & despair there is a place where most of society just doesn't care there is a place void of compassion & love there is a place crying out to our Lord above "And this is My commandment that you LOVE one another as I have LOVED you" Now is the time. John 15:12

There once lived a man who refused to help others Fact is he only thought of himself he spent a life time chasing after \$\$ always never satisfied then 1 day he had a stroke & was paralyzed & as the months rolled by his money vanished away to pay for his healthcare now he is alone.

I saw a hurt little bird lying on the ground it was not moving barely making a sound Just as I was going to leave it & walk away a little voice told me to pick it up & take it home with me that day I took care of the little bird with loving care then one day it took took the air.

I saw a man hurt lying on the ground many people drove right on by too busy to stop & lend a helping hand people going here & there O Lord why do so few people it would seem take the time to care? I took the mans hand & sat with him for a while I gave him some food & water He smiled & disappeared.

Our Lord asked a Dem & Rep who were running for office what they intend to do if elected after they each finished r Lord look at both of them shaking His head and said This is My commandment that u love others as I have loved U now come over here so I can tell u about Luke 10:25-37

A man fell off a cruise ship & started to drown People began taking pictures & videos thinking it was someone else's responsibility to save the poor man he died & everyone blamed each other There r millions of LTC patients drowning across r nation B Good Samaritans Luke 10:25-37

A man was shown his future & when he saw it he started to cry for he saw himself yrs later old n sick crying out for help in the middle of the night lying in a nursing home bed & cry as he might no one came to his aid for hours He said Please Sir what can I do? "FIGHT BACK NOW!"

Dem & Rep were killed in a car accident r Lord looked at the Rep & said protection of profits at the expense of those who r suffering Really? & Many of those poor people at the boarder r your brothers & sisters in Me The Dem smiled but the Lord said butchering the unborn Really?

One day Our Lord let me see things through His eyes U C I never realized how much pain & suffering there was all around me The homeless man just wanting something to eat to the blood of abortion dripping at my feet to the single mom struggling to make ends meet to the sick & old.A wise old man

A wise old man was once asked, "Grandfather where shall I be when I get old?" The wise old man looked at his grandson and said, "The acts of kindness, compassion, and love you share towards others & the noble acts of righteousness you stand up and fight for today will greatly determine where you are tomorrow.

A man fell in a hole in the ground he called his REP & his DEM friends for help The REPs had their way to get him out & the DEMs had their way They began fighting over whose way was the best way after 3days the man was still trapped in the hole because all this fighting is NOWAY.

Welcome to OWELL AZ a place where corruption & greed inaction & ZERO accountability rule the day OWELL is a place where most people would rather say "O WELL" then face the real truth that their state is going straight to hell OWELL is a place where LTC patients r not treated very well.

When America sticks their heads in the sand refusing to believe the misery & horrors that await us all & our loved ones in American healthcare then everyone suffers. To remain silent & inactive in the face of this injustice will only ensure we & our children face an even worse fate...Amen

I asked the Lord to please help me to see others through His eyes & what I began seeing brought tears to my eyes I began seeing people as the Lord sees them with compassion kindness & love. I began to see the hurt in their eyes and the pain & scares of life they are having to dealing with.

A man was given a gift & told it was priceless The man sat for hours thinking about all the things he could buy with his gift like a new house, a new car, a boat. He thought about all the places he could travel to around the world. Then he asked "What is it?" Then our Lord replied "My love" John3:16

Imagine UR suffering all alone without any family support lying in a LTC facility

A young man thought he was never going to suffer & die, a wise old man looked at him & said, "We are all meant to suffer & die at some point in life the real question then becomes where are you going? Do you know the WAY? Do you want to know Him personally then ask God to give you living water." John 3:16

A wise man was once asked by his grandson "Will I go to Heaven someday Grandfather? His Grandfather looked at his grandson smiled & said "Only if you know the Way & have received Him to come into Your heart. Do you want to know the Way Grandson?"

"Yes Grandfather I do." John 14:27

A man was given a very special magnifying glass & told to choose wisely he soon realized that if he magnified his problems he minimized God but if he magnified God he minimized his problems We are to keep a eyes firmly focused on Christ because He never takes His eyes off of us

There once was a man who was offered a great gift He refused to accept it thinking he didn't deserve it He refused to believe that the gift was real He spent his life always searching never really satisfied or at peace John 3:16 is the free gift of salvation given by grace Amen John 14:27

We cant expect people to care we can only pray that they will we cant expect people to love we can only pray that they will we cant expect people to volunteer we can only pray that they will we cant expect people to accept Christ into their lives we can only pray that they will...Amen

A wise man was once asked by his young grandson

"Grandfather what does compassion mean?"

The wise old man smiled and said,

"Compassion is when we place ourselves in other people's shoes who r suffering & then do something about it as in placing Service Above Self in reaching out in helping others for the glory of God...Amen

Luke 10:25-37

Lord what can I do to help people? "Lead them to Me by Loving others as I have loved you." Lord will U please help me? You have not because U ask not, just invite the Holy Spirit in by asking Him to please help U do as I have commanded u." John 13:34-35

A man was walking down a city street in America who was desperately searching for the truth. EVERYWHERE he looked were just lies & deceit & when he stopped to ask people if they knew where the truth was they all began pointing in different directions arguing. Then the man started to cry. John 14:6

JOHN 14:16 THE WAY THE TRUTH AND THE LIFE

Lord I don't know what to do so I'm giving it all to You This problem is so huge that its causing my whole world to fall apart its actually breaking my heart. It's all right I deserve every bit of it for the pain I caused the one I love Please watch over her and bless her Lord Amen

In the Land of La La Land most people refuse to understand They live their lives in denial foolishly thinking that the misery horrors torment & greed of Long Term Care could "NEVER HAPPEN TO ME" Never planning for that fateful day when their health will begin to fade away...Amen

If you could see what I see it would make you cry millions of LTC patients suffering horribly all alone as time goes by. If u could see what I see it would break your heart, selfishness hate n geed are tearing our nation apart, If only we could begin seeing others through the eyes of Christ...Amen

JOHN 13:34-35 ³⁴ "A new command I give you: Love one another. As I have loved you, so you must love one another. ³⁵ By this everyone will know that you are my disciples, if you love one another."

In the Land of Who Gives a Damn everyone's out for themselves this is a place where selfishness indifference & greed rule the day Its a place void of genuine compassion kindness thoughtfulness n LOVE Its a place where people have their heads in the sand refusing to help one another...

The Guy at the Store who bagging r groceries for the last 30 or 40 some odd yrs The nicest guy u can meet always with a warm smile & a kind word Always ready with a helping hand Now this kind soul finds himself all alone confined to a LTC facility NEGLECTED ABUSED n MISTREATED

What If everyone began seeing each other through the eyes of Christ?
What If we all began loving each other as Christ loves us? What if we
began treating each other as we r selves would want to be treated?
What if we all lived r lives with a willingness to Place Service Above Self
for the glory of God...Amen

Luke 10:25-37 The Good Samaritan

Christ would not give us a commandment without giving us the capacity to do it We have not because we ask not "Abba Father please help me to see others through the eyes of Christ & please help me to love others as Christ loves us I pray this in Christ Yeshuas Holy Name Amen"

JOHN 15:9-17 LOVE ONE ANOTHER

A man was walking the deck of a cruise ship one night when suddenly a gust of wind blew him off right into the water, The man began yelling for help everyone on board expected someone else to dive in to help this man The man drowned he was the Captain then the ship sank B THE ONE

I saw a hurt bird laying on the ground people stared not making a sound. Is there not 1 compassionate kindhearted loving person in the bunch? Then a ally cat thought she could have the little hurt bird for lunch. I ran right over scooped the bird up & took it back home & showed it my love....

"So now I am
giving you a new
commandment:
Love each other.
Just as I have
loved you, you
should love each
other. Your love
for one another
will prove to the
world that you
are my disciples."

Darkness cannot
drive out darkness;
only light can do that.
Hate cannot
drive out hate;
only love can do that.

The Rev. Dr. Martin Luther King Jr.

There was a man standing on the beach throwing sand dollars back in the water a woman walked up to him and asked "What r u doing" "I'm saving these sand dollars" replied the man "There r 1000s of sand dollars on this beach U can't save all of them u know?" "No but I can save this one"

The first question which the priest and the Levite asked was: **If I stop to help this man, what will happen to me?**

But... the good Samaritan reversed the question:

If I do not stop to help this man, what will happen to him?

- Martin Luther King Jr.

There once lived a man who said "What's in it for me?" And try as he may to build up a great fortune of money & wealth, he missed the point of life entirely he never realized that a life lived is a life lived through Christ our Lord a life lived is found through serving our Lord Amen

You can build all the rocket ships you want but the real discovery in life's journey comes from within not outward for it is from the within that we find our meeting place with Christ our Lord & it is through our outward pouring of His Compassion Kindness & LOVE we find ourselves for the glory of God...Amen

A group of people were lost in the woods 1 brave man decided to climb the tallest tree to see a way out the others warned him that it was too dangerous but the man climbed the tree anyway by placing Service Above Self for the sake of others, as he looked all around he found The WAY...Amen

MARTIN LUTHER KING JR.

"On the parable of the Good Samaritan: 'I imagine that the first question the priest and Levite asked was: 'If I stop to help this man, what will happen to me?' But by the very nature of his concern, the good Samaritan reversed the question: 'If I do not stop to help this man, what will happen to him?'"

I saw a little sparrow laying on the ground She was hurt barely making a sound, people just walked on by not giving it a second thought but the compassion in my heart said, take the little sparrow home & nurse her back to health. How many sparrows a day do we just look the other way? Amen
