

A Righteous Man of God Who Walks by Faith and Not by Sight

By Chaplain Paul Vescio 193 May 2022

Psalms 25:4-5 Show me the right path O Lord. Point out the road for me to follow. Lead me and teach me Your truth. For You are the God of my salvation Who saves me. All day long I place my Faith, (Hope, and Trust) in You...Amen

I went to a man's house yesterday to do a cleanout of his pool, my brother Keven met me there to help get things started then he left to go on another job. As I was getting things ready a very kindhearted man came walking out of the door. When I said hello to him he looked at me and smiled. I asked him a few questions about his pool while pointing in the direction of my questions. The man whose name was Bill answered my questions and then proceeded to hook up a smaller pump to drain the water from his spa.

Bill walked over to the hose and we hooked it up together, then he plugged in the pump stepping over the cord and as he moved about the yard he stepped around the big rocks that were laying on the ground.

At one point I offered to pray for Bill and after I prayed with him we talked about God and life. I began working on his pool while Bill went back in the house for a while. Then Bill came walking out back again and talked to me while looking right at me.

There once lived a righteous man of God who walked by faith and not by sight this very kind soul cared deeply about people and he truly had a heart of gold, as I watched him move around his back yard little did I know that this man was actually walking by faith and not by sight.

Bill walked around the stones and cactus with simple ease as I on the other hand tripped and stumbled and got cholla cactus needles stuck in my knees. I sat and watched this mighty man of God in utter amazement with respect and wide wonder and then I paused and thought of my own life and gave our Lord thanks and praise for the blessings He provides for me and my family.

A few hours later the job was finished, and my brother Kevin came back to get his things. I decided to stay and help Bill with his spa, at one point I couldn't release the latch on the spa cover and amazingly Bill reached in and released it without missing a beat.

We said our goodbyes and off I went with tears in my eyes, for I had just spent a little time with a mighty man of God who walks by faith and not by sight, for Bill is A humble man who is truly able to see others and the world around him through the eyes of his heart...Amen
