

WILLOW

By Chaplain America 193 8-23-20

This is the story of The Willow. The Willow was as happy as happy can be, in fact it's because of The Willow that all the Happiness Trees were renamed Weeping Willow Trees.

It all began one faithful day in the month of April or maybe May. All of the Happiness Tress were all as happy as bumblebees. They were all singing and laughing and swaying about as they all lived a life of not having to do without.

Then one day big trucks arrived down by the pond where all the Happiness Tress lived. A crew of men dug up the trees with very big trucks then they haled all the trees far, far, away, there were over twenty Happiness Trees removed from their happy home that faithful day.

All the Happiness Trees were replanted at a brand-new health care facility called The Shady Rest Nursing Home and Medical Rehab on High Ridge Road in Stamford Connecticut.

Soon after all the Happiness Trees began swaying in the cool Spring breeze, all of the Happiness Tress were as happy as Honeybees. About a year past and by this time the nursing home was just about full, then Corona Virus blew in and everything became very sad and blue.

Then one faithful day all of the Happiness Trees decided to look in the windows to take a little peek and what they saw took their breath away, For within the walls of what appeared to be a place of peace, comfort and rest was actually a house of horrors. The trees saw patients neglected, verbally and emotionally abused. They saw patients being treated like little children who were separated, isolated and heavily medicated. The trees witnessed patients being lied to and treated like prison inmates and zoo animals all for profit and greed.

Then the Happiness Trees began to weep for these poor souls night and day and soon after all of the Happiness Trees were renamed Weeping Willow Trees for they are the trees who weep for the sufferings of mankind.

The Weeping Willow reminds us all that we can do a lot better in the way we treat our sick, suffering and dying. The Weeping Willow is very kind and she has a very compassionate heart and sadly the sins of mankind are breaking her heart...

John 14:27 And Christ Yeshua said, "Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen"

John 15:12 And this is My commandment that you LOVE one another just as I have LOVED you.
