

## THE SOLITARY MAN

A solitary man traveled to a far-off land and while he was there he witnessed misery and horrors he just could not understand and try as he might in the face of so much suffering and plight he continued to be the light.

Eventually the man returned to his former homeland and began warning the people of what was coming their way, O but sadly the people just couldn't believe the man, they just turned their heads and walked away, the sad fact is they just didn't want to listen to what the man had to say.

“NO, NO, PLEASE LISTEN TO ME IN A FEW SHORT YEARS THAT HORROR AND MISERY WILL BE COMING OUR WAY!!!”

The man began contacting his elected officials fighting for a better way, but most of those people thought that the protection of profits and their political positions were more important than what the man had to say.

Then the man remembered a story about another man who walked by the sea picking up sand dollars and tossing them one by one back into the ocean, when asked,

“There are thousands of these sand dollars all over this beach you can't possibly save all of them now can you?”

“No, but I can save this one.”

The man traveled back to the far-off land of misery and suffering and began helping people one at a time through Christ Yeshua's LOVE for the glory of God...Amen
