

SONNY DOG 193

By JLUASDI

All alone in my 60s sitting in my room, well my dog Sonny is here by my side and I thank God every day for His loving gift of my dog Sonny.

Once upon a time our home was filled with little children so much so it drove me nuts, I would dream of a day when peace n quite would rule the day and now here I am with a house filled with too much peace n quiet.

I'm damned if I do and I'm damned if I don't, too many kids and I go insane not enough and I do the same, and then there is Sonny with his happy face always ready and willing to brighten up my day.

If my dog Blazer was the fastest shake in the west then Sonny is the fastest run in the west. Sunny runs lightning fast, when he gets going he runs around the back yard like a streak of lightning. Sonny can dig a hole to China lickidee split. One time he came back up through the hole with some really good Chinees food for me to eat.

Sonny looks like a German Shepherd mix with coyote and he definitely runs like a coyote too, like I said lightning fast and very light on his feet. Sonny has a mind of his own but that's Ok I would rather have a real dog with heart instead of a robot dog whose too afraid to fart.

Me and Sonny are the best of buds and I always give him plenty of hugs. I think me and my Pal Sonny will go out for a walk today, I hope it doesn't rain, but if it does we'll just stay inside and play....

"COME ON SONNY LETS GET READY TO GO."

O he ran and got in his Kennel again, I guess its time for quick nap, O well Ill just go and read the Bible for few. If you see me and Sonny walking down the street make sure you have one of his favorite treats to eat....

Bye for now and always remember "Jesus Loves You and So Do I."

John 14:27 Peace I leave with you My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen
