

I ASKED GOD

I asked God to please grant me some time so He sent me to prison doing time. He said

"This is not a punishment but a gift of time so you can learn My word and draw into a closer relationship with My Son Christ Yeshua."

After I got out of prison I asked God to please put me in a Church that I could Pastor so He placed me in a Medical Rehab as a patient so I could minister to the staff, patients and family members.

After a few years of suffering dearly I ask God if He can please send me home and I passed away and now I'm with our Lord in Heaven, and now always remember "Jesus Loves you and so do I."
