

I DREAMT THAT THINGS WERE BETTER

By PDV193

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.

I dreamt that things were better, I dreamt that things were good, I mean let's face it, the world we now live in is quite a mess indeed. All one has to do is to take a good look around as very serious problems do abound.

I dreamt that things were better, I dreamt of a place where no hatred or greed existed, I dreamt of a time and a place where no viruses existed, I dreamt of a place where no mandates or covid vaccines were ever needed.

I dreamt of the time when American healthcare really did care, I dreamt of a place where compassion, forgiveness, kindness, and love abound. I dreamt of a time where the cost of American healthcare came way down.

I dreamt of a place where people are helpful and nice to each other, I dreamt of a time where we all truly treated each other like sisters and brothers. I dreamt of a time where people placed Service Above Self in reaching out in helping others for the glory of God, a time where Good Samaritans are seen walking about by the millions and people truly loved thy neighbor as thy self.

I dreamt of a place where people treated others as they themselves would want to be treated, with kindness, compassion, forgiveness, and love. I dreamt of a time where the whole world was filled with brotherly love. I dreamt of a day where humanity would bow their heads in true repentance and love and pray to our Father in Heaven with thanksgiving and praise.

O I dream of a time where we can all get along and love one another through Christ's love...Amen John 3:16 John14:27 Peace
