

HUMANITY

People dump their dogs in the street with nothing to eat, starved and all alone searching for a loving home to call their very own, Cold unforgiving world we now live in as millions of people chase after material things that promise to only bring more sadness and pain. And then it begins to rain and the poor abandoned dog begins to cry, Suddenly a homeless man comes walking on by, he too has been abandoned forgotten and is all alone. Now caught out in the pouring rain the two of them become best of friends and go sleep in a shelter nearby... The End or Just The Beginning...Amen John 14:27

John 14:27 Peace I leave with you My peace I give to you not as the world gives do I give to you let not your heart be troubled neither let it be afraid...Amen
