

## ***THE END OF THE RAINBOW***

**By Me 193 FEB 14 2025**

**In the beginning, I was abandoned and left all alone. Then a great storm struck, carrying me over the rainbow, and I found myself in Never, Never Land—surrounded by the love of a family I did not deserve.**

**Soon, my journey on the Yellow Brick Road began, and with each step, I became more enlightened. Along the way, I made a few very good friends, but I also lost many people I loved dearly. Some drifted away, others turned their backs on me, and sadly, many passed away—including beloved family members.**

**At some point in life, I arrived at the Emerald City of Kingman State Prison, where I befriended the Tin Man, the Scarecrow, and the Cowardly Lion, along with Brother Hugs and many others who would become my true Brothers in Christ Yeshua. Then, in God's appointed time, I became the Chaplain of Oz, and the adventure of a lifetime truly began.**

**Now years later I bear the scars and stripes of great pain and sorrow and I fear I have reached the end of the rainbow. The Yellow Brick Road is cracked, broken, and worn, and the Never, Never, Land of my youth is just a faded dream. Now here I stand at the crossroads of life once again, looking out to see what lies ahead of me and for my family. Times are hard and the days are long yet there are real blessings to be had through our faith in Christ as we weather out the storms of life...Amen**

**O Lord I pray the Son will come out tomorrow, and we will all dance and sing in the rain once more surrounded by Your Peace, Love and Joy... Amen.**

**John 14:27**

*The Year of the LORD's Favor*

**61 The Spirit of the Sovereign LORD is on me,  
because the LORD has anointed me  
to proclaim good news to the poor.  
He has sent me to bind up the brokenhearted,  
to proclaim freedom for the captives  
and release from darkness for the prisoners,<sup>[a]</sup>  
<sup>2</sup> to proclaim the year of the LORD's favor**
