MY BLUE BEAN

By 193

As I was walking in a moonlit dream I suddenly came upon a little blue bean. I really didn't know quite what to do, so I decided to take it back home and share it with all of you.

I ask you; what should I do with my blue bean? I tell you, it is the bluest blue bean I have ever seen. It's bluer than the deep blue sea and it is even bluer than the bluest blueberry growing on farmer Joshua's farm not too far from me.

I know; I'll go out back and in faith plant my blue bean in some good rich soil and see what happens next, yes, that's exactly what I intend to do, come on, I'll plant it with all of you. I walked outside and dug a little hole in the ground and carefully planted my blue bean in the soil without making a sound. Then I faithfuly watered it each and every day, until one day it began to grow and grow and where it stops no one knows.

My blue bean grew high into the clouds just like in the story of Jack and the Bean Stalk. I really did not want to climb this big blue tree, I mean what in the world would my neighbors and my friends think of me?

I decided to sit down and pray and that is exactly what I did that faithful day. I prayed to God for some answers to why this blue bean had come my way, I prayed that God would please show me the answer someday.

Then I fell fast asleep, and I began to dream a soft dream about my blue bean. I dreamt I was in Heaven sitting in a beautiful green meadow with our Lord Christ Yeshua as He began telling me of a fantastic story about my blue bean that grew and grew high into the clouds that beautiful spring day. Our Lord and I sat together by a peaceful slow moving stream and He began telling me about my blue bean heavenly dream.

"You see My child, the blue bean was placed in your path for a very special reason indeed, the blue bean reminds us of the things unseen. The blue bean grew high up into the clouds completely out of sight but we know there is a place where this big blue tree grew to we just can't see it from where we are standing on the earth. The blue bean teaches followers in Christ that they walk by faith and not by sight, faith comes by hearing and hearing by the Word of the Lord. Followers in Christ have faith that the big blue tree reaches high up into the heavens for all followers in Christ to see. Now grab hold of the top of the big blue tree and I will let you back down to the ground very gently."

I walked over and took hold of the big blue tree and our Lord released me and I slowly began going back down to the ground and just as I placed my foot on the ground I suddenly woke from my heavenly blue bean dream and the big blue tree was gone without a trace, I sat there with a look of awe and amazement on my face, then I noticed my blue bean sitting on the ground right next to me, I picked it up and held it in my hand, I gave God thanks and praise and all the glory then placed it in my pocket for yet another day. Now I understand Lord, my blue bean is a reminder that as followers in Christ we walk by faith and not by sight, faith comes by hearing and hearing by the Word of the Lord.

So if you come across a blue bean please share it with someone you know so they can be remined of Christ Yeshua's infinite compassion and love as we walk by faith and not by sight amidst our Lord's heavenly light...Amen
