

## **I'M THE GUY By Chaplain Paul Sparrow 193**

### ***Greetings,***

Come see what I see in AZ Long Term Care. I invite you to go visit any middle-class or low-income facility near you. Come see where most of us — including those we love — will be living someday...

Many patients I loved dearly DIED as a direct result of neglect, abuse, and horrible mistreatment — suffering dearly in these AZ Long Term Care shit holes, including members of my own family.

**I'm THE GUY** who visits these poor people when no one else will.  
**I'm THE GUY** who fights on their behalf DAY AND NIGHT, because they are being treated worse than prison inmates and zoo animals.

So hopefully, when it's our turn or someone we love, we all will be treated with dignity — in a well-run, efficient, well-staffed, kind, affordable, compassionate, LOVING Long Term Care facility.

**I'm THE GUY** who prays for these people and holds their hand to help calm them down when they are in horrible pain and scared out of their minds.

**I'm THE GUY** who makes sure these poor people are being cared for properly when I'm by their side.

**I'm THE GUY** who holds their hand in ICU after being sent there because of complications like E. coli, MRSA, bed sores, rashes, infections, painful bloody blisters, and internal bleeding — all caused by neglect, abuse, and horrible mistreatment from a lack of staff nights and weekends.

Neglect SO HORRIFIC that these poor suffering souls have to wait all night long in their SHIT-FILLED DIAPERS to be changed and cared for — causing very serious, life-threatening complications.

THINK ABOUT THAT, PEOPLE, because we are all next in line at some point in life. The conditions in these facilities are a LIVING HELL ON WHEELS, and it's no way to have to suffer all alone and live — and it's no way to have to suffer all alone and DIE!!!!

**I'M THE GUY** who talks to their family members during these horrific horrors and after.

**I'M THE GUY** who talks to their family members and widows after these poor people waste away and die like animals.

**I'M THE GUY** who will be there for someone like you or your loved ones when it's your turn to deal with our FAILED LONG TERM CARE SYSTEM someday.

**Respectfully,**

**Chaplain Paul Sparrow 193 John 14:27 Joshua 10:25**
