### Abandoned and Forgotten

By Chaplain Paul Oct. 11-2020

Abandoned and forgotten and all alone as I sit here day after day praying that I would be able to go home one day. I'm in a nursing home full of patients and yet I am all alone. My family left me here they never call or visit at all I still love them and I miss them very much I hope they're all OK, I hope they'll come and visit or call me one day.

The doctors and nurses are nice to my face but they don't have the time to sit and hold my hand, they don't have the time to hear my stories, but I understand. At night this place can be a very dark and lonely place, I know deep in my heart that the Lord is with me and that He will never leave me nor forsake me, and that helps me to get through the day, but there's nothing like someone who loves you sitting by your side holding your hand with a kind heart and a listening ear just thinking about it I can barely hold back the tears.

Each day is just like the next as I sit here and pray,

“O Lord please send a kindhearted soul my way someday.”

Each morning I am filled with hope then by the afternoon along comes depression and doubt and then by nightfall I'm filled with anxiety and despair because of the realization that nobody really cares. I know the Lord will get me through this just like His Word says in the 23rd Psalm, but it's hard being in this place filled with sorrow and dread, O Lord please send someone to share Your Holy Bread. O Lord I have faith that somewhere out there, there are people who really do care. Lord if there is only one person then please send that person in to visit the woman next door, she needs a visit more than I do because she is so spiritually poor. She deserves a visit more than I. O Lord please send a kind soul my way before I die.

Please contact the Activities Director at any nursing home, care center, medical rehab, or hospital and offer to be a blessing to someone who is all alone and

suffering. We are the answer to someone's prayers and as we bless them they in turn bless us, we bless each other for the glory of God and that's what serving Christ Yeshua is all about Charly Brown...

God Bless You From Chaplain Paul.

### COLUMBUS DAY OCT 12 2020

Mr President Columbus Day is an Italian American holiday and sadly it has been turned into a controversial day. Most people do not know the history of Columbus or why Italian Americans chose this day or why we chose Columbus as the focal point of this very special day. The truth is Columbus never set foot in the continental United States that honor goes to an Italian explorer by the name Geovanni Da Varrazzano, The fact is Columbus is recognized as the first Italian immigrant to come to the shores of the new world. Columbus is also recognized for his naval expertise. UNICO is an Italian American organization UNICO stands for UNITY. Chapters of UNICO dedicated statues of Columbus to cities and towns throughout the eastern United States. They did this as a gesture of goodwill and brotherly love to the city's and townspeople it was never meant to be received as being a symbol of the conquering hero over indigenous peoples. The statue of Columbus is to remind people of the accomplishments of Italian Americans to our nation and to remind people that Italian Americans are not all mafia criminals and lowlifes. Mr President if we are going to change the name of our holiday then have it be renamed National Italian American Day and give the Native Americans their own day but do not take our holiday away from us.... Thank You and God Bless You Respectfully Chaplain Paul 193 John 14:27

# Follow The True Leader

By Chaplain America 193 10-1-20

Who are you following in your life? We are all following someone at some point in our lives. Maybe the person we are following is a politician, or a sports star or rock star or a celebrity. Maybe we are following our Boss or a co-worker or a Pastor or friend or family member like our husband or wife. We all follow someone at some point in life.

In the 1800s millions of buffalo roamed the American plains, when the buffalo hunters came along one of their tactics was to cause a stampede in the direction of a cliff and you guessed it the buffalos followed the leader right off the cliff and onto certain death. Thousands were killed that way. The buffalo hunters knew if they could instill fear in the buffalos then they would follow the leader even straight off a cliff.

We as believers in Christ need to heed this warning, do not place all your faith and trust in man for he too has been known to lead us off a cliff through fear like sheep to the slaughter. Then the real question becomes, "Who can we truly trust in leading us?"

The answer to this question is found in the Bible; in John 3:16 we read, For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have ever lasting life...Amen

Christ Yeshua is our True Leader, He is our True Vine, God as in The Father, The Son and The Holy Spirit is our True Leader in life. Follow God through Christ Yeshua's love. Follow Christ's example by reaching out to others in sharing Christ's compassion, forgiveness, and love. And unlike worldly leaders who have a tendency to lie and be wrong about things most of the time, God never lies and He is true to His promises and He is never wrong because He already knows the past, present, and future of all things.

Follow Christ Yeshua Who is our True Leader, a Good Shepherd Who will never lead you astray or lead you the wrong way. Follow the True Leader Who is The Way, The Truth, and The Life, Follow the True Leader Who is The Resurrection and The Life, Follow The True Leader Who Is The Good Shepherd, The True Vine, The Sheep Gate, The Bread of Life and The Light of the world. Follow The True Leader Who will NEVER leave you nor forsake you. Follow The True Leader Who is The Prince of Peace, The Lamb of God and our Passover Lamb, He is The Lion of Judah, The Alpha and The Omega, The Beginning and the End, The First and The Last, He is Lord of lords and King of kings and He is coming back soon in all His Glory to judge the living and the dead for the glory of God...Amen

Revelation 22:11-13 He who is unjust let him be unjust still, he who is filthy let him be filthy still, he who is righteous let him be righteous still, he who is holy let him be holy still. And behold I am coming quickly and My reward is with me to give to everyone according to his work. I am the Alpha and the Omega the Beginning in the End the First and the Last... Amen

Revelation 3:20-21 Behold I stand at the door and knock if anyone hears My voice and opens the door I will come in to him and dine with him and he with Me, to him who overcomes I will grant to sit with Me on My throne as I also overcame and sat down with My Father on His throne...Amen John 14:27

## Fruit of the Spirit

by Chaplain Paul Vescio Dec. 22 2019

There once lived three fruit trees growing side by side in a beautiful green orchard. The first tree was a lemon tree, the second tree was an orange tree and the third tree was an apple tree. One day they began arguing with each other over their differences.

“Why are you so sweet?” said the lemon tree to the orange tree.

“Why are you so red?” said the orange tree to the apple tree.

“Why are you so orange?” said the apple tree to the orange tree.

“I believe Jesus ate a lemon with His fish.” Said the lemon.

“Well I believe that Yeshua ate oranges for breakfast in the morning.” said the orange with a smile.

“Well I have you both beat, I was in the garden of Eden when it all began.” said the apple with a grin.

“Yes and look what happened to all mankind because of an apple.” said both the lemon and the orange tree to the apple tree.

Well this went on for quite some time then a wise old owl flew in and said,

“Friends, friends, come now, come now, let’s not focus only on our differences let's try to focus on our simulates. All three of you are planted in the same fertile soil. All three of you are receiving the same life-giving water and all three of you are receiving the light of the Son. If all three of you are receiving the same soil, water and Son light then at the end of the day the differences between each of you really doesn't matter. Each of you have been given the task of bearing fruit for the glory of Abba Father and just because you produce different fruit it doesn't mean that each of you don't have something wonderful to offer to humanity.”

What happens when the different denominations differ with one another the answer is very little or nothing at all and that's exactly how satan wants things to be as in an arguing, divided, ineffective Body of Christ.

Now what happens when the Body of Christ is all in one accord and unified? We can change the world for the better for the glory of God...Amen

Let’s try to treat all of our brothers and sisters in Christ who are in a different branch of the same tree of Christianity with all of the Fruits of the Spirit.

The Fruit of the Spirit Galatians 5:22-26 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control, against such there is no law, And those who are Christ's have crucified the flesh with its passions and desires, If we live in the Spirit let us also walk in the Spirit.

Let us not become conceited, provoking one another, envying one another...

#### Ephesians Unity in The Body

...<sup>4</sup>There is one body and one Spirit, just as you were called to one hope when you were called; <sup>5</sup>One Lord, one faith One hope one baptism <sup>6</sup>one God and Father of all, who is over all and through all and in all....Amen

# GOOD FIDS BAD FIGS

By Chaplain Paul 10-4-20

Jeremiah Chapter 24 The Lord showed me and there were two baskets of figs set before the temple of the Lord after nebuchadnezzar King of Babylon had carried away captive Jeconiah the son of Jehoiakim king of Judah and the princes of Judah with the craftsmen and the smiths from Jerusalem and had brought them to Babylon.

One basket had very good figs like the figs that are first ripe and the other basket had very bad figs which could not be eaten they were so bad. then the Lord said to me, "what do you see Jeremiah?" And I said, "fix the good figs very good and the bad very bad which cannot be eaten they are so bad."

Again, the word of the Lord came to me saying,

"thus says the Lord the God of Israel like these good figs so will I acknowledge those who are carried away captive from Judah whom I have sent out of this place for their own good into the land of the Chaldeans.

For I will set My eyes on them for good and I will bring them back to this land I will build them and not pull them down and I will plant them and not pluck them up. Then I will give them a heart to know Me that I am the Lord and they shall be My people and I will be their God for they shall return to Me with their whole heart.

And as the bad figs which cannot be eaten they are so bad surely thus says the Lord so will I give up Zedekiah the King of Judah is Prince is the residue of Jerusalem who remain in this land and those who dwell in the land of Egypt.

I will deliver them to trouble into all the kingdoms of the earth for their harm to be a reproach and a byword a toy and a curse in all places where I shall drive them.

And I will send the sword the famine and the pestilence among them till they are consumed from the land that I gave to them and their fathers. End

A perfect example of this truth is like when I went to prison, we in the Body of Christ were like the good figs who went into captivity so we could be given a gift of time in learning God's Word and in drawing into a closer relationship with Christ Yeshua.

The world sees us as the bad figs who went to prison but God sees us as the good figs who have a heart for Christ and who would one day go back home to help lead our family members and many others to Christ for the glory of God.

The Good Figs went into captivity for years and when they finally returned to the land they were very grateful and they had a renewed heart for God and thus were very blessed with peace and prosperity.

Looking back I thought I was a very bad fig and before I went to prison I was but God knew the true me and through His Son's love I was given a renewed heart for God. John 3:16 John 14:27

Exodus 23:25 So you shall serve the Lord your God and He will bless your bread and your water and I will take sickness away from the midst of you.

Psalms 51:10-13 Create in me a clean heart O God and renew a steadfast spirit within me, do not cast me away from Your presence and do not take Your Holy Spirit from me. Restore to me the joy of Your Salvation and uphold me by Your generous Spirit. Then I will teach transgressors Your ways and sinners shall be converted to You...Amen

## IT'S GOD'S

There once lived two farmers side by side with their families, they both saved for years to be able to afford their farms. Over the years the two families became best of friends there was just one problem one farm did very well and the other not so good.

The farmer who was struggling all the time planted his seed the same way and the same time as his neighbor but yielded less crops. They both watered the same amount of water and they both put in long hours working their farms.

Then one day as they were talking the farmer who was not doing so well said to the farmer who was doing very well.

“You know Fred, this farm is all I got, it's my prized possession and for the life of me I can't figure out why your farm is doing so much better.”

The other farmer looked at his friend and said with a concerned face,

“Dave, let me ask you a question, who does your farm belong to?”

“Come on Fred, you know that this farm belongs to me and no one else, no one else that is except my wife Donna and our kids. It's all ours my man.”

Fred looked at Dave and smiled and said,

“Dave you are claiming this farm all for yourselves and in all reality it doesn't belong to you at all. You see Dave your farm and my farm isn't really ours it belongs to God we just work it for His glory. I promise you as soon as you and Donna give your farm to God your whole outlook on life will change and soon things will get better God willing.”

“It's God's, of course, now I see, it belongs to Him and it always did. We just work it and we work it to the best of our ability so He will be glorified...Amen”

We are the Stewards of God's property the minute we claim it as being all our own that is when the burden of it becomes a reality in our lives.

## Genesis Chapter 1

1:1-3 In the beginning God created the heavens and the earth the earth was without form and void and darkness was over the face of the deep and the Spirit of God was hovering over the face of the waters then God said let there be light and there was light...

1 Corinthians 3:5-17 Who then is Paul and who then is Apollo's but ministers through whom you believed as the Lord gave to each one? I planted Apollos watered but God gave the increase. So then neither he who plants is anything nor he who waters but God who gives the increase. Now he who plants and he who waters are one and each one will receive his own reward according to his own labor. For we are God's fellow workers you are God's field you are God's building according to the grace of God which was given to me as a wise master builder. I have laid the foundation, and another built on it but let each one take heed how he builds on it. For no other foundation can anyone lay than that which is laid which is Christ Yeshua.

Now if anyone builds on this foundation with gold, silver, precious stones, wood, hay, straw each one's work will become clear for the day will declare it. Because it will be revealed by fire and the fire will test each one's worth of what sort it is. If anyone's work which he has built on it indoors you will receive a reward if anyone's work is burned he will suffer loss but he himself will be saved yet so as through fire.

Do you not know that you are the temple of God and that the Spirit of God dwells in you? If anyone defiles the temple of God, God will destroy him for the temple of God is holy, which temple you are.

# Living on Borrowed Time

By Chaplain Paul Oct. 11-2020

We were all given a certain measure of time in our lives. The time that we are given is exact right down to the second the problem is we just don't know how much time we have but we hope that its a lot. Now as we get older we realize we don't have very much time left to live on this earth, the fact is God doesn't give us our time he loans it to us, you see our time is borrowed and God expects full payment for His gift of time at the end of our lives you see our lives are paid for through the shed blood of Christ and if we do not have the proper payment then we will be held accountable for the way we spent our time while here on earth and we will be sent into outer darkness a place void of the light and void of Christ's love.

Think of the time that you have as a currency now think about the way you spend your time are you spending your time wisely or foolishly are you spending your time thinking of others or thinking only about yourself are you spending your time reaching out and helping others for the glory of God or are you spending your time preoccupied with accumulating fame, wealth, and power?

What does your time mean to you? Like I said time is a currency and how we spend it is a reflection of who we are. The next time someone asks for a moment of your time don't be stingy with it give of your time freely and you will be blessed, give of your time freely towards helping others and you will be greatly blessed for doing so. The greatest gift that we can give to those we love and care about is our time in showing our love.

We are all living on borrowed time and the sands of time keep running day and night, week after week, month after month and year after year and at the end of the day God is there watching over each of us and monitoring how we spend our time.

Spending time in the Word of God is very rewarding, spending time with God in prayer brings a sense of peace, hope, joy, and love in our lives, spending time serving Christ Yeshua by placing Service Above Self in reaching out in helping others brings blessings and is very enriching and very rewarding.

There is real healing, peace, love, and joy that comes through reaching out in helping others for the glory of God.

Remember our time is borrowed while we live on this earth and having all the time in the universe given to us living in Heaven when we pass on from this world to the next will be determined by if we took the time to invite Christ Yeshua to come into our lives in genuine repentance, humility and love at some point in our lives when we had the time. John 3:16

Revelation 3:20-21 Behold I stand at the door and knock if anyone hears My voice and opens the door I will come in to him and dine with him and he with Me to him overcomes I will grant to sit with Me on My throne as I also overcome and sat down with My Father on His throne...Amen

## Mathew Chapter 7:21-23 Lord Lord

by Chaplain Paul Vescio 2-10-2020

Mathew 7:21-23 “ Not everyone who says to Me, Lord, Lord shall enter the kingdom of heaven, but he who does the will of My Father in heaven.

Many will say to Me in that day, Lord, Lord, have we not prophesied in Your Name, cast out demons in Your Name and done many wonders in Your Name? And I will declare to them, I never knew you, depart from Me you who practice lawlessness.”

For years I questioned this scripture verses, I couldn't understand how a saved person could be rejected by Christ Yeshua as we see here and if they weren't saved then how could they do all of the things they did in the Name of the Lord?

The answers to my questions came very slowly over the past several years, then finally today February 10<sup>th</sup> 2020 I received a key piece to this puzzle by God.

As I was sitting with Pastor Ken and Dorothy at North Mountain Respiratory Care Center and Rehab Pastor Ken mentioned the Parable of the

10 Virgins so let's take a look and see what it says.

Mathew Chapter 25:1-13 Then the kingdom of heaven shall be likened to ten virgins who took their lamps and went out to meet the bride-groom. Now 5 of them were wise and 5 were foolish. Those who were foolish took their lamps and took no oil with them, but the wise took oil in their vessels with their lamps.

But while the bride-groom was delayed they all slumbered and slept. And at midnight a cry was heard: Behold the bride-groom is coming, go out to meet him! Then all those virgins arose and trimmed their lamps. And the foolish said to the wise, "Give us some of your oil for our lamps are going out."

But the wise answered and said, No least there should not be enough for us and you, but go rather to those who sell and buy for yourselves. And while they went to buy the bride-groom came and those who were ready went in with him to the wedding and the door was shut.

Afterword the other virgins came also saying, Lord, Lord, open to us. But he answered and said, Assuredly I say to you, I do not know you. Watch therefore for you do not know neither the day nor the hour in which the Son of Man is coming.

The oil in this parable represents the Holy Spirit, now if we look at Mathew 7:21-23 we see why Christ rejected those who came to Him saying, "Lord, Lord, it had nothing to do with works it as everything to do with being saved. As Pastor Charles pointed out in his sermon, our gifts from God are not what makes us saved only the indwelling Holy Spirit saves us. The people who came to Christ saying " Lord, Lord were not saved, yes they could still do all of the things they did in the Name of Jesus but without the Holy Spirit in them they were rejected by Christ Yeshua, Christ only recognizes those who are saved by the power of the indwelling Holy Spirit.

Notice the similarities in both scripture verses, "Lord, Lord," and "I do not know you." or " I never knew you." Christ only knows those who have accepted Him into their lives in genuine repentance and love and in so doing have received the Holy Spirit.

# Our Light Affliction

By Chaplain Paul Vescio 9-26-12 rewrite 10-1-20

2 Corinthians 4:17-18 4 Our light affliction which is but for a moment is working for us a far more exceeding and eternal weight of glory while we do not look at the things which are seen for the things which are seen are temporary but the things that are not seen are eternal.

NKJ Study Bible 4:17 Working means producing or accomplishing. Afflictions produce glory but the glory is way out of proportion to the affliction. Trials are light and temporary compared to the eternal glory we will receive. ( See Mark 10:30) Paul's focus on the future enabled him to properly assess problems and see how small they really were compared to their eternal results.

4:17 Look means to keep one's eye to consider or to contemplate. The noun form of the verb means goal. For example in Philippians 3:14 In order not to lose heart the believer needs to shift his or her focus from that which is seen to that which is not seen from temporary problems to the glorious eternal rewards he or she will receive.

2 Corinthians 4:17-18 John McArthur Bible Commentary. 4:17 Our light affliction for a moment. The Greek word for light means a weightless trifle and affliction refers to intense. From a human perspective Paul's own testimony lists a seemingly unbearable litany of suffering and persecutions he endured throughout his life yeah he viewed them as weightless and lasting for only a brief moment.  
11:23-30

Eternal weight of glory. The Greek word for weight refers to a heavy mass for Paul the future glory he would experience with the Lord far outweighed any suffering he experienced in this world.

Romans 8:17-18 1 Peter 1:6-7 Paul understood that the greater the suffering the greater would be his eternal glory. 1 Peter 4:13

4:18 Things which are seen.... not seen.... Endurance is based on one's ability to look beyond the physical to the spiritual beyond the present to the future and beyond the visible to the invisible. Believers must look past what is temporary

what is perishable like the things of this world. Things not seen or eternal pursuing God, Christ Yeshua, The Holy Spirit and souls of men should consume the believer.

Our Light Affliction. Eternity is forever compared to the length of time we spend suffering here on earth it's so miniscule that it can't be measured provided we are spending eternity in Heaven God willing.

Try this comparison take a toothpick and poke your hand gently with it now reduce that moment of discomfort buy 1,000,000 degrees that still does not even come close to comparing the time suffering we have to deal with while on earth with the time not suffering while in Heaven. Heaven is forever and eternal life on earth is temporary and for a fleeting moment.

Eternity is forever and ever and ever and ever to the billionth degree when we reach Heaven God willing we will look back on all the suffering and pain that we had to deal with while we lived here on earth and praise God that it was for such a short time in our lives compared to the glory that we will receive in Heaven with Christ Yeshua one day in Christ Yeshua's Holy Name we pray... Amen

Eternity, if you took only one drop of water out of the ocean every 10,000 years until it was empty that still does not even come close to the amount of time spent in eternity. Life is temporal, Salvation is eternal, death is outside of time, eternity is like receiving all the time in the universe...

## 2 Corinthians 11:16-33

### New International Version

#### **Paul Boasts About His Sufferings**

<sup>16</sup> I repeat: Let no one take me for a fool. But if you do, then tolerate me just as you would a fool, so that I may do a little boasting. <sup>17</sup> In this self-confident boasting I am not talking as the Lord would, but as a fool. <sup>18</sup> Since many are boasting in the way the world does, I too will boast. <sup>19</sup> You gladly put up with fools since you are so wise! <sup>20</sup> In fact, you even put up with anyone who enslaves you or exploits you or takes advantage of you or puts on airs or slaps you in the face. <sup>21</sup> To my shame I admit that we were too weak for that!

Whatever anyone else dares to boast about—I am speaking as a fool—I also dare to boast about. <sup>22</sup> Are they Hebrews? So am I. Are they Israelites? So am I. Are they Abraham’s descendants? So am I. <sup>23</sup> Are they servants of Christ? (I am out of my mind to talk like this.) I am more. I have worked much harder, been in prison more frequently, been flogged more severely, and been exposed to death again and again. <sup>24</sup> Five times I received from the Jews the forty lashes minus one. <sup>25</sup> Three times I was beaten with rods, once I was pelted with stones, three times I was shipwrecked, I spent a night and a day in the open sea, <sup>26</sup> I have been constantly on the move. I have been in danger from rivers, in danger from bandits, in danger from my fellow Jews, in danger from Gentiles; in danger in the city, in danger in the country, in danger at sea; and in danger from false believers. <sup>27</sup> I have labored and toiled and have often gone without sleep; I have known hunger and thirst and have often gone without food; I have been cold and naked. <sup>28</sup> Besides everything else, I face daily the pressure of my concern for all the churches. <sup>29</sup> Who is weak, and I do not feel weak? Who is led into sin, and I do not inwardly burn?

<sup>30</sup> If I must boast, I will boast of the things that show my weakness. <sup>31</sup> The God and Father of the Lord Yeshua, Who is to be praised forever, knows that I am not lying. <sup>32</sup> In Damascus the governor under King Aretas had the city of the Damascenes guarded in order to arrest me. <sup>33</sup> But I was lowered in a basket from a window in the wall and slipped through his hands.

## SHARE IT

By Chaplain America 193 10-7-20

There once lived a flock of turkeys who lived down on the farm, now every morning the farmer would give the turkeys more than their fair share of food the farmer would always tell the turkeys to please make sure to share your food with the chickens who lived among them but sadly the turkeys were greedy and refused to share their food, the poor chickens had very little to eat and as the weeks went by the turkeys get fatter and fatter and the poor chickens got thinner and thinner. At some point the turkeys got to be so fat they were slaughtered and only the chickens were left. Finally, the chickens were able to eat a full meal.

When we go to Church each of us is given an important Godly message along with a certain portion of peace, hope, love and joy. I ask you what are we doing with our portions that Abba Father so generously gives to us? Are we going to Church then out to lunch then going back home to watch TV and lounge around all day?

The sad fact is that is exactly what most people do on any given Sunday. We have been given the gifts of Peace, Hope, Joy and Love along with a very meaningful message and we are to share it with others and not keep it all for ourselves. We as the Body of Christ are to go out and share these gifts with those who have none like the homeless, the prison inmate, the hospital patient, the nursing home patient, the poor, the forgotten, the left behind, the hopeless, the drug addict, the battered wife, the single mother, the lost, and everyone in between.

We do not want to become like fat turkeys hogging God's gifts all for ourselves He commands us to go out and share His gifts with others for His Glory...Amen

Matthew Chapter 25:31-46

When the Son of Man comes in His glory and all the holy angels with Him then He will sit on the throne of His glory. All the nations will be gathered before Him and He will separate them one from another as a shepherd divides his sheep from the goats.

And He will set the sheep on His right hand but the goats on His left. Then the King will say to those on His right hand,

“Come you blessed of My Father inherit the Kingdom prepared for you from the foundation of the world for I was hungry and you gave Me food, I was thirsty and you gave Me drink, I was a stranger and you took Me in, I was naked and you clothed Me, I was sick and you visited Me, I was in prison and you came to Me.”

Then the righteous will answer Him saying, “Lord when did we see You hungry and feed You or thirsty and give You drink? When did we see You a stranger and take You in or naked and clothed You or when did we see You sick or in prison and come to You?” And the King will answer and say to them, “Assuredly I say to you in as much as you did it to one of the least of these My brother you did it to Me.”

Then He will also say to those on the left hand, “Depart from Me you cursed into the everlasting fire prepared for the devil and his angels, For I was hungry and you gave Me no food, I was thirsty and you gave Me no drink, I was a stranger and you did not take Me in, naked and you did not clothe Me, sick and in prison and you did not visit Me. Then they also will answer Him saying, “Lord when did we see You hungry or thirsty or a stranger or naked or sick or in prison and did not minister to You?” Then He will answer them saying,

“ Assuredly I say to you in as much as you did not do it to one of the least of these you did not do it to Me, and these will go away into everlasting punishment but the righteous into internal life.” Amen

# The Blind Leading The Blind

By Chaplain America 193 Oct 14 2020

Mr President if America's elected officials do not have the courage in stepping up in defending America's civil rights and civil liberties by informing the American people on how we can best exercise them in order to ensure that we are not being taken advantage of then they should be removed from office including you. Mr President America's elected officials are sworn to protect and defend the Constitution of the United States of America and yet not one of my elected officials had the courage to do that when major civil rights violations accrued in American healthcare NOT A SINGLE ONE INCLUDING YOU SIR!!!!!!

I serve as a Volunteer Community Chaplain in an acute respiratory care center and my team has been locked out for months. Patients are being refused visits by members of the Clergy, patients are being refused in person Last Rites, bedside prayer and counseling. Patients are being refused visits by at least one healthy screened family member one who could take the same precautions as staff members to come in at least 2 times a week for at least 2 hours to ensure that their loved ones medical wishes are being honored and to make that the staff is doing their job and are doing it correctly. Family members and compassionate volunteers help the patients by bringing in the real medicine they so desperately need and that healing medicine is compassion, encouragement and love.

Mr President sadly most Americans today do not know what their civil rights are or what their civil liberties are or how to defend them or how to exercise them and when we do not it is then up to our elected officials to inform us about what we should do. Mr President that cant happen if most of America's elected officials do not know either and when no one seems to know that is when we as a nation are taken full advantage of....

Mr Prsident EVERY HEALTHCARE PROVIDER IN AMERICA BROKE CIVIL RIGHTS LAWS IN AMERICAN HEALTHCARE AND ITS ABOUT TIME THAT OUR ELECTED OFFICIALS STEPPED UP AND DID SOMETHING ABOUT IT BY INFORMING THE AMERICAN PEOPLE ABOUT HOW WE CAN FULLY EXERCISE OUR CIVIL RIGHTS AND OUR CIVIL LIBIRITIES..... God Bless You

## For Immediate Release

### LaTribuna Christian Publishing Reports on The Good News of John 3:16

LaTribuna Christian Publishing's CEO Chaplain Paul Vescio explains the Good News of John 3:16.

Chaplain Paul Vescio LaTribuna's CEO is quoted saying, “The Good News of John 3:16 as stated in the Bible brings forgiveness to the unforgivable, it brings light into darkness, it brings hope into hopelessness, it brings peace of mind to a worried soul, it brings joy to sadness, comfort to suffering, it brings mercy and grace to those who do not deserve it, and the Good News brings love to those who feel unloved.”

Chaplain Paul was also quoted saying, “ The Good News is Christ resurrected for the Glory of God. The Bible teaches that The Good News is about for all those who accept God's free gift of grace through Christ The Lord they are forgiven and receive citizenship in heaven. When a person accepts Christ Yeshua into their life in genuine repentance and love a miracle of God happens in that person's life, a transformation begins to happen and the born again person becomes of the light of Christ for the glory of God. Their eyes are suddenly opened, their heart is softened and suddenly they have a love of life and compassion for their fellow man. This is the kind of Good News the whole world needs to hear these days, the Good News of Christ Jesus, the Good News of Christ Yeshua, the Good News of life and life more abundantly, the Good News of salvation, mercy, grace, hope, compassion, forgiveness, and love, the Good News of John 3:16 which reads as follows, For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life...Amen.”

Chaplain Paul was also quoted saying, “ As a Volunteer Community

Chaplain serving in an Acute Respiratory Rehab and Care Center I see first hand the positive impact that volunteering has on the lives of people who are suffering. The Bible teaches us that we are to treat others as we would want to be treated, I can think of no better way of putting this Godly teaching in action than to volunteer somewhere in helping others. As we reach out in helping others the people that we help are actually helping us to see ourselves and the world around us in a whole new light. We become closer in relationship with God through the people that we minister to. We begin to learn a great deal about ourselves and the world around us and in doing so we become less selfish and more grateful, we become less prideful and more humble, we become less of ourselves and we become more Christ like. The true riches in life are not money, fame or worldly power, the true riches in life begin with the Good News of Salvation through Christ The Lord. The true riches in life include things like forgiveness and our relationship with God and things like family, compassion, mercy, peace, goodness, kindness, Godly wisdom, Faith, Hope and Love and the greatest of these last three is love.”

LaTribuna Christian Publishing encourages the sharing of the Good News of the Gospel of Christ with others.

## INMATE 193162A7

By Chaplain America 193 Oct 12 2020

Hello, my name is YC Hope and I have been here O, for about a year now. I really don't know exactly when I'll be able to leave this place. I won't lie to you this place can be very dangerous and lonely. O sure there are a lot of other people in here but we all kinda keep to ourselves.

Here let me tell you how my day goes, 5 am I am awakened and told to get ready for morning chow. Then its time for pill call and acue check along with everything in between. We do have TV but our TV breaks down a lot and people with eye and ear problems well they kinda go without.

Some of us can go outside once or twice a week but for the most part we are all locked down for most of the day. I do have a cell mate who's very cool we get along just fine.

By 3pm is time for bed count and pill call again, O and everything in between then around 6pm chow call. It's lights out around 9 pm then the fun begins, people begin screaming and yelling out of frustration and it gets to be very nerve wracking at times in here.

I honestly don't know when I'll go home, I have family but the sad fact is they never visit at all. I try calling them but they never answer the phone. I even write letters to them but they never write me back. Thank God there are kind volunteers that come in and visit us and the Chaplain here is very cool. He sees us all the time. The Chaplain has a way of lifting us up that really helps us to get through the day.

By now you all must be thinking that I am a prison inmate well not exactly. You see I am a nursing home patient and the conditions here are just as bad or even worse. Don't let me get started about the food that's served in this place as an ex-inmate myself I will tell you that the food in prison was better most of the time, I mean a pancake is a pancake, right?

Well it's about time for me to go, I got a whole lot of nothing to do, I guess I'll read the Word of God that always seems to help me get through the day. Please pray for all those who are suffering in hospitals, nursing homes, care centers and medical rehabs. Please pray for their safety, good health, and that the Doctors, nurses and staff members will treat them with kindness, compassion and love.

Please consider volunteering in one of these places in being a blessing to someone who is all alone and suffering. Contact the Activities Director at any health care facility and they will be happy to show you the way. believe me there are plenty of things one can do from home in helping those who suffer in these places. Matthew Chapter 25:31-46

## THE LAST STRAW

By Chaplain America 193 Oct. 12 2020

President Lincoln once proclaimed regarding the sin of slavery,

" The blood of the lash will have to be replaced by the blood of the sword."

600000 men died fighting in the Civil War. The Bible teaches us that there is a terrible price to pay when the blood of the innocents is shed. Every drop is repaid on the battlefields of war. Some call it karma some call it we reap what we sow. It is a universal law that can be traced back for centuries.

If our nation is going to continue to dump their family members in these nursing home houses of torment and greed and America's healthcare providers are going to continue to treat these poor suffering people who are facing end of life issues like zoo animals and prison inmates, then we will reap what we sow. If we are going to continue to abandon our family members in these places and allow them to be treated like concentration camp prisoners, then God will one day abandon us.

At some point, God will remove His blessing that He has placed over our nation and just like He has done so many times before in world history He will deliver this nation into the hands of persecution. Time is running very short all hell is going to break loose and when it finally happens it will be no one's fault but our own... God is a patient God but He is also a God of justice...Amen

Ezekiel 34:1-6 The word of Adonai came to me, "Human being prophesy against the shepherds of Israel. Prophesy! Tell them the shepherds that Adonai Elohim says this, Woe to the shepherds of Israel who feed themselves! Shouldn't the shepherds feed the sheep?

You eat the choice meat you clothe yourself with wool and you slaughtered the best of the herd but you don't feed the sheep! you don't strengthen the weak heal the sick bandage the broken bring back the outcast or seek the lost on the contrary you traumatize them with crushing force so they were scattered without a shepherd and became food for every wild animal, they were scattered. My sheep wandered around aimlessly on every mountain and hill yes My sheep were scattered all over the land with no one to search for them or look after them."

Ezekiel 34:15 "Yes, I will pasture My sheep and I will let them rest says Adonai Elohim. I will seek the lost, bring back the outcast, bandage the broken and strengthen the sick, but the fat and the strong I will destroy I will feed them with judgment. Now Read Ezekiel Chapter 34.

# The Light

By Chaplain Paul 12-30-10 rewrite 10-3-20

As I walked through the memories of a cobblestone life I felt the sting of a cold December chill as it pierced through my thin coat like so many sharp steel daggers. I pulled my scarf and coat tightly around my neck and warmed my cold shaking hands.

A sudden whirl wind blew by, its unforgiving spirit breaking through the stillness of the shimmering snow lifting its silvery flakes high into the dark gray sky and now as I walked slowly toward the descending stairs that lay before me I paused, you see this is a journey downward that would once again bring me face to face within the innermost recesses of my very soul and with each step like mirrors in time that unlocked the painful memories of a not too distant past the pain that I once caused to all those who I love are now relived with each passing step. The selfish steps I took in life I must now re-step at Christmas so that I could feel the pain I caused to others.

The first set of steps made me take a hard look at myself, they stripped all of my pride and brought me into a place of humility and remorse. The second set of steps flashed painful memories that pierced deep into my heart and filled my spirit with great sadness and tears.

And as I wept I continued downward onto the third set of steps with each passing step the darkness closed in all around me until finally I could not see, I was left to walk by faith and not by sight. All that I am was slowly stripped away until I found myself spiritually naked and broken standing before an old, splintered door.

I slowly placed the key in the keyhole and turned the latch, now stepping inside I felt full on the pain I had caused to others. This place I had journeyed to is the black hole that is rooted deep within the center of my soul, it is where the pain and sorrow of what I had done to my son and his mother and my family resides. If I stay here too long I will lose my life to depression, hopelessness, and despair.

Then I fell to my knees and prayed for God's love to pierce through the darkness and as I looked through the tears in my eyes there through the keyhole a shining white light did appear it was small at first then growing ever so brighter until the light replaced all of the darkness that was around me, then the Lord's love, joy, and peace filled my aching soul. the light became brighter and brighter until it blinded my eyes, I reached out and the light took hold of my hand.

The light led me back out of the room and back up the stairs, the light touched my eyes and suddenly I could see, all that was gray and pale was now colorful and alive. The light looked at me and said,

“Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid; now go in peace you have been healed in Christ Yeshua's Name Amen

And as the Light touched my heart He said,

“I will never leave you nor forsake you.”

And now I walk in the light who is Christ The Lord. I never have to journey down those dark lonely steps of life all alone ever again, for He is always there walking with me Amen.

For I have been crucified with Christ and it is no longer I who live but Christ lives in me and the life which I now live in the flesh I live by faith in the Son of God who loved me and gave Himself for me Amen

### ECCLESIASTES 3:1-8

To everything there is a season a time for every purpose under Heaven.

A time to be born in a time to die, a time to plant and a time to pluck what is planted. A time to kill and a time to heal, a time to breakdown in a time to build up; a time to weep and a time to laugh, a time to mourn and a time to dance, a time to castaway stones and a time to gather stones; a time to embrace and a time to refrain from embracing; a time to gain and a time to lose, a time to keep and a time to throw away; a time to tear and a time to sow. A time to keep silent and a time to speak; A time to love and time to hate; a time of war and a time of peace... Amen

A time to pray and give thanks to God for His blessings and love and a time for fasting and repenting in asking for God’s forgiveness and mercy. A time to ask God for His direction and guidance and a time to go out a serve His Son Christ

Yeshua by reaching out in helping others by sharing the love and the compassion of Christ with those who are suffering and in need...Amen

## The Persistent Eagle

By Chaplain America 193 Oct 15 2020

Billy Blaze was an eagle who never quit, when all the other eagles would say, "Hey Billy give it up and come out and play."

Ole Billy would reply, "I got work to do, now either pitch in or fly away!!!"

Billy was quite a guy, Billy would fly right in with a helping hand to save the day, Billy was always there being the answer to someone's prayers.

Then one day a storm did arise, it really caught us all by complete surprise. Then right in the middle of the storm a flock of eagles found themselves trapped on a Mountain on a tiny island just offshore and try as he might Billy kept on trying to save them long into the night.

Billy battled the heavy wind and torrential rains, you see it struck Billy right in the heart to see those he cared about being blown all apart. Billy kept on trying he would not quit, then finally he made it to shore and one by one brought each of the eagles safely back home.

You see Billy placed Service Above Self in reaching out in helping others even at his own expense. Then all the other eagles learned something from Billy, they all learned to stop thinking just about themselves and about me, me, me and I, I, I, or gimme, gimme, gimme, my name is Jimmy. They all realized that we are all in this thing called life together and we had all better learn how to get along because when we get right down to it we need each other, we rely on each other one way or another. Be kind and helpful to one another and always remember we achieve positive change in this world through one act of kindness at a time...Amen

Mark 12:31 Yeshua answered him, "The first of all the commandments is hear O Israel the Lord our God the Lord is one and you shall love the Lord your God with all your heart with all your soul with all your mind with all your strength this is the first commandment and the second like it, you shall love your neighbor as yourself. There is no other commandment greater than these...Amen

Margaret Mead "Never doubt that a small group of thoughtful, committed citizens can change the world indeed it is the only thing that ever has."

## The Rich Man And The Poor Man

by Chaplain Paul Vescio 2-2-2020

There once lived a very rich man who was really very poor, and a very poor man who was really very rich. The rich man had it all, anyway that's the way he thought of himself, but under the sight of God the rich man had nothing at all.

On the other hand the poor man had very little but under the site of God the poor man was very rich indeed, the poor man had things that the rich man thought he didn't need.

The rich man would walk by the poor man each day and just look the other way, The poor man would kindly say hello then bow his head and give God thanks and praise. The Rich man thought money, fame and power were the things to have, the poor man knew that the true riches of God were worth far more then all of the things of this world that the rich man could ever have.

Then one day the rich man was told by his doctor that he didn't have much time left to live, then suddenly the rich man realized all the money and stuff that he had could not buy his way back to good health. The rich man didn't know what to do so he went out and sat by the poor man and said,

"I have been walking past you now for a number of years, you have always been nice to me and I just looked the other way, today I was told I do not have much time left to live on this earth. Can you please tell me how it is that you are so happy and I am so sad, I really would like to know what it is that makes you so joyful and so very glad."

The poor man looked at the rich man and said,

“ I too was once very rich like you, then one day the Lord said to sell all of my belongings and go live on the street and introduce my Son Jesus to all of the homeless people you meet. Each and every day that you walked by I bowed my head and prayed for you with tears in my eyes. Do you want to receive Christ Yeshua to come into your life and fill you with a peace and a love that surpasses all understanding.”

The rich man really didn't know quite what to say so he bowed his head in prayer and gave his life to Christ Yeshua that faithful day. The rich man gave all that he had to the poor and the poor man shared the word of God with the rich man each and every day, they both became the best of friends during those faithful days.

The Rich man lived five years longer than the doctors said, it was because the rich man partook of the Lord's Holy Bread. Then one day the rich man was called home, soon after the poor man went home too, They are both in heaven thanking God for His blessings and love, you see this story was written to glorify our Father above...Amen

Luke 16:19-31 The Rich Man and Lazarus

## The Visit

by Chaplain Paul D. Vescio re-write 9-30-20

7:30 am. “And how are we feeling today Mr. Vescio?”

“I don't know; how are we feeling?”

“Very funny Paul, it's time for your morning meds.”

“Ok Sandy, but answer me one simple question, why do we have to do this so early in the morning? I mean this is suppose to be my golden years of peace and rest, can't I sleep in at least once or twice a week, please ah--- dare Edith?”

“Now what old TV show are you doing today Paul?”

“Thats from a show called All in The Family, Goggle it my dear.”

“I'll check it out on my brake, which by the way is in 20 min.  
then I'll be back to get you ready for breakfast?”

“OK Arnold”

“Now what's that mean?”

“Nothing I'll be right here”? (Big smile)

If you hadn't already guessed it it's 30 years later in my life and that puts me at the ripe old age of 83 years young. I became a resident of Hill Crest nursing home just about a year ago, you see I suffered a slight stroke and didn't want to be a burden to my children who are now all grown and my wife sadly went home to be with the Lord about two years ago. I always thought that I would be called first, I truly wish I was, I miss her terribly. Now was the season in life that I thought and dreaded about for my whole life.

My children come to visit me but lately only a couple a times a month. They bring my grandchildren to see me. It's heard on them to see me like this but I wish they would come more often I miss them being around.

My days here at the resort of fun are as follows, 7am meds wake up call to see if I'm still breathing. Then up and dressed for brekie, and two days a week a bath. That is unless I have an accident. 12 noon lunch, if I so choose, 2pm activity, I prefer a simple game of chess or cards. Then afternoon meds and get ready for dinner at 5:30 pm, a little reading of the word, chat with my roommate Frank about the end of civilization as we know it, we talk about better days and the word of God and our families. Actually he used to be a Pastor, I say he still is, funny how God works, I was with Pastor Corrdaro in prison, he was my neighbor, I was in space number 7 and he was in space number 6, now I'm in room 207 bed 2 and he is in bed 1. The lord has been sending people to help me through the tough times every step of the way and now is no exception to that blessing...Amen

2am. I'm awakened by the sounds of nurses and Dr.s trying to revive Pastor Frank, They transfer him to a gurney and quickly rush him out and to an awaiting ambulance out front. Now reality sets in real fast, I begin to cry and pray, you see I've known Frank since our high school days back at P.V.

“Father God I need you here Lord, I pray for Your healing touch, please grant

Frank peace and heal his body, I pray for his family and mine. Please Lord grant us peace of a sound mind, body and soul, comfort us Lord and help me to cope with all this, Please O Lord take me home to my family in Yeshua's name I pray...Amen”

3:30 am. I was awakened once more, only this time, by a cool chill, more like a breeze that wrapped itself all around me. I was filled with a sense of inner peace and joy.

“Am I dead Lord”

“No Paul I have come to give you a special gift from God.”

“Who are you”

“I am an angel of the Lord sent to you to take you home.”

“Now clear your mind and think back to a more happier time in your life.”

“I remember the time when the kids brought me and my wife a brand-new bedroom set for Christmas we set it all up, painted the room, we were all together as a family living in our house. I remember my daughter getting ready to move to her first apartment and Blazer my dog was there, I love that dog. Life was a struggle but it was good, we were a family that loved each other very much and still do...Amen

“Close your eyes Paul, Sleep, sleep, sleep”.....

“Paul wake up and turn the computer off it's late and I have to get up early in the morning to go to work. Come on Paul stop the nonsense!”

“Where am I? Hun? O.M.G. IM BACK PRAISE GOD!!!!”

“Hun! Hun! I need to tell you what happened O.M.G. THIS IS INCREADBLE!”

“Tell me tomorrow, I'm too tired, good night Paul I love you.” John 14:27

Revelation 21:4-6 And God will wipe away every tear from their eyes there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.

Then He Who sat on the throne said,

“Behold, I make all things new.”

And He said to me, “Write for these words are true and faithful.”

And He said to me, “It is done! I Am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts...Amen

## Yeshua Wept

by Chaplain Paul Vescio 10-5-18

The shortest verse in the Bible is Yeshua wept, John 11:35  
Today there are millions of lost souls suffering in nursing homes, rehabs and care centers across America who have been abandoned, mistreated and who are all alone. All one has to do is to go and visit one of these places to realize the heart break of it all.

There are people who are on life support who are not receiving bedside prayer, and Yeshua wept.

There are people who have been abandoned and are not receiving visits from family, and Yeshua wept.

There are people who are neglected and abused daily, And Yeshua wept.

There are people who are being over medicated, and Yeshua wept.

There are people who are filled with hopelessness and despair, and Yeshua wept.

There are people who are being treated like children with all of

their dignity stripped away, and Yeshua wept.

There are people who have lost everything because of the high cost of their health care, and Yeshua wept.

There are people who want company and a friend, and Yeshua wept.

There are people who just want to go home, and Yeshua wept.

There are people who want a listening ear, a compassionate heart, a helping hand, the Word of God and some encouragement but sadly they're not, and Yeshua wept...

The patients in the nursing homes are asking this one simple question, "Where is Christ in skin? The millions of empty chairs sitting bedside are a sad reflection of the Body of Christ...and Yeshua wept...Amen

## Finding God

By His faithful Servant and Friend PDV Oct 10-20

To look at everything there is to see on this side of reality and yet we pause and wonder, is it God? We look and we search in trying to remove all doubt but still in the quietness of an autumn breeze as the leaves begin to change into the colors of fall we take a moment to breathe the breath of life.

A footprint one of a kind and yet we still wrestle with doubt, in everything there is weaved perfection, even the sea turtle makes us stop and wonder where on earth did this creature come from?

The journey in search of God is one of infinite possibilities where to begin? To see all there is to see and still we ask the question, "Is there a living God?"

Can anything just come into being by itself? Are we all just a random act of chance in a vast cosmic soup of infinite possibilities?

All living things need a host in order to exist, every canvas needs an artist. Who then is our Host? Who then is the Artist Who painted on the canvas of creation and life itself?

Time, the sands of time, what, where, how did the hands of time begin and what was before time? Snowflakes, they say no two are exactly the same and our fingerprints are we made in the likeness of a snowflake?

Everything in this vast universe is connected, everything is in perpetual motion, everything is fine tuned, if things were even a few degrees off there would be mass destruction. At some point Beethoven fine tuned his piano. Who is fine tuning the universe?

The search continues as we examine everything from the make up of the sun to the molecular structure of a single cell and the atom itself. Science cannot create not a single living seed or a single living cell and the world of science looks at nature with wide wonder and they can't figure out what Force keeps the atom together, gravity and nature are but two words for a power science does not understand and yet we still have our doubts in accepting the fact that there is a living God Who is orchestrating all things.

A law cannot be a law without something or someone to enforce it and yet there are laws of gravity, laws of physics, laws of nature, mathematical laws, the laws of we reap what we sow, there is good and evil, right and wrong, there is truth and beauty, there is poetry and song.

There is hatred and the power of love and there it is right there, the power of love. We are seeking the evidence of our Living God and we have now searched all around and even looked to the heavens above and in all reality our living God is found through the power of Love. For the Bible tells us that God is Love and anyone who abides in Love abides in God and God in them. 1 John 4:16

And in John 3:16 we are told, For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life...Amen

Let us not only look all around, let us also take the time to look within our own self for it is in our own within that we are truly able to see and know God.

Please consider Inviting His Son Christ Yeshua to come into your life and see what happens next, for He is The Way The Truth and The Life no one comes to the Father except through Him.

Revelation 3:20:21 Behold I stand at the door and knock if anyone hears My voice and opens the door I will come in to him and dine with him and he with

Me, to him who overcomes I will grant to sit with Me on My throne as I also overcame and sat down with My Father on His throne...Amen

## The Stones of Sorrow

By Chaplain America 193

As I walked with the Lord Christ Yeshua from yesterday on to today and into tomorrow, I listened intently as He spoke of a parable The Stones of Sorrow and with a smile He reached down to pick up a little white stone that He had found then He placed the stone within my hand so that He might help me to truly understand.

And just when I was about to ask the question, "Why" It was at that very moment He began to look deep within my eyes. Then the Lord gave thanks and said,

"Today I'm taking you on a journey in search of the stones of sorrow so that between the two of us we might offer them a brighter tomorrow.

"Who or what are the stones of sorrow Lord?" I asked

Then the Lord looked at me and said,

"You see child, first you need to know what they are not so you can begin to truly understand, now take out the stone I gave you and hold it in your hand. The stones of sorrow are not what you may think they are, they are not those of the ground and you won't find them on the moon floating high in the sky, you see child the stones of sorrow are all of the brokenhearted with tears of great sadness in their eyes. They have hardened their hearts because they're filled with great sadness and pain, you see they've lost all hope of a brighter tomorrow because of all their despair and sorrow. And as we walked together, I suddenly found myself standing with the Lord beside a very tall mountain. This is where you and I must go in order to bring a peace and a hope and a love to all the stones of sorrow.

Then Christ Yeshua continued to say,

“For within these North Mountain walls are the many beds were all of the broken hearted and suffering rest their weary heads. This is where staff, family members and patients who are the stones of sorrow need to know there is a hope in Christ Yeshua for an even brighter tomorrow Amen

Revelation 2:17 He who has an ear let him hear what the Spirit says to the Churches. To him who overcomes I will give some of the hidden manna to eat and I will give him a white stone and on the stone a new name written which no one knows except him who receives it.

Revelation 3:5 He who overcomes shall be clothed in white garments and I will not blot out his name from the book of life but I will confess his name before My Father and before His angels.

Revelation 21:4-6 And God will wipe away every tear from their eyes there shall be no more death nor sorrow nor crying. There shall be no more pain for the former things have passed away.

Then He who sat on the throne said, “Behold I make all things new.” And He said to me, “Write for these words are true and faithful.” And He said to me,

“It is done, I am the Alpha and the Omega, the Beginning and the End, I will give of the fountain of the water of life freely to him who thirsts.”

John 14:27 Peace I leave with you, My peace I give to you, not has the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

# USE IT OR LOSE IT

By Chaplain Paul 10-8-2020

Matthew 16:24-26 Then Yeshua said to his disciples, "If anyone desires to come after Me let him deny himself and take up his cross and follow Me for whoever desires to save his life will lose it but whoever loses his life for My sake will find it. For what profit is it to a man if he gains the whole world and loses his own soul or what will a man give in exchange for his soul?"

9:23 Take up his cross daily. To follow Christ Yeshua requires self-denial, complete dedication, and willing obedience. Luke emphasizes continued action and "daily" is not mentioned explicitly in the parallel accounts. Disciples from Galilee knew what the cross meant for hundreds of men had been executed by this means in their region.

Whoever loses his life for Me. A saying of Yeshua found in all four gospels and in two gospels more than once no other saying of Yeshua is given such emphasis.

Deny himself. Cease to make self the object of one's life meaning the object of one's life and actions. Take up his cross. The picture is of someone already condemned required to carry the beam of his own cross to the place of execution. Cross bearing includes a willingness to suffer and die for the Lord's sake. Follow Me implying that His own death would be by crucifixion.

Save his life. Physical life may be saved by denying Yeshua but eternal life will be lost. Loses his life. Conversely discipleship may result in the loss of physical life but that loss is insignificant when compared to gaining eternal life. NKJ Study Bible.

These scripture verses exemplify the term, placing Service Above Self for the glory of God. If we are focused only on ourselves we will lose our life to selfishness, pride, ego, and self of the flesh. But when we give our lives to Christ and we place Service Above Self in reaching out in helping others for the glory of God then an amazing thing happens we actually find our true selves, we find life and life more abundantly through Christ Yeshua our Lord. We find life through serving Him in obedience, compassion, kindness and love...Amen

John 10:10 The thief does not come except to steal and to kill and destroy I have come that they may have life and that they may have it more abundantly.

John 10:11-18 I am the Good Shepherd the Good Shepherd gives His life for the sheep but the hireling he who is not the shepherd one who does not own the sheep sees the wolf coming and leaves the sheep and flees and the wolf catches the sheep and scatters them the hireling flees because he is a hireling and does not care about the sheep. I am the Good Shepherd and I know My sheep and I am known by My own as the Father knows Me, even so I know the Father and I lay down My life for the sheep. And other sheep I have which are not of this fold them also I must bring and they will hear My voice and there will be one flock and one Shepherd. Therefore, My Father loves Me because I lay down My life that I may take it again. No one takes it from Me but I lay it down of Myself I have power to lay it down and I have power to take it again this commandment I have received from My Father...Amen John 14:27

## WHAT'S HAPPENING

By Chaplain America 193 Oct 11 2020

We have reached a point in America where most people today do not know what their civil rights are or what their civil liberties are or how to defend them or exercise them. The end result is we are being taken advantage of by the powers that be every day.

After engaging my elected officials for months I have come to the sad conclusion that most of our elected officials do not know either. When the Covid19 recommendations come out from the CDC everyone fell in line like dominos in a very long line, and we went right along for the ride believing that our elected officials had our best interests to heart.

We have now reached a point in American history where if our elected officials don't tell then we don't know and if most of our elected officials do not even know in the first place then we all really don't know.

We as a nation have got to take the time to learn our civil rights and our civil liberties and how we can best defend them and exercise them for all our sake. How do we exercise our rights? By learning who to contact when our civil rights and our civil liberties are violated.

Here is a prime example of how this process works. I was locked out of the healthcare facility where I serve as a Community Chaplain, at first I did what every one else did, I did what I was told without question but as time passed I soon realized that something was radically wrong. I began making phone calls seeking answers. I called the healthcare provider where I serve and the Director told me that these rulings came from the corporate office so I called the corporate office and I talked to the Health and Human Services Director who told me that the Covid19 guidelines came from the Governor so I called the Governor's office and they informed me that these rulings came from the CDC so I called the CDC and guess what they told me that the Covid19 Guidelines were only guidelines and not law, imagine that.

So all of the health care providers who denied visits by members of Clergy and by at least one healthy screened family member who takes the same precautions as staff broke state and federal civil rights laws.

As time went by I continued to engage my elected officials at one point I talked to a State Senator who chaired the Governor's task force on Arizona Long Term Care Visitation and she had no idea that Clergy was locked out. I gave her my recommendations and praise God they were added into the CMS guidelines which now allow all Members of Clergy in to go visit without any limitations, also family members are now able to assign one or two Designated Essential Visitors to go in and be by their loved ones side provided they abide with the healthcare provider's visitation rules of safety.

As soon as I had the CMS Guidelines in my hand I contacted the health care provider where I serve I left a message, I called twice, then I called their corporate headquarters explained to the woman that answered the call that I had the CMS Guidelines in my hand and that if I did not hear back from the Director that on Monday I was going to go down to the healthcare provider where I serve and if they did not let me in I was going to file a complaint with the Arizona Long Term Care Licensing Department at which point a Surveyor would be sent out to the

facility to explain to them that they are not in compliance and if they still refused to allow me in to see the patients then they would be heavily fined.

The Director called me back the same day and we worked out a visitation plan that is safe and fair for all parties involved Pastor Ken and I will be returning to the facility where we serve Christ Yeshua in bringing the compassion and the love of Christ to the patients, staff members and family members for the glory of God.

If I did not take the time to ask questions or investigate these matters or in realizing that my and the patient's civil rights were violated and gather the necessary documents to defend my rights we would still be locked out for lack of knowledge and wisdom.

Our rights and our freedoms are extremely valuable otherwise the powers that be wouldn't be trying to take them away from us all the time. The powers that be know that if they can keep us ignorant of what our rights and our freedoms are then they could take full advantage of us without a fight. Know what your civil rights are and know what your civil liberties are, learn how to defend them and how to exercise them they were given to us through the shedding of much blood, sweat and many tears and it's a shame that we have come to a point in American history where we do not have the respect or gratitude in taking the time to learn what our rights are or how to exercise them or defend them.

It all boils down to this,

**LEARN THEM, USE THEM, DEFEND THEM, OR LOSE THEM, ITS THAT SIMPLE.**

# WILLOW

By Chaplain America 193 8-23-20

This is the story of The Willow. The Willow was as happy as happy can be, in fact it's because of The Willow that all the Happiness Trees were renamed Weeping Willow Trees.

It all began one faithful day in the month of April or maybe May. All of the Happiness Tress were all as happy as bumblebees. They were all singing and laughing and swaying about as they all lived a life of not having to do without.

Then one day big trucks arrived down by the pond where all the Happiness Tress lived. A crew of men dug up the trees with very big trucks then they haled all the trees far, far, away, there were over twenty Happiness Trees removed from their happy home that faithful day.

All the Happiness Trees were replanted at a brand-new health care facility called The Shady Rest Nursing Home and Medical Rehab on High Ridge Road in Stamford Connecticut.

Soon after all the Happiness Trees began swaying in the cool Spring breeze, all of the Happiness Tress were as happy as Honeybees. About a year past and by this time the nursing home was just about full, then Corona Virus blew in and everything became very sad and blue.

Then one faithful day all of the Happiness Trees decided to look in the windows to take a little peek and what they saw took their breath away, For within the walls of what appeared to be a place of peace, comfort and rest was actually a house of horrors. The trees saw patients neglected, verbally and emotionally abused. They saw patients being treated like little children who were separated, isolated and heavily medicated. The trees witnessed patients being lied to and treated like prison inmates and zoo animals all for profit and greed.

Then the Happiness Trees began to weep for these poor souls night and day and soon after all of the Happiness Trees were renamed Weeping Willow Trees for they are the trees who weep for the sufferings of mankind.

The Weeping Willow reminds us all that we can do a lot better in the way we treat our sick, suffering and dying. The Weeping Willow is very kind and she has a very compassionate heart and sadly the sins of mankind are breaking her heart...

John 14:27 And Christ Yeshua said, "Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen"

## Window into Reality

By Chaplain America 193 9-27-20

There is a window that sadly most people refuse to look through these days, this window is where true reality lays. I tell you it takes real courage just to take a peek because what you'll see will leave you speechless. Here now come along with me and together we will take a look into the window of reality.

And as we looked inside, we saw the many poor souls lying in beds, they were suffering as they tried to rest their weary heads. We saw people being treated like children and still others locked in their rooms, we saw people crying out to our Lord for help in asking,

"O Lord where is Christ in skin?"

We saw patients hooked up to breathing machines gasping for air, we saw staff members who did not seem to really care, we saw the paralyzed crying in pain and we saw their tears that fall like rain.

We saw people working all about, but the need for love and compassion by the patients it would seem sadly most of the staff members could do without. Again, we saw patients being treated like little children and even pushed about; I tell you America this kind of healthcare we all could do without.

We saw people abandoned by their families, all alone, neglected, mistreated, sadly they have lost all hope. We saw their dignity and their life savings stripped away because of the high cost of American healthcare these days. We saw things

that would break a person's heart, there needs to be a change because the sadness and the greed of American healthcare is tarring American families apart.

So there you have it my friend and sadly that was just a short little peek into the reality of the greed and the horrors of American healthcare these days, but with God's help we will continue the fight in making American healthcare compassionate, affordable, safe, loving and right in casting out all the powers of evil and darkness from our very sight...Amen

Joshua 10:25 Then Joshua said to them, "Do not be afraid nor be dismayed be strong and of good courage for thus the Lord will do to all your enemies against whom you fight."

Isaiah 41:10 Fear not for I am with you be not dismayed for I am your God I will strengthen you, yes I will help you I will uphold you with my righteous right hand.

## Soggy The Groggy Bullfrog

By Chaplain America 193 Oct 5 2020

Soggy was a bullfrog who lived down by the pond, Soggy was always getting up way before the crack of dawn. Soggy knew that if he was going to catch a fish then he would have to be the first one up and on the run, you see all the other frogs were out to catch fish too, they were all in it just for fun.

Then one day Soggy had a very bright idea he would stay up all night and be the very first frog out fishing before the morning light. Soggy stayed up that was for sure, but he was as groggy as drunken sailor and as slow as a snail. Poor Groggy didn't catch a single fish that faithful day. Then Groggy went back home and started to pray,

"O Lord please help me catch some fish so I can have something to eat, thank You O Lord for helping me stay on my feet."

The very next day Soggy went fishing but this time he took the time to first pray, and wouldn't you just know it by the middle of the day Soggy the Groggy Bull Frog caught the most fish out of everyone that faithful day.

Then all of the frogs began to splash all about, then they all gathered together and started to shout,

“SOGGY THE GROGGY BULLFROG HAS WON THE DAY HE CAUGHT THE MOST FISH THIS FAITHFUL DAY!!!!!!”

Don't ever underestimate the power of prayer and always remember to start your day off right with meaningful prayer and have faith in God because He is always near...Amen

Luke 5:1-11 So it was as the multitude pressed about Him to hear the word of God that he stood by the Lake of Gennesaret and saw two boats standing by the Lake but the fishermen had gone from them and were washing their nets. Then He got into one of the boats which was Simon's and asked him to put out a little from the land and He sat down and taught the multitudes from the boat. When He had stopped speaking, He said to Simon,

“launch out into the deep and let down your nets for a catch”

But Simon answered and said to Him Master we have toiled all night and caught nothing nevertheless at Your word I will let down the net. And when they had done this they caught a great number of fish and their net was breaking. So they signaled to their partners in the other boat to come and help them. And they came and filled both the boats so that they began to sink. When Simon Peter saw it he fell at Yeshua's knees saying,

“Depart from me for I am a sinful man O Lord.”

For he and all who were with him were astonished at the catch of fish which they had taken. And so also were James and John the sons of Zebedee who were partners with Simon. And Yeshua said to Simon,

“Do not be afraid from now on you will be catchers of men.”

So when they had bought their boats to land they forsook all who followed them...Amen John 14:27

QUOTE BY CHAPLAIN PAUL VESCIO 10-3-2020

When a nation turns a blind eye to the horrors and the sufferings that are happening and that nation is one day destroyed by God and He gives it to other people, then it won't be just for the things that nation did it will also be for the things that nation refused to do...Amen

Revelation 6:7-8 When he opened the 4th seal I heard the voice of the fourth living creature saying, "Come and see." So I looked and behold a pale horse and the name of him who sat on it was death and hell followed with him. And power was given to them over 1/4 of the earth to kill with the sword with hunger with death and by the beasts of the earth.

## Tears

a poem by Chaplain Paul 10-10-18

I met a man the other day, he told me that his family took his house away. I met a woman with very sad eyes, she told me that she was tired of all of the broken promises and all of the lies. I met a man who's wife was on life support, I reached out to offer him prayer as he started to cry, I pleaded with God asking,

"Please Lord don't let it be time for this poor man's wife to die."

Just then a nurse passed by with very sad eyes, you see she was having a very bad day, so I reached out my hand and we started to pray, afterwards she smiled and thanked me saying,

"Thank you I needed that you really made my day."

Then I heard a women crying and alone, you see the staff was too busy to sit with her for a while, so I held her hand and told her a story then she gave me a comforting smile. I saw a woman looking out of the window with a blank stare, she asked me,

"Chaplain does anyone out there really care?"

And as I walk these sad, sad halls with Christ Yeshua by my side I asked Him,

“Lord, why are there not more people out there who care?”

He answered me and said,

“Sadly, satan has got most of them so terribly busy that they're not coming in to feed My sheep, sadly they've become so preoccupied they've fallen fast asleep.”

Abba Father I pray that good compassionate Christian volunteers will come forth by the thousands so as to chase out the darkness and bring in the light and I pray Lord that volunteer Chaplains will line up like roaring lions and join in the fight, and I pray for Your guidance protection and love and we Thank You Abba Father for watching over us from above...

Ps And as I went home I counted my blessings that day, the Lord smiled and said,

“Good Job Paul, see you back here on another faithful day.”

Blessings come through the blessing of others, you see we are someone's blessing and they are ours and that's what serving Christ Yeshua is all about Charly Brown... Amen John 14:27

## MLK HAD A DREAM THAT SADDLY HAS NOW TURNED INTO AN AMERICAN NIGHTMARE

By Chaplain American 193 Oct. 9 2020

"I Have a Dream" is a public speech that was delivered by American civil rights activist Martin Luther King Jr. during the March on Washington for Jobs and Freedom on August 28, 1963, in which he called for civil and economic rights and an end to racism in the United States.

Martin Luther King's dream did come true through the Civil Rights Act that was enacted on July 2 1964 when President Johnson signed that historic legislation into law.

American citizens after decades of struggle finally received the rights and the liberties they had been long waiting for. Then what happened? America's school systems began teaching us our rights and how to defend them and properly exercise them in Civics Class and by the 1980s American activists abound so much so that the powers that be got very concerned and pushed to have civics class either removed or very watered down in the public school system so much so that here we are today sadly MLK's wonderful dream has turned into an American nightmare for us all.

Most people today do not even know what their civil rights are or what their civil liberties are or how to go about defending them or in exercising them. Most people think the powers that be would never think to violate our rights, I mean if they were to do such a thing then surely someone would come running to our aid, right?

No, if you don't know then they are not telling. We are on our own and the powers that be are taking full advantage of our ignorance in all of us not knowing what our rights are or how to defend them or exercise them.

So what do we do? Take the time to learn what your civil rights and what your civil liberties are and how to defend them and exercise them because if we do not then the powers that be will continue to take full advantage of us. Their attitude is violate our rights and our freedoms and see what happens next and if they get away with it then more power to them.

## SERVICE ABOVE SELF FOR THE GLORY OF GOD

By Chaplain America 193 Oct 16 2020

King David placed service above self for the glory of God. Before he was made King of Israel the Philistine Army was about to attack the Children of Israel but first a little pre-battle matchup would soon get under way. Goliath was the Philistine champion, and the deal was that he would fight the Children of Israel's champion for a winner take all match to the death. Well no one would step forward then along comes this rosy cheek kid. So they put armor on David but it was too bulky and heavy so David did away with it and instead picked up his weapon of choice a sling and a few smooth stones. The laughter from the Philistines must have been heard for miles around and the embarrassment the Children of Israel must have felt must have been crushing and very painful.

Well here comes David and with the power of God he hit Goliath right square in the forehead killing the giant and sucking the courage right out of the Philistine army and delivering it all to the Children of Israel's army for the glory of God. Now the Children of Israel realized something, that they had Someone that they always had and that Someone is God All Mighty.

David placed Service Above Self through his faith and trust in God for the glory of God. How do we do that today? We do it by reaching out in helping others even at our own expense. Chaplains place Service Above Self for the Glory of God through serving Christ our Lord.

Chaplains were there in times of war helping to aid the sick and the dying, Chaplains minister to our men and woman in the Armed Forces helping to encourage them through the Word of God.

Chaplains were always there during plagues and pandemics throughout history. Chaplains were there during man made and natural disasters always placing self second for the needs of others.

Chaplains were there on 911 and one Fire Chaplain went into one of the World Trade Tower buildings with the other Firemen helping people and praying for those who were hurt and was killed when the building collapsed.

Google the Four Chaplains and check out a video on Youtube about the four Chaplains who placed Service Above Self in helping others. The short end of their story is these four men were serving on a ship during World War Two and the ship was hit with torpedoes, the ship was loaded with troops and as it was sinking it was discovered that there wasn't enough life jackets on board, the four Chaplains gave their life jackets to four younger men on board when the ship sank the four Chaplains hung onto each other in the water praying and eventually died. They are heroes who will always be remembered for placing Service Above Self for the Glory of God.... Amen

Christ Yeshua placed Service Above Self by giving of Himself and dying on a cross so that our sin debt would be forgiven for the Glory of God. Christ always placed Service Above Self in reaching out in helping others.

First Timothy 3:16 And without controversy great is the mystery of godliness. God was manifested in the flesh, Justified in the Spirit, Seen by angels, Preached among Gentiles, Believed on in the world, Received up in glory.

John 3:16 For God so loved the world that He gave His only begotten Son that whoever believes in Him should not perish but have everlasting life...Amen
