

The Chaplain and The Rose

Psalms 37:4 Delight yourself also in the Lord and He shall give you the desires of your heart.

Our Lord created a very special garden at the base of North Mountain, it is a place of great suffering and sadness and at the same time it is a place where Faith, Hope, and Love abounds for the glory of God on a daily bases.

Our Lord sent me to North Mountain with Pastor Shon, and Pastor Ken. We were each assigned a certain number of flowers to help nurture, water, and feed in order to help them to grow and thrive.

Our Lord's garden at North Mountain had a variety of colorful flowers that were in need of kindness, compassion, and loving care. There were all kinds of flowers except one, you see there were no roses at North Mountain.

Then one day as I was tending to my flowers our Lord planted a rose at North Mountain and said,

"This very special rose was crushed and bruised because of a number of life's storms. Chaplain Paul I want you to share My Love with this rose, I want you to help care for this rose by sharing My word with her and by treating this very special rose with respect and loving kindness. I want you to encourage her by letting her know I love her and I will never leave her nor forsake her. Please tell her I will continue to walk with her through the raging storm and I will help her get to the Promised Land where the lion lays with the lamb, where streams flow with milk and honey. Yes Chaplain Paul I have sent you because you truly love the flowers I have planted at North Mountain. Peace be with you Paul." John 14:27

And from that day forth I did as the Lord commanded me, I helped in caring for the rose of North Mountain with the Faith, Hope, and Love that this very special rose would one day grow big and strong and sprout wings of an eagle for the glory of God...Amen

Isaiah 41:10 Fear not for I am with you, be not dismayed for I am your God, I will strengthen you, YES I will help you, I will uphold you with My righteous right hand...

Philippians 4:13 You can do all things through Christ Who strengthens You...Amen PALS 😊
