

# NOWHERE LAND

Nowhere in the land were there enough people who had the courage to rise up, fight back and make a stand. Nowhere in the land could be found anyone who had actually read and understood the Constitution of The United States of America.

Nowhere in the land could be found people who placed Service Above Self in reaching out in helping others for the glory of God and sadly it would seem all the Good Samaritans had just faded away not to be seen or heard of ever again in Nowhere Land.

Nowhere in the land could be found well educated people who knew their civil rights and knew how to defend them and exercise them or for that matter or how to teach these very important civil rights to others so we can all remain free.

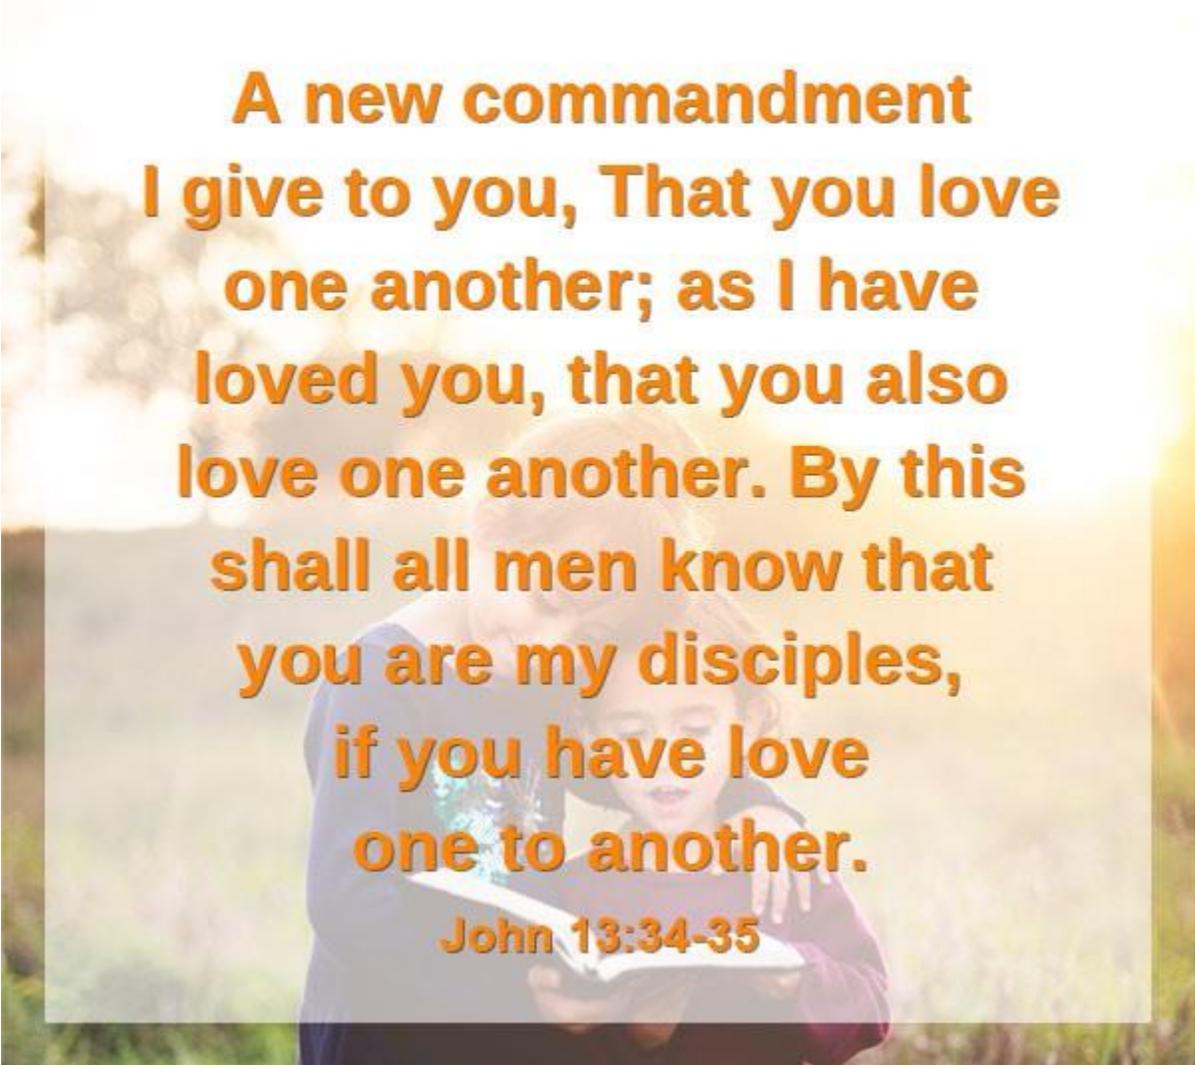

Nowhere in the land were compassionate, kindhearted, caring souls who took the time to reach out and help those who were suffering and in need, Nowhere in the land were people with the courage of a lion who were not afraid to stand up to the corruption of corporate greed.

Nowhere in the land were any people who could truly understand that life is not all about them and what they can get out of it or about what they think they are owed in life, Life is all about Him the One who gave us life and Who offers us eternal life in a place called Heaven.

Nowhere in the land could be found those who actually followed Christ Yeshua's teachings and Holy commands like in John 15:12

“And this is My command that you love one another as I have loved you.”

I have faith in the hopes that everyone in the land will one day come to truly understand and put into practice Christ Yeshua's life saving teachings and Holy Commands...Amen

**A new commandment  
I give to you, That you love  
one another; as I have  
loved you, that you also  
love one another. By this  
shall all men know that  
you are my disciples,  
if you have love  
one to another.**
