

I MATTER

“Do I matter Lord?”

“Yes you do matter to Me, for I formed Adam out of the dust, you see you matter because you are matter, and as a matter of fact you matter to Me very much. Now please sit down and tell Me what’s the matter?”

“Well for starters I don’t feel like I matter very much, you see Lord things have been kinda rough lately and the truth of the matter is, well I guess what I’m trying to say is, it’s a matter of faith. When things get really rough and the winds of adversity come rushing in like a flood my faith falters and I become weak and start to sink in my problems.”

Well, what did Peter do when he began to sink in the waters during a storm? Remember Peter saw Me walking toward him on the lake and he asked to come to Me so I said “Come!” And Peter stepped out of the boat in faith and started walking on water.”

“O yes, I remember now Lord, Peter took his eyes off of You and began focusing on the storm all around him and when he saw how dangerous it was his faith became weak and he sank in the water. Peter began drowning and cried out for help by saying, “LORD SAVE ME!!!”

Matthew 14:22-36 Christ Yeshua walks on water and calls Peter to come to Him.
