

I'm Just a Living Grain of Sand

By Chaplain Paul 193 April 2022

Genesis 2:7 And God formed man of the dust of the ground and breathed into his nostrils the breath of life and man became a living being.

I'm just a living grain of sand who feels sorrow, and love, compassion, comfort, and pain.

I'm just a living grain of sand who's now standing out in the pouring rain.

I'm just a living grain of sand only wanting to be fed, I'm just a living grain of sand in search of our Lord's living water and life-giving bread.

I'm just a living grain of sand who's wanting to draw closer to our Lord through His living Word,

I'm just a living grain of sand who needs a Savior now more than ever because living a life without Christ our Lord in my life is no way to live and it is no way to die.

I'm just a living grain of sand wanting to be set free, set free of all the trappings of this world, and set free of my sinful nature which is controlled by satan and by my flesh...Amen

I'm just a living grain of sand looking out to sea,

I'm just a living grain of sand only wanting to be set free. John 14:27

"To be or not to be, that is the question, for what is a man, a speck of dust, a grain of sand? For he alone creates his own heaven and hell on earth...Amen"
