

# IT'S NOT ABOUT ME

By a Humble Servant of Christ Yeshua our Lord

John 15:12-14 This is My commandment, that you love one another as I have loved you. Greater love has no one than this, than to lay down one's life for his friends. You are My friends if you do whatever I command you.

God has once again taught me a very valuable lesson in my walk with Christ our Lord by reminding me that it's not about me. For a variety of reasons there are patients in the healthcare facility where I serve our Lord that I like to visit and some patients I do not like to visit, but at the end of the day it's not about me and I must go where the Holy Spirit leads me and He does.

I have had patients like Lorry who I loved dearly who on certain days did not want me to visit her, O at first I was a little hurt but realized that because of her health condition it was totally understandable. Some days when I thought she might not want a visit she invited me in for a visit.

It's all up to God after all He is the One Who is running the show here on planet Earth not us. There have been times when I go to the healthcare facility thinking I'm going to visit a certain patient only to arrive to find out that the patient is not in their room or is sleeping or the door is shut because the staff is in the room helping them so God in His infinite power, wisdom, and love redirects me to someone else's room and we have a really great visit for the glory of God.

One door shuts and another door opens as God continues to work out all things for His good purpose.

Proverbs 3:5-6 Trust in the Lord with all your heart and lean not on your own understanding in all your ways acknowledge Him and He shall direct your paths...Amen
