

WALKING LOVES KNOWLEDGE

By PDV 193

Walking loves knowledge, what on earth does it mean? I don't know until we get there. Get where? Who's talking here, you or me? Let's take a walk and see shall we?

We began our faith walk to see what we could see then suddenly there was a purple elephant standing right next to me. The big purple elephant looked at us and said,

“Seeking knowledge is good for your head.”

We walked a little further and met a colorful butterfly who laughed at us and said,

“Knowledge is like bread we need it in order to be fed.”

We couldn't believe our eyes then to our shocking surprise a red and blue tree frog hopped our way, he looked at us and said,

“Gather knowledge in a basket as quick as you can then go out and apply it in order to expand your horizons; now do you understand?”

We continued walking down the cobblestone path of wonder and imagination and there just overhead was a giant orange and green caterpillar grinning at us with a straw pipe in his hand. The caterpillar smiled and said with a wink of an eye,

The knowledge you seek is like fine wine to drink, it's like honeycomb to the taste, it's like sweet music to one's ears. Just go and talk to the One Who knows Who's standing right over there.”

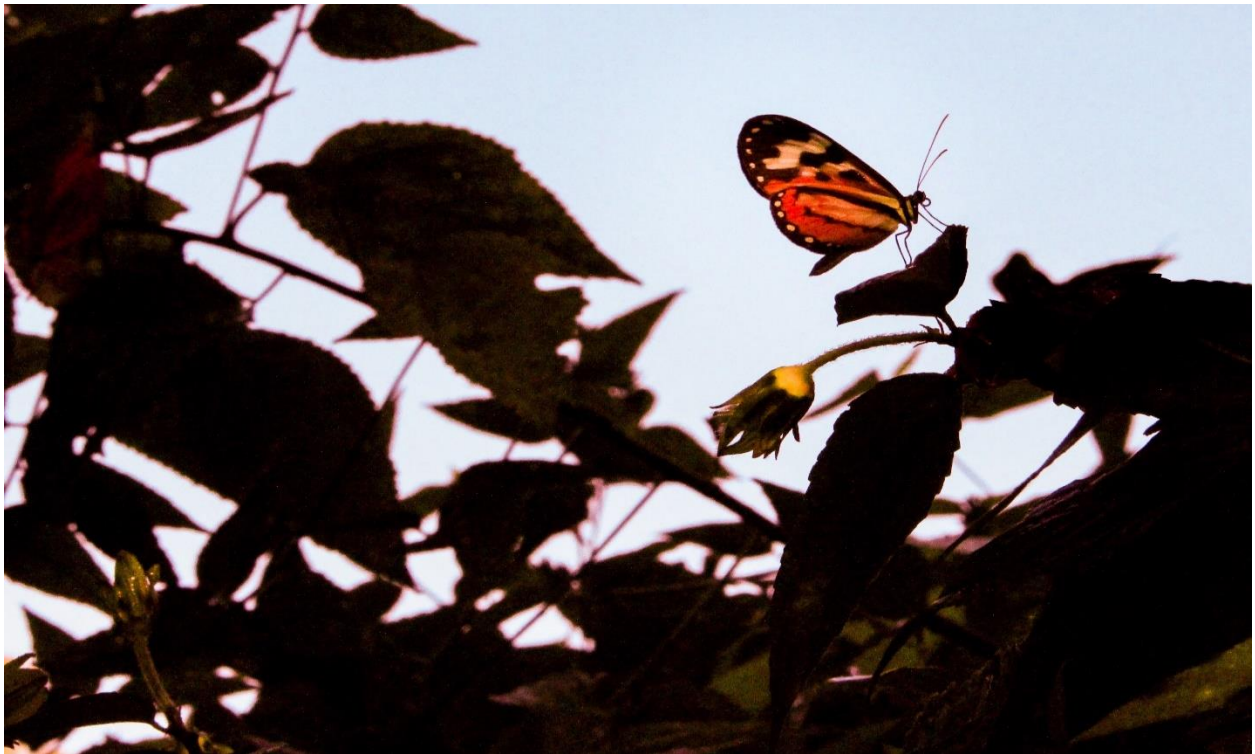

We turned and we couldn't believe our eyes for to our wonderful surprise Christ Yeshua was standing nearby.

Our Lord looked over at us and said in a very kind voice,

“Knowledge is good but always remember wisdom is applied knowledge so be a doer of the Word and not just a reader of the Word. The Word of God is filled with great knowledge and wisdom for the mind, heart, body, and soul but always remember to read and then do the Word of God in order to understand God's precepts and to fill your heart with My compassion, forgiveness, mercy, and love. Knowledge is good but relationship with the Father, Son, and the Holy Spirit is better... Amen” John 3:16 John 14:27 “Peace I leave with you, My peace I give to you.”

And just like that our Lord was gone and then we noticed a large egg with a red ribbon tied around it, so we decided to pick it up and carry it home and a few weeks later the egg began to crack and hatch right before our eyes, and to our awesome wonder and surprise it was little Maggie the duck quacking joyfully to see my grandson Caius and me. Our Lord had returned our sweet Maggi to us after all these years, PRAISE GOD, HALLELUYAH, HALLELUYAH...AMEN!!!!

The End

Psalms 36:7-9 How precious is Your loving kindness O God! Therefore the children of men put their trust under the shadow of Your wings. They are abundantly satisfied with the fullness of Your house, and You give them drink from the river of your pleasures. For with You is a fountain of life; in Your light we see light.
Amen
