

KEY OR LINK

By Chaplain America 193 and ChatGPT February 2025

To My Elected Officials,

First, thank you for your service to our state and nation. You have been placed in a position where you can reduce suffering and bring real change to those in need. But your time in office is brief compared to the grand scope of history.

So, when your time of service ends, how will you be remembered?

Will you be just another LINK in the long, unbroken CHAIN of inaction, bureaucracy, corruption, party loyalty, and indifference—allowing millions of long-term care patients to remain bound in neglect, abuse, mistreatment, abandonment, torment, misery, heartbreak, lies, tears, and the greed that plagues American long-term care?

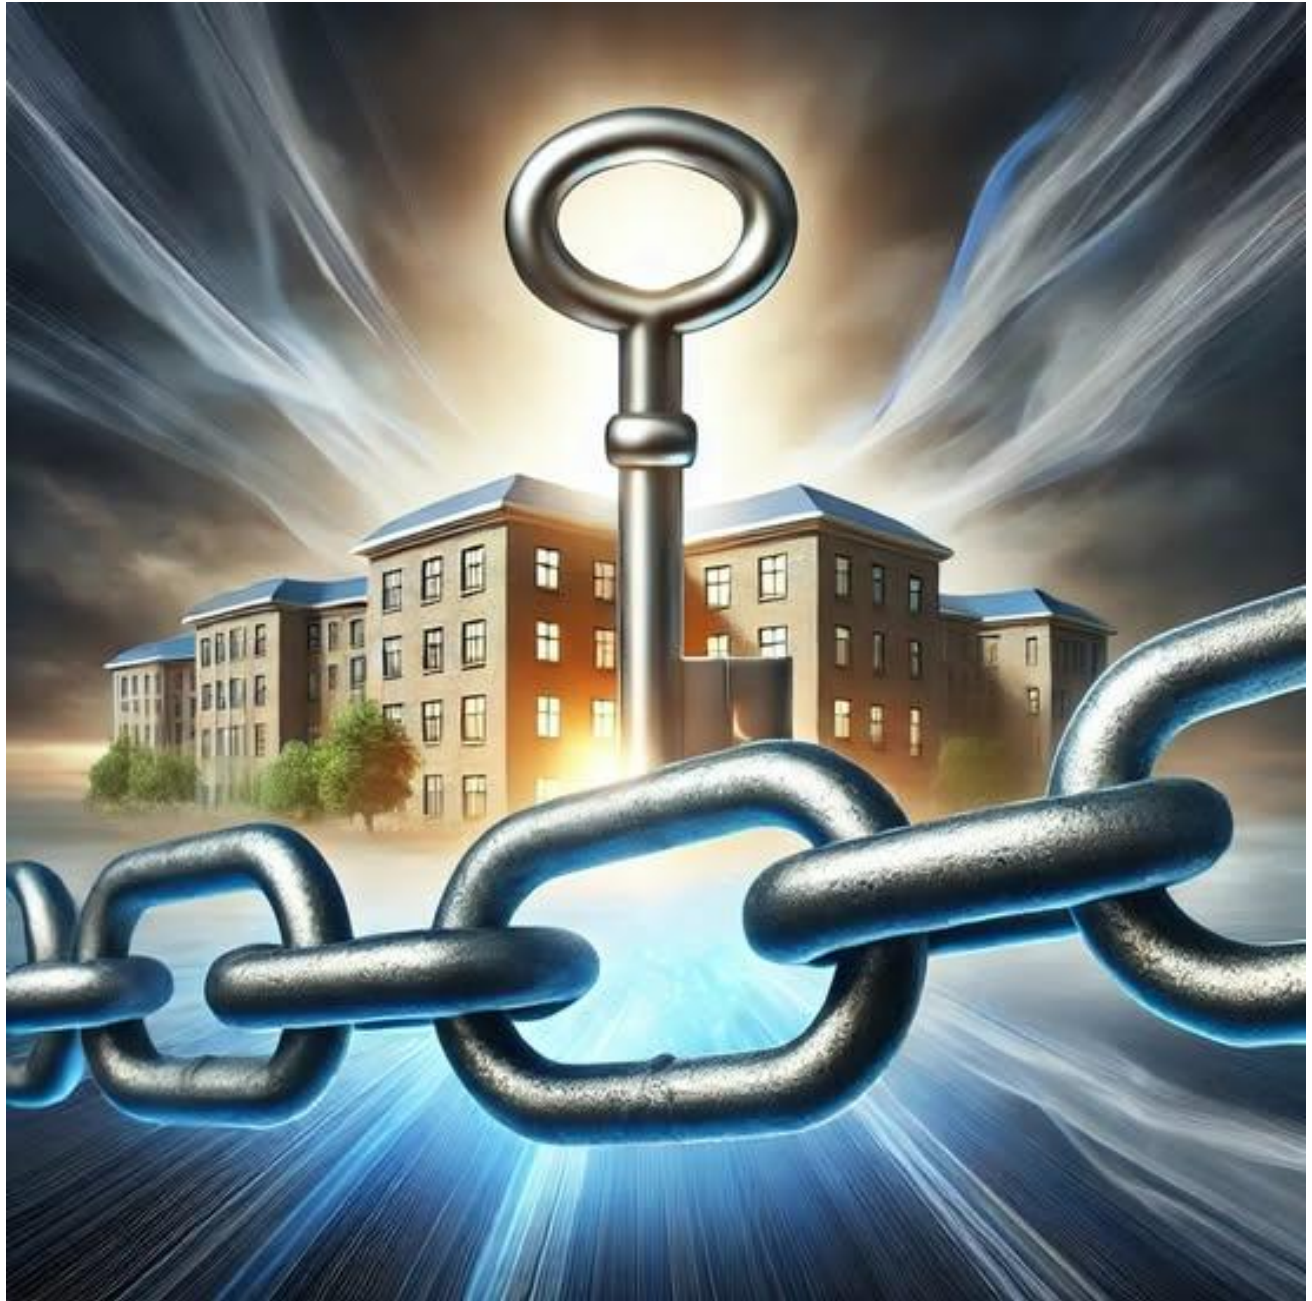

Or will you be the KEY—the one who finally unlocks the chains and frees millions of suffering souls left in isolation, despair, and agony every single day across this nation?

History will remember your choice. Will you be a KEY or just another LINK in their suffering?

The time to act is now.
