

CHAPLAIN AMERICA AND THE HOLY ILLUMINATOR

By Chaplain Paul Vescio 193

Preface

This Book is dedicated to my friend Pastor Shon Karna who has been a true friend and a real inspiration in my life. Pastor Shon who is in his 50s is a patient in the medical rehab where I serve as a Volunteer Christian Community Chaplain. I wanted to write Pastor Shon in the Chaplain America story as a main character. I wanted to do something that would take him out of his surroundings and bring some real peace, and joy to his life.

Pastor Shon is a beacon of light and hope who always tells those around him, "Jesus loves you and so do I."

This is why I chose the name The Holy Illuminator as Pastor Shon's character for this collection of stories. I wrote 10 individual stories and have decided to publish them in book form for the glory of God and as you will soon see by reading through this book Pastor Shon goes on quite an adventure.

Thank You Pastor Shon for your friendship, love, and support I appreciate it more than you know and I pray that our Lord will continue to watch over, heal, and bless you and your family, Love your Brother in Christ Yeshua Chaplain Paul 193

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

Chaplain America 193 and the Holy Illuminator

By Chaplain Paul 193 May 2021

John 8:12 Then Yeshua spoke to them again saying,

“I am the light of the world he who follows Me shall not walk in darkness but have the light of life.”

My name is Chaplain John lionheart and I wanted to make a lasting record of how God used Pastor Shon Carson, The Holy Illuminator in healing others for the glory of God here at the VA Hospital.

Pastor Shon was a patient at the VA in Phoenix where I serve as Head Chaplain, we had become close friends over the two years that he was there. Pastor Shon suffered dearly and our friendship along with our relationship in Christ Yeshua helped us both through many of life's storms.

One night while Pastor Shon was sleeping Rafael the Archangel suddenly appeared. Pastor Shon woke up and was in awe of Raphael's radiant light. Raphael told Pastor Shon that he was chosen to illuminate the mind, body, and souls of a chosen few at the VA Hospital.

Raphael gave Pastor Shon a flask of anointing oil with the names of seven people that he was to encounter, and he told him that when he anointed their foreheads with this very powerful anointed oil that the power of God would illuminate them and they would be forever changed for the Glory of God. Little did I know that I was to be one of those people.

Raphael returned the next night and told Pastor Shon that he was going to give him the power to walk and that he was to go and anoint three patients who were in a simi-coma. Raphael explained that no one would be able to see or hear Pastor Shon and that he would be right by his side at all times.

The first patient's name was Mary, Pastor Shon did as Raphael instructed but before doing so he asked Raphael why he couldn't just do it? Raphael explained that only through the suffering of a righteous human heart does this work.

Pastor Shon entered Mary's room and knelt by her bed and anointed her head with oil and prayed then suddenly the room filled with a brilliant white light and Pastor Shon found himself back in his bed.

Raphael took Pastor Shon to anoint the other two patients, Pam and Randel and as soon as the white light appeared Pastor Shon was back in his bed. Raphael told Pastor Shon that that was all that was needed for that night and that he would return to go with Pastor Shon to anoint the rest of the people who were on the list very soon.

The very next day all three patients were conscious and sitting up in their beds and getting better with each passing second. The staff, nurses, and doctors were amazed, they were calling it an absolute miracle from God, then all three began quoting scripture verses and sharing the Word of God as if they had been doing it for years. Their knowledge of the Word of God was extraordinary and remarkable, they were drawing people into a closer encounter with the Lord.

Four weeks past until Raphael returned, this time it would be a nurse by the name of Becky who would be illuminated for the glory of God. Becky was a devout Christian who loved the Lord.

Nurse Becky came to see Pastor Shon and like always Pastor Shon said, "Jesus loves you and so do I."

Nurse Becky began to cry and then Pastor Shon asked her if he could please place a blessing onto her life by anointing her with the anointing oil he had. Becky was very honored and agreed.

Pastor Shon placed a few drops of the anointing oil on his finger and then placed his other hand on the top of Becky's head, he made the sign of the cross on her forehead while speaking blessings over her then a brilliant white light engulfed the room and the Spirit of God came upon Becky in a very powerful way. Becky fainted to the floor, Pastor Shon called for help and two CNAs came rushing in the room to help Becky. Within a few min. Becky regained consciousness and was fine. Becky would one day go on to become a great nursing home Chaplain with the gift of healing souls for the glory of God.

The next time Raphael paid Pastor Shon a visit was two weeks later, this time the target was a non-believing doctor by the name of Gary. This was not going to be easy because Doctor Gary was very stand offish when it came to believing in Christ.

The next time Doctor Gary came to see Pastor Shon, he seemed preoccupied about something, Pastor Shon asked if anything was wrong, then Doctor Gary explained that his 17 year old son had been in a very bad accident and would Pastor Shon please pray for him.

Pastor Shon saw this as an opportunity to witness to Doctor Gary, Pastor Shon began to tell Doctor Gary about what Christ had done in his life and what He could do in healing Doctor Gary and in enriching his life.

Pastor Shon offered to pray a blessing over Doctor Gary and he agreed, after he was anointed the room once again became filled with a powerful white light and the Spirit of God came upon Doctor Gary and he dropped to his knees and gave his life to Christ right at that very moment.

Doctor Gary's Spiritual eyes had now been opened and he was able to see the reality of life in a whole new way. Doctor Gary was a man now on fire for the Lord and would one day go on to be an Evangelist traveling to South America bringing the Word of God and great healing both physically and spiritually to the people who live there.

About a month passed and then Raphael the Archangel returned for anointing number six. This time the target was a respiratory technician by the name of Paul, Paul was a man filled with compassion and kindness and love, Paul was originally from Africa and was a true blessing to everyone who worked at the VA.

This time Raphael took Pastor Shon to Paul's home, and when Paul opened the door he dropped to his knees seeing Pastor Shon there walking and totally healed, and remarkably Paul could see Raphael as well. Pastor Shon informed Paul about what was happening, and Paul became very excited and was very honored to have been chosen to receive this great gift from God. Right before Pastor Shon was going to begin the anointing Paul looked at him and asked,

"And what do you think God has instore for me Pastor Shon?"

"Well my Brother, we will just have to place our faith, hope and trust in Him and see, I know one thing for sure it will be fantastic no doubt."

After Pastor Shon anointed Paul a purple robe with gold pomegranates on the fringes appeared, Raphael put this very special robe on Paul. Raphael informed Paul that the purple robe signifies that Paul would go on to become a great Pastor in leading thousands of lost souls to Christ for the glory of God. Then the white light returned and engulfed the room and in a split-second Pastor Shon found himself back in bed at the VA Hospital.

Now it was time for number 7 and you guessed it that would be me. If you had asked me what I think my anointing would bring I never would have guessed this one not in a million years.

I went to see my friend Pastor Shon and we sat for a while so he could fill me in about how God was using him through the anointing of others. We shared stories and realized that each of us were a powerful force in defeating the powers of darkness and evil.

I didn't understand why God would choose me to receive this anointing after all I was Chaplain America, I thought this was a great honor and I felt I didn't deserve any higher an honor than that after all being Chaplain America is a really great honor for the glory of God.

Pastor Shon anointed my head with the anointing oil and then we suddenly found ourselves in the spirit world.

The Holy Avengers were there and they gathered around us, then Daniel, Pos, and Raphael appeared, then we heard a great blast from the shofar and then standing before us was the Archangel Michael.

The Archangel Michael walked over to Pastor Shon and I and he anointed our heads with anointing oil and said,

"Pastor Shon you have been chosen do go on a great mission traveling to different care centers, rehabs, and hospitals around the world, at each of these places you are to anoint 7 chosen people for the glory of God. You will be given the gift of healing and will bring great peace, hope, comfort, and love to all those you come in contact with.

Chaplain John you are now promoted to the next level of enlightenment and understanding, you will be able to meet Pastor Shon in the spirit world to help him and encourage him. You now have the ability to come and go from the spirit world whenever you want not just in chasing after demons and spirits.

Pastor Shon, Raphael will continue to be your guide as you go on this great journey. May God bless you and keep you, may He shine His face upon you and may He protect and guide you now and forever...Amen”

Then suddenly we were back at the VA Hospital standing in Pastor Shon’s room, we sat and talked for a great while then Raphael informed us that it was time for them to go, Raphael explained that after they left it would be as though Pastor Shon had gone home and that with each hospital, care center, and medical rehab they stopped in along the way with Pastor Shon being a patient the same effect would happen.

I wished my Brother in Christ well and then we prayed together and just like that off they went. I knew we would see each other in the spirit world one day soon but until then,

“God’s speed my friend.”

Then I heard a faint voice say,

“Jesus loves you and so do I.”

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.

ILLUMINATED Hebrews 10:32 But recall the former days in which after you were illuminated you endured a great struggle with sufferings:

REVELATION 18:1 After these things I saw another angel coming down from heaven having great authority and the earth was illuminated with his glory.

REVELATION 21:23 The city had no need of the sun or of the moon to shine in it for the glory of God illuminated it The Lamb is its light.

ISAIAH 61:19-20 The sun shall no longer be your light by day nor for brightness shall the moon give light to you but the Lord will be to you an everlasting light and your God your glory. Your sun shall no longer go down nor shall your moon withdraw itself for the Lord will be your everlasting light and the days of your mourning shall be ended...Amen

Part 2

Matthew 5:16 Let your light so shine before men that they may see your good works and glorify your Father in Heaven.

The Archangel Raphael and Pastor Shon traveled to New York and landed at Mount Sinai Hospital in New York City. Raphael told Pastor Shon that he would be returning in a few days and to just chill.

Pastor Shon began ministering to the patients and to the staff right away. Always with a listening ear and a compassionate heart. O and always with a, "Jesus loves you and so do I."

About three days past and Raphael chimed in, this time Raphael had some very important instructions to tell Pastor Shon about his gifts.

"Pastor Shon, not only do you have the ability to illuminate the mind, bodies, and souls of a chosen few but you also have been given great power in casting out the powers of darkness and evil. Here is a very powerful weapon for you to use. This is the Sword of the Spirit and with it you will be able to defeat the powers of darkness. Also take on the Shield of Faith and the Helmet of Salvation along with the Belt of Truth and the Breastplate of Righteousness and the shoes that will allow you to help spread the Good News of The Salvation of Christ Yeshua for the glory of God. When you enter into the spirit world to meet Chaplain John he will help you, he will help teach you how to use this Holy Armor for the glory of God. All you have to do is say,

"Abba Father please take me to the spirit world to see Chaplain John."

And in an instant, you will be standing side by side. Always remember darkness cannot exist in a lit room, when confronted with superior numbers by the forces of darkness and evil, all you have to do to defeat them is hold out your hands and say,

"IN CHRIST YESHUA'S HOLY NAME ILLUMINATE FOR THE GLORY OF GOD!!!"

And a powerful white light will burst into existence casting out the powers of darkness and evil for the glory of God."

I was sitting in my office and the next thing I knew I was in the spirit world with Pastor Shon. Pastor Shon informed me about his adventure at Mount Sinai Hospital in New York City. We had a really good visit and I instructed Pastor Shon on how to effectively use the Full Armor of God for the glory of God in the spirit world then we prayed together, O, a few demons showed up giving Pastor Shon a chance to use his gifts in eliminating them for the glory of God and as soon as they were cast out by a blinding white light I found myself sitting at my desk back at the VA Hospital.

I therefore to the best of my recollection will try to write down and document everything that Pastor Shon had shared with me while we were together in the spirit world. My hope and prayer is that this account will serve as a lasting record that will one day help to uplift and encourage others in bringing them into a closer relationship with Christ our Lord.

Chaplain John Lionheart May 24 2021.

When Pastor Shon and Raphael arrived at Mount Sinai Hospital it was as though Pastor Shon had been there for a while, everyone on staff seemed to know him. Raphael told Pastor Shon to chill and that he would return soon. About a week went by and Raphael returned with a list of seven names of the people that Pastor Shon was to anoint with the Lord's powerful anointing oil.

One by one Pastor Shon anointed the chosen few at Mount Sinai Hospital and like before each one was illuminated for the glory of God. It was amazing, three would go on to become Pastors and three would go on to become Chaplains, all six of these people were now on fire for the Lord in bringing many lost souls to Christ for the glory of God.

I will be focusing on the seventh person whose name is Jim. Jim worked at the hospital as an intern, Jim was in his thirties and an unbeliever, Jim was an atheist. One day Jim came to the room with Doctor Riley, Doctor Riley introduced Jim to Pastor Shon, Pastor Shon being the man of God that he is looked at Jim and said, "Do you love Jesus, do you know Jesus?"

"Well, to be honest with you, my answer would have to be no for both questions. You see I am an atheist, but I hope you won't let that be a hindrance in my ability to help treat you here at the hospital."

Pastor Shon looked at Jim with a very kind face and said,

“Well, we have plenty of time to get to know each other and I look forward to seeing you again.”

After Doctor Riley and Jim examined Pastor Shon as they were leaving Pastor Shon looked at both of them and said,

“I just want you both to know, Jesus loves you and so do I. I hope you both have a very blessed day today.”

Later that night Raphael informed Pastor Shon that Jim was to be his seventh anointing for the glory of God.

In the weeks that followed every time Jim came to see Pastor Shon he would ask questions about why Pastor Shon believed in God and as he left the room Pastor Shon would always say to Jim,

“Jesus loves you and so do I.”

Then one day Jim came to see Pastor Shon after his shift.

“Pastor Shon, I have been putting in a lot of thought about what we talked about and it all seems so unreal to me but I am smart enough to realize that the peace you have even with all of your illnesses makes me want what you have, Pastor Shon, I want the peace and the joy that you are able to have.”

“Praise God, praise God, would you please allow me to anoint you with this oil I have here?”

“You’re not going to dump that stuff on my head are you?”

“No, I put a drop on my finger and I make the sign of the cross on your forehead while proclaiming a blessing onto your life,”

“Well, Ok, I’ll give it a go, why not?”

Then right before Pastor Shon was about to anoint Jim with the anointing oil two demons flew in and snatched the anointing oil from Pastor Shon’s hand and flew off through the wall. Jim freaked and ran out of the room thinking he just had some kind of hallucination. Suddenly Raphael chimed in then Pastor Shon and Raphael took to the chase entering into the spirit world.

“RAPHAEL, SHOULD WE CALL CHAPLAIN AMERICA?”

“NO NEED, THE HOLY AVENGERS ARE ON THE WAY, GET READY TO USE THE POWERS YOU HAVE BEEN GIVEN FOR THE GLORY OF GOD!!!!!”

When Raphael and Pastor Shon entered into the spirit world they could see the two demons up ahead, then suddenly they turned around, one of them held out the flask of anointing oil, Pastor Shon put out his hand and said,

“IN THE NAME OF CHRIST YESHUA ILLUMINATE FOR THE GLORY OF GOD!!!!!”

Then a blinding white light appeared but the light was reflected off of the flask of anointing oil and was directed back at Pastor Shon and Raphael, suddenly both of them were transported back to Pastor Shon’s room at Mount Sinai Hospital in New York City.

They immediately reentered the spirit world in hot pursuit of the two demons but this time coming from the other direction was the Holy Avengers to cut them off at the pass. Raphael told Pastor Shon to try again. Pastor Shon took aim and shot out another Illuminating light. The light hit the flask of anointing oil and was reflected back at Pastor Shon and Raphael but this time from out of no where I blazed in and deflected the illuminating light with my Chaplain America shield and sent the light right back at the two demons within a split second and caught them completely off guard and illuminated both of them into oblivion for the glory of God.

Afterwards we all gathered in a prayer circle and said a prayer of thanksgiving to God and just like that we all were sent back home.

Pastor Shon retrieved the flask of anointing oil and learned a very valuable lesson to always keep his guard up because there are evil forces all around us who want to steal the oil so they can use it to defend themselves from us in the spirit world.

And that brings me back to Jim the guy who freaked out and ran away when all of this went down. Well, it took some time to regain Jim’s trust and one night Jim came to visit Pastor Shon after his shift and they sat for a long time and Pastor Shon explained to Jim that he had nothing to lose by inviting Christ Yeshua to come into his life and he had everything to gain after he did.

“Jim, ask God to reveal Himself to you in such a way that would remove all doubt of His glorious existence, you have nothing to lose. If nothing happens you have lost nothing but if something happens you will have gained everything. Why not give it a try?”

Jim thought about it for a while and said, “Well, Ok, sure, why not? We’ll do it the next time I see you. I don’t know what happened last time but I’m willing to give it a try.”

“Good, let’s pray. Lord, thank You for Your blessings and love, we humbly ask that You reveal Yourself to Jim in such a way that will remove all doubt of Your glorious existence. We thank You Abba Father, we praise You, and we love You, in Christ Yeshua’s Holy Name Amen.”

Jim thanked Pastor Shon and as he was leaving Pastor Shon looked at Jim and said, “Jesus loves you and so do I.”

Two days passed and while Jim was driving the Lord spoke to him and said,

“You will go on to lead many lost souls to Me for the glory of God.”

And as Jim was getting out of his car at his home a red robin landed on his shoulder, the bird sat there for a few moments, looked right in Jim’s eye and then flew off. Jim got in his car and immediately drove back to the hospital and asked Pastor Shon to anoint him with the anointing oil. Jim told Pastor Shon what had happened that day and that he was ready to invite Christ to come into his life.

A few days later Pastor Shon and Raphael left Mount Sinai Hospital and landed in Tel Aviv Sourasky Medical Center in Tel Aviv Israel. Peace be with You.

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.

The Land of Israel

The Parable of the Reed and The Oak Tree

The Complete Jewish Study Bible Matthew 11:7

While speaking to the Jewish crowds about Yochanan the Immerser (John the Baptist) Yeshua asks, “what did you go out to the desert to see? Reeds swaying in the breeze?” (Matthew 11:7) There was a well-known parable during the 1st century Jerusalem known as The Reed and The Oak Tree. According to the parable a giant Oak tree and a thin reed were both planted by the river. Whenever a storm came the deep roots of the Oak kept it firmly established enabling it to withstand most winds. It could however be blown over by a wind of significant strength.

There was nothing weak or compromising about the Oak. The reed on the other hand would bend to the right or left even with a slight breeze. the conclusion of the story was that the oak because of its refusal to compromise could end up losing its life in the storm but the reed though it might survive could only do so by continual bending.

Yeshua was clearly pointing to this familiar Jewish story when he essentially asked, “Do you expect John to be a reed blowing in the wind?”

“Did you expect this Prophet of God to be a weak-kneed compromiser?”

The Jewish people who heard this immediately understood what Yeshua was saying and asked no questions.

Matthew 11:7 As they were leaving Yeshua begin speaking about Yochanan to the crowds: “What did you go out to the desert to see? Reeds swaying in the breeze? No? Then what did you go out to see? Someone who was well dressed? Well dressed people live in king’s palaces. But why did you go out? To see a prophet! Yes! and I tell you he's much more than a prophet this is the one about whom the Tanakh says,

‘See I am sending out my messenger ahead of you, he will prepare your way before you.’

Yes, I tell you that among those born of women there has not arisen anyone greater than Yochanan the Immerser! Yet the one who is least in the Kingdom of Heaven is greater than he!”

Pastor Shon and Raphael landed in Israel right in the middle of a war. Hamas was shooting hundreds of rockets across the border from Gaza. The Israelis were defending themselves with the Iron Dome which was made up of an array of anti ballistic missiles that were capable up destroying the incoming missiles in midair.

Pastor Shon could hear the sirens going off throughout the city to warn people of the impending danger, people were running for cover, you could hear sirens and people screaming, Pastor Shon looked at Raphael and said,

“What’s the deal here Raphael? Are we going to be Ok?”

“God has got everything in His full control, we are on a mission and He will help us to see it through for His glory. I’ll be back in a few days and just like before, chill and be still.”

Three days passed and Raphael returned with seven names of the people that Pastor Shon was to anoint for the glory of God and what was really cool Pastor Shon could now speak Hebrew while he was in Israel.

Pastor Shon would say, “Shalom, Yeshua Mashiach loves you and so do I, Baruka Adonai. (Blessed be the Lord)

Then one day a Messianic Rabbi by the name of Herschel came to see Pastor Shon, he said he was sent by God to help in completing Pastor Shon’s mission while he was in Israel. Hershel said he was told by God that his son was one of the chosen few to be anointed by Pastor Shon but his son was a devout Jewish believer in the Torah and in the Mosaic law, in fact he was studying to be a Rabbi at the local Synagogue.

Herschel and Pastor Shon sat and visited for a few hours and decided to leave it in God’s hands having faith that He will work all things out for His good purpose. Meanwhile Raphael informed Pastor Shon about who the first two people were to be in receiving a Holy anointing.

The very next day as Herschel's son David was on his way to Jerusalem to pray at the Western Wailing Wall the sirens warning that Israel was under attack began to sound off. People were running for cover, David pulled over and ran inside the nearest building and followed the people who were there as they made their way to the basement. All of a sudden the building was hit by a missile that was fired by Hamas. The whole building shook and began to collapse. David helped the people that were there to get out of the building, he was the last one left, then as he was climbing through the rubble he heard cries for help, two young Muslim boys were still trapped in the building. David went back in risking his own life to rescue them. He made his way down to where the two boys were, by this time many people were helping, David reached the two young boys and handed them up to safety then everything went black.

Meanwhile back at the hospital Pastor Shon and Raphael set out to anoint the first two people on the list, this wasn't going to be easy because they both were Jewish.

Raphael informed Pastor Shon that Rabbi Herschel would play a key role in helping to achieve this goal. The next day Rabbi Herschel and Pastor Shon went down the hall to room 219 and introduced themselves, both patients in this room were on the anointing list. The first person was a man by the name of Harvey and his roommate's name was Harry. The men acted as though they were expecting them, they smiled and welcomed Pastor Shon and Rabbi Herschel in.

"Shalom to you both, welcome mazel tov."

The man began telling a fantastic story of how the night before Christ Yeshua visited them in their room and they fell to their knees. The Lord told them that two men would be coming to see them the next day to anoint them and to invite them to give their lives to Him.

Pastor Shon looked at both men and said, "Praise God, Praise God."

Pastor Shon and Rabbi Herschel invited both men to give their lives to the Lord in solemn prayer then Pastor Shon anointed their heads with oil and once again a blinding white light appeared and suddenly Pastor Shon and Rabbi Herschel were back at Pastor Shon's room. Rabbi Herschel looked at Pastor Shon and Raphael who he could now see and said,

“This has surely been a true brakhah today.”

Raphael said he would return soon and to chill. “It’s all good”

Later that same night as the air raid sirens were sounding off and explosions could be heard off in the distance Raphael returned with his next instructions.

“Pastor Shon wake up. I have news, three young children were injured by incoming missiles, one hit just outside their home, the children are on the third floor in critical condition. I have been instructed to take you to them so they can each be anointed with the anointing oil. We are going to do this stealth, no one will be able to see us and as soon as we're finished we'll be back in your room and nobody will know that we had left.”

“Praise God, Praise God, let’s go right away.”

Pastor Shon and Raphael entered the children’s room and Pastor Shon anointed each child and passed a blessing onto their lives and with that the blinding light returned and Pastor Shon and Raphael were back in his room.

In the days that followed the children would have a miraculous recovery, in fact the whole hospital was calling it a flat-out miracle of God. The children were quoting Torah like scholars and they were proclaiming that Yeshua Mashiach had saved their lives. People were crying and praising God and praying and singing, it was absolutely amazing and awesome.

The next day Rabbi Herschel informed Pastor Shon that his son David was brought to the hospital in critical condition after being hurt saving many people at a blast site on route to Jerusalem.

Raphael informed both of them that Herschel’s son was indeed one of the chosen few to be anointed and with that off they went in a flash. Pastor Shon and Rabbi Herschel entered David’s room and knelt bedside, the staff in attendance could only see Rabbi Herschel they could not see Pastor Shon or Raphael.

Pastor Shon and Rabbi Herschel prayed and they both anointed David then suddenly the healing power of God came upon David it was so powerful that the nurses and doctor who were in the room fainted. This time Pastor Shon and Raphael stayed in the room, David regained consciousness and his father told him everything that had happened and right there David had a complete change of

heart, his eyes had become opened for the glory of God, he was now able to recognize Christ Yeshua for Who He truly is. David gave his life to Christ right there on the spot. Rabbi Herschel was so grateful that he looked at Pastor Shon and said, "Where you go I will follow."

Both men looked at Raphael and Raphael smiled and nodded his head yes. Raphael looked at both of them and said,

"We still have one more person to anoint before we leave."

Raphael looked at Pastor Shon and informed him that the seventh person on the anointing list was Rabbi Herschel. Both men teared up and just like that Rabbi Herschel was anointed, illuminated and made a permanent member of the team for the glory of God and off they all went headed for their next destination.

The Seven Anointing Oils

Frankincense and myrrh used for healing and blessings. Myrrh is a burial spice used for those being persecuted and for those who suffer affliction, poverty, and slander.

Oil of Gladness is unscented olive oil used for those in need of comfort for those who mourn, and new beginnings.

Rose of Sharon used for times of rejoicing and great joy.

Lily of the Valley used for repentance and for those who are surrendering their lives in receiving Christ the Lord, it could be also used for those who are recommitting their lives to Christ Yeshua.

Spikenard used as an act of love, praise, and worship in response to forgiveness or in preparation for eternal life.

Latter Rain used to offer hope, encouragement, and incentive to someone needing to stand firm as he or she eagerly awaits the fulfillment of all of the promises of God.

Oil of Pomegranate is in relationship with all the fruits of the Spirit. It is said that a pomegranate has 613 seeds, this is the same number of laws that were given to Moses on Mount Sinai.

2 Kings 9:1-3 And Elisha the prophet called one of the sons of the prophets and said to him, “Get yourself ready, take this flask of oil in your hand and go to Ramoth Gilead. Now when you arrive at the place look there for Jehu the son of Jehoshaphat the son of Nimshi and go in and make him rise up from among his associates and take him to the inner room. Then take the flask of oil and pour it on his head and say,

“Thus says the Lord, I have anointed you king over Israel.”

Then open the door and flee and do not delay.”

I met Pastor Shon in the spirit world and he told me the whole fantastic story and that his team was now at Kingman Regional Medical Center in Kingman Arizona. I told him that I was planning to go up to Kingman to see Chaplain Basye and Pastor Doug at their Church in Yucca Arizona.

After we shared some stories about what God was doing in our lives I gave Pastor Shon another lesson on how to use the Full Armor of God as the Holly Illuminator, we even hunted down and caught up with the spirits of anxiety, depression and worry and illiminated them with no problem for the glory of God.

“Well, my friend enjoy your stay in Kingman, I know I did, I may not have fully appreciated it at the time but looking back it was a true blessing in my life. Maybe God will send Chaplain Basye and Pastor Doug your way while you’re there, if so please tell them I wish them and their family well. Take care my Brother, see you in the spirit world, until then,

“Jesus loves you and so do I.”

Philippians 4:13 I can do all things through Christ who strengthens me.

CHAPLAIN AMERICA 193 & THE HOLY ILLUMINATOR

PART 4

Praised are You Adonai our God, King of all the universe, Who gives the Torah of truth and the Good News of salvation to His people Israel and to all peoples through His Son Yeshua the Messiah our Lord...Amen

Pastor Shon and the gang landed at Kingman Hospital in Kingman Arizona. At first everything looked fine then the lights began to flicker on and off very quickly and suddenly everything looked a little bit different.

Rabbi Herschel looked at Raphael and asked, "What in the world is going on here?"

"Well, it appears we have traveled back in time a ways."

Pastor Shon asked, "Raphael, where or when are we?"

"We are now in the year 2009 in Kingman Arizona. I need to go and see Michael to see what our mission is here. I'll be back soon."

And with that Raphael was gone.

O, if you're wondering where Rabbi Hersh stays during these travels he is able to go back home to his house in Israel, Raphael has the ability to send old Rabbi Hersh home to be with his family or take Rabbi Hersh to stay in the spirit world with him.

The next day Raphael returned with big news, he told Pastor Shon and Rabbi Hersh that six of the chosen few were at Kingman State Prison and that they would be going into the prison stealth like to anoint the chosen few.

Later that night Raphael and Pastor Shon went to the south yard of Kingman State Prison just in time for the nightly prayer circle led by Pastor Paul Vescio. Pastor Shon walked over and introduced himself to the Brothers in Christ who were there and they welcomed him in with no problem. Everyone in the prayer circle had a chance to pray and when everyone was finished they all yelled out,

"WHAT'S HIS NAME? JESUS!!! WHAT'S HIS NAME? JESUS!!! WHAT'S HIS NAME? JESUS!!!!"

Raphael told Pastor Shon to let Pastor Paul know what was happening, at fist Paul didn't believe it, then Pastor Shon began telling Pastor Paul some of the stories about what the Lord was doing in his life and Pastor Paul agreed to hep Pastor Shon achieve his mission for the glory of God. Pastor Paul prayed with Pastor Shon in asking for a sign of confirmation.

The very next day as Pastor Paul and Pastor Shon were conducting a Bible study on the south yard with four other inmates a gray ring-necked dove flew in from out of the desert and landed on John Paul's shoulder. John Paul is the praise and worship drummer for the Church band at Kingman State Prison. The dove was tame. This bird and its mate came to their little Bible study every day, they could pet them, hold them, and feed them. Imagine it, as they were reading the Word of God these two birds were walking on the table right in front of them. A dove is a bird of peace and love and God was very pleased with this little Bible study because it was a little light of hope in what otherwise was a very dark and depressing place. This was exactly the sign Pastor Paul needed to confirm what Pastor Shon was telling him.

The first one on the list was Brother John, Brother John suffered from Hep-C that he had contracted from tattoos on the outside, well Brother John freaked out and started doing meth and wound up at Kingman. Raphael told Pastor Paul to bring Brother John out to the yard by the basketball courts at 7:30 pm.

Later that night Pastor Paul and John walked out onto the south yard and off in the distance they could hear singing and the clapping of hands. They walked over to see what was going on and to their surprise seven anointed Spanish Brothers in Christ were singing and praising the Lord.

Pastor Paul and John explained that John suffered from Hep-C and then these mighty men of God sat John down on the ground and made a prayer circle around him and began crying out to the Lord for John's healing. This went on for 30 min or so then Pastor Shon walked over and offered to anoint John with anointing oil. John was very honored and thankful then after John was anointed the Spirit of God was felt in a powerful way. There was no white light this time and after words everyone went back to their Pods.

Then as Pastor Paul and Pastor Shon were walking the white light engulfed them and Pastor Shon and Raphael were gone. Pastor Paul kept all of this to himself after all no one would ever believe it.

The very next day Brother John had to go to medical to get his enzymes for his liver checked and when the test results came back the next day the medical staff were amazed, Brother John's liver had reversed itself and was now repairing itself. It was a flat-out miracle of God. PRAISE GOD!!! PRAISE GOD!!! PRAISE GOD!!!

The next two people on the anointing list were Brother Doug who was the Head Pastor of the North Yard and Brother Billy. It was Wednesday intercessory prayer night, this is where the Body of Christ at Kingman gather up all of the prayer requests from around the prison and bring them to the Chapel building then we place them on a table with a circle of chairs around it. Each member of the Body of Christ takes about 5 or 6 prayer requests and then goes to their respected corner and gets on their knees and prays for the needs of others. Pastor Shon felt very honored to be able to attend this very spiritual gathering.

Pastor Paul invited Pastor Shon to open in prayer and right before he got started Pastor Shon looked at everyone in attendance and said,

“Brothers, Jesus loves you and so do I.”

After Pastor Shon Prayed everyone took some of the prayer requests and got on their knees in solemn prayer to the Lord. Then Chaplain Basye and his wife Sandy came in and sat down. Pastor Paul walked over to Chaplain Basye to ask him if everything was Ok.

When everyone was finished praying and were seated Chaplain Basye stood up and informed every one that he had an announcement, he informed everyone in attendance that Billy's mom who the night before had told her son that she never wanted to have anything to do with him again had had a complete change of heart and called Chaplain Basye while he was driving on the highway to tell him that she loves her son and that she wants to have a relationship with him.

Chaplain Basye had asked the Lord to please restore Billy's relationship with his mother and because God had answered his prayers he was so moved that he had to come back to the prison that night to tell everyone.

Pastor Paul invited everyone to form a prayer circle and then said,

“Brothers in the Book of Acts 16:45-34 the Apostle Paul and Silas were chained to a wall in prison at midnight, first they prayed then they sang then the gates of the prison were opened and Paul and Silas were set free. Brothers, tonight, first we are going to pray then we are going to sing then the walls of this prison are going to come tumbling down for the glory of God, but first I would like to invite Pastor Doug and Brother Billy to come forward to be anointed with very special anointing oil presented by Pastor Shon.”

Pastor Shon anointed Pastor Doug and Brother Billy then we prayed and then we sang and the power of God manifested all around us in a very powerful way, it felt like God had dumped a bucket of joy on our heads as a powerful white light filled the room.

Suddenly Pastor Shon was gone in a blink of an eye but strangely no one seemed to notice, then there was a complete blackout of the entire prison. The emergency generators kicked on, then there was an announcement on the loudspeaker for all of the inmates to return back to their pods. All those in attendance ran back to their pods praising and thanking God. For on that faithful day the walls of that prison did come tumbling down, you see the walls that were built up between Billy and his mother by Satan came tumbling down and their relationship was now restored for the glory of God, bingo.

Suddenly there was a time shift and Pastor Shon was back in 2021. Raphael informed Pastor Shon that Chaplain Basye was now Pastor Basye of the Church of Yucca and Pastor Doug from Kingman Prison was now Chaplain Basye's brother in-law and Associate Pastor of the Church.

“Pastor Shon, Chaplain Basye's wife has COVID-19 and was brought to this hospital today she is one of the people to be anointed for her healing.”

“Praise God, Praise God. Let's go.”

Later that night Pastor Shon and Raphael went to see Sandy and to their surprise she could see Raphael, Rabbi Hersh was also there. After explaining everything to her she remembered Pastor Shon from the prison and was amazed that he hadn't aged in 12 years.

Pastor Shon anointed Sandy and once again the white light appeared and suddenly everyone was gone. In the days that followed Sandy would have a miraculous recovery, in fact all of the covid19 had left her body for the glory of God. Sandy told Chaplain Basye and he wanted to thank Pastor Shon and Rabbi Hersh so it was arranged to where Chaplain Basye could come into the hospital.

At this point there were still three people left on the anointing list and all three were back at Kingman State Prison in 2009.

Pastor Shon wanted to meet me in the spirit world to tell me about all of the things that were happening. We talked for a while then a spirit of resentment flew in and attacked us, we drew out our swords of the Sprit and stood back to back then two demons joined the fight one of them threw a black lasso around us and we were stuck. Then my old buddy Pos flew in and freed us and chased those two demons away but there was still the spirit of resentment to deal with I told Pastor Shon to shoot his illuminating light at my shield I wanted to try a trick shot, Pastor Shon shook his head and smiled and said,

“Ready? Hear goes.”

Then a blinding white light appeared, and it ricocheted off of my shield and eliminated the spirit of resentment right there on the spot. Raphael and Daniel were shaking their heads then Pos gave me a big hug and I fell flat on my face.

“Well Pastor Shon looks like you have some more work to do in Kingman, I will send you back to 2009, the seventh person to be anointed is Pastor Paul he has been chosen to go on to become a Community Chaplain serving in nursing home ministry.”

“Praise God, praise God, Daniel it has been a real honor serving our Lord like this, I can’t wait to see where we are going next after this assignment.”

Then we all gathered together in a prayer circle and right after we prayed off we all went.

Rabbi Hersh was given the assignment to offer prayer for the patients in the hospital while Raphael and Pastor Shon went back to the prison. The next two people on the list were Brother Robert and Brother Chooie who were both Pod Pastors at the time and both of them had Hep-C.

The next day Pastor Shon and Pastor Paul headed over to the Chapel building to anoint Brother Robert and Brother Chooie for their healing and as they were walking two demons flew in from out of nowhere and snatched Pastor Shon right off his feet and flew off taking him deep into the spirit world.

Ecclesiastics 3:1-8 To everything there is a season, a time for every purpose under Heaven. A time to be born and a time to die, a time to plant and a time to pluck what is planted, a time to kill and a time to heal, a time to breakdown and a time to build up. A time to weep and a time to laugh, a time to mourn and a time to dance, a time to castaway stones and a time to gather stones. A time to embrace and a time to refrain from embracing, a time to gain and a time to lose, a time to keep and a time to throw away, a time to tear and a time to sew. A time to keep silent and a time to speak, a time to love and a time to hate, a time of war and a time of peace,

Ephesians 6 10-18 The Full Armor of God

Finally, my brethren be strong in the Lord and in the power of His might. Put on the whole armor of God that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

Therefore, take up the whole armor of God that you may be able to withstand in the evil day and having done all to stand. Stand therefore having girded your waist with truth, having put on the breast-plate of righteousness, and having shod your feet with the preparation of the gospel of peace, above all taking the shield of faith with which you will quench all the fiery darts of the wicked one.

And take the helmet of salvation and the sword of the Spirit which is the Word of God, praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints...Amen

Psalms 91

Pastor Shon had been taken deep into the spirit world by two demons Rafael informed Rabbi Hersh and off he went to form a rescue party to go after Pastor Shon.

These two demons broke a major spiritual law by taking a human against their will into the spirit world; the Holy Avengers were called in along with the Archangels Michael and Gabriel, I also volunteered to go on this mission with Daniel and Pos. this wasn't gonna be easy because the demons had taken Pastor Shon to another period of time and like before they created a loop where every time we get close we loop back to the present.

Pastor Shon found himself in the year 1962 in Bridgeport Connecticut and immediately began to seek out a Church in the hopes of getting help. Pastor Shon was walking the streets of Bridgeport when he noticed that there was a young woman standing over on the corner crying, he couldn't help but to go over to offer some help for this poor woman.

The woman who was in her last 20s began telling Pastor Shon about who she had had an affair with an older man and now she was nine months pregnant and was due to have the baby any day. Meanwhile it was the height of the Cuban missile crisis, tensions were very high, The United States was on the brink of nuclear war with Russia. People were practicing duck and cover drills at work and in the schools.

While Pastor Shon was walking with this young woman, he offered her prayer and he prayed for her and her baby and for world peace. After he prayed with her she felt much better. Pastor Shon explained that he too was kind of lost with nowhere to go so this kind young woman invited Pastor Shon to come stay at the Mission where she had been staying because she had decided to place her baby up for adoption.

The very next morning on October 25 1962 the young woman went into labor. Pastor Shon offered to go to the hospital with her to be by her side. Five hours later her son was born and immediately taken away from her. She was heartbroken but deep in her heart she knew it was for the best. Pastor Shon helped to minister to her in reminding her that God was in control and He would deliver good parents to her son.

Pastor Shon decided to go and find the baby and anoint his head with anointing oil and after he did the white light appeared and suddenly Pastor Shon was free back in the spirit world catching the two demons completely off guard, he turned and said,

IN THE NAME OF CHRIST YESHUA ILLUMINATE FOR THE GLORY OF GOD!!!!!!”

Then a powerful white light eliminated the two demons for the glory of God, suddenly the rescue party appeared and surrounded Pastor Shon in order to protect him. Raphael asked if Pastor Shon was Ok, then everyone formed a prayer circle and prayed and off they went.

Pastor Shon and Raphael were now back at Kingman Hospital in the year 2009 and Rabbi Hersh was very relieved to see them safe and sound. Raphael reminded them that there were still three people on the anointing list at Kingman and they need to finish their mission as soon as possible because they ran the real risk of the time portal closing.

Later that same day Pastor Shon and Raphael went back to the prison to find Pastor Paul. Pastor Paul was writing a children’s story book called Fomba The Elephant and as he was at his space writing Pastor Shon tapped him on the shoulder and said, “Peace Brother.”

Pastor Paul was very happy to see Pastor Shon again and they created a plan to go to the Chapel Building to anoint Brother Robert and Brother Chooie so that they could both be healed for the glory of God. Pastor Paul decided to go and tell Chaplain Basye and afterward Chaplain Basye decided that it would be really cool to do an anointing for their healing Infront of the whole Church on Saturday night.

Chaplain Basye had asked a young inmate by the name Brandon to please share his testimony at Saturday night Church service. Brandon was in his 20s he had served in the military in Iraq and had been in major combat. Brandon was married and their baby son died then on Brandon’s sentencing day his wife was speeding to get to the courthouse and was killed in a head on car accident and now he was told that his father has cancer. After Brandon told his testimony all the Brothers in Christ at that service got in line and one by one hugged Brandon many of these men were crying when they heard this story, Chaplain Basye wanted the men to hear this story because it shows how the power of God can get us through the

darkest of times when we place our faith, hope, and love in Him. After everyone in attendance hugged Brandon Chaplain Basye called Brother Robert and Brother Chooie up to be anointed then he said,

“Brothers a very important member of this Church is going home next week, Pastor Paul come on up here.”

Pastor Paul stepped up and spoke a few words about his experience at Kingman and what an absolute blessing it had been serving our Lord at Kingman, then Pastor Shon stepped forward to anoint all three of these Brothers in Christ. Pastor Paul was last and when he was anointed a powerful white light appeared and suddenly everything froze in time and Pastor Paul and Pastor Shon found themselves in the spirit world with me. I talked to Pastor Paul for a while and we each felt a real spiritual connection between each other, it was almost as if we were connected or related or something. I wished Pastor Paul well and told him that even though there will be times in the future when things get very rough not to worry because everything was going to be Ok and that God had his back.

The three of us prayed and Pastor Paul was sent back to his own time at Kingman State Prison in 2009 and I went back home and Pastor Shon and Rabbi Hersh and Raphael were now on their way to Oregon for their next assignment.

Pastor Shon and the crew landed at a hospital in Portland, Raphael told Pastor Shon to be still and chill and off he and Rabbi Hersh went.

Raphael returned three days later to inform Pastor Shon that his friend Leslie was a patient in the same hospital and was one of the chosen 7 people to be anointed.

“Raphael, we have to go immediately to be by her side.”

And within a split second Raphael and Pastor Shon were with Leslie in her room Leslie couldn't believe her eyes,

“O my God, Shon is that really you?”

Pastor Shone sat with Leslie and told her about everything that had happened. Leslie could see Raphael and when told that she was one of the chosen few to be anointed she felt very grateful and honored,

Pastor Shon knelt beside Leslie placing one hand on her forehead and the other hand on her shoulder and then began to pray and proclaim a blessing of healing, good health, and prosperity onto Leslie's life and suddenly once again a very bright and powerful white light began to manifest all around them and with that Pastor Shon, Raphael, and Leslie were suddenly transported to a wonderful, peaceful, place filled with love in the spirit world and as they looked around in awe with tears in her eyes our Lord could be seen walking towards them in the distance smiling.

John 8:12 Therefore Yeshua spoke to them again saying. "I am the light of the world, he who follows Me shall by no means walk in darkness but possess the light of life.

John 14:27 Peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid...Amen

Proverbs 31:8-9 Speak up for those who can't speak for themselves for the rights of all who need an advocate. Speak up, judge righteously, defend the cause of the poor and the needy.

Jeremiah 29:11-13 For I know the thoughts that I think towards you says the Lord, thoughts of peace and not of evil to give you a future and a hope. Then you will call upon Me and go and pray to Me and I will listen to you, and you will seek Me and find Me when you search for Me with all your heart.

Part 6

Revelation 12:11 And they overcame him by the blood of the Lamb and by the word of their testimony and they did not love their lives to the death.

As I was sitting at my desk Daniel popped in to inform me that we needed to go see Pastor Shon to take care of some unfinished business, Pos came along too to keep an eye on me.

We found Pastor Shon in a hospital in Russia where he was sent to anoint seven chosen few. When we arrived at his hospital room he was very happy to see us Raphael and Rabbi Hersh were there also.

Daniel informed me that we were all there to anoint Pastor Shon, I thought that this was very cool, it would be an honor to anoint Pastor Shon who is a mighty man of God.

We all gathered around Pastor Shon's bed and held hands and prayed then I put some anointing oil on my finger and I proclaimed a blessing onto Pastor Shon's life and once again a very powerful white light engulfed the room and suddenly we were all transported to another place.

"Where are we now Daniel?"

"Well Jonny boy, it would seem we have all traveled 32 years into the future. There's somebody in this time who is to be anointed for the glory of God."

"Well who is it Daniel?"

"You better brace yourself Jonny boy, it would seem that the person who is to be anointed is your grandson Caius who is now 8 years old."

"Woe, woe, woe, hold on here, my grandson? I don't even have children yet?"

"Oooooops, I have some great news, Margaret is pregnant."

"OMG!!!!!!!"

"Hey congratulations, mazel tov, shalom my friend." Said Rabbi Hersh.

Raphael and Daniel congratulated me, then Pos came flying over and gave me a big hug and I fell flat on my face.

The first thing we needed to do was to go and check out the area to see what kind of a world we were now in. It was decided that Rabbi Hersh and I would go outside to check things out. The first thing we noticed was the hospital was being run by androids and there were holographic images with very few people working

in the hospital. We also noticed that the hospital was very overcrowded and when we stepped outside we could not believe what we were seeing everything was rundown and abandoned. There were android police everywhere with flying drones and people being moved about in what looked like hover crafts and strange vehicles.

We decided to duck around a corner so we wouldn't be seen then two police android appeared out of nowhere and began questioning us then they scanned our eyes and hands and after we had been identified they took us into custody for questioning.

Meanwhile, back at the hospital Pastor Shon was patiently waiting for Raphael and Daniel to return, they had gone to see the Archangel Michel to see how to proceed.

Pos was getting worried, so he took off in search of me and Rabbi Hersh. About three hours went by and police androids came to see Pastor Shon to asked him some questions because for some reason Pastor Shon showed up as being 82 years old on the hospital scanners and he was clearly not 82 years old so they thought he might be some kind of threat.

Pos found me and Rabbi Hersh sitting in an interrogation room surrounded by android police waiting for a supervisor to arrive. Pos let me know he was there I whispered,

"Can you please get us out of here."

The androids heard me and pulled their weapons then Pos neutralized all of them with a flash of white light then Danial and Raphael appeared and with a wave of their hands we were transported back to the hospital right in front of two android police who drew their weapons but Pos froze them too and with that we all left the hospital in search of my, my, my, hold on here,

"Hay Daniel, do I have a son or a daughter?"

"Well, you and Margaret go on to have three children, your first is a son named David and his son is Caius. I don't want to spoil the surprise by telling you who your other two children are."

“Well then let’s go find my son David and anoint my grandson Caius so we can go home.”

As we were walking through the city we could see people who were very sick and we could see how the city was in ruins. The android police were rounding up people and hauling them away. We kept out of sight not wanting to get caught. It looked as though the last 30 years had really taken a toll on humanity. There was evidence that a war had occurred things looked very bad.

“Danial is my family Ok in this time?”

“I can’t tell you too much all I can say is things are very bad here. I think we were sent here so you could see the future and at least try to warn people back in your own time.”

“You better tell him about Margaret Daniel.”

“Do you think he can handle it Raphael?”

“You have to tell him because he is going to find out when he sees his son.”

“Ok, John, I’m really sorry to have to tell you this but Margaret died from one of many viruses over the last 30 years. I’m sorry.”

“O that’s just great, is there a way to prevent that when I go back home?”

“It’s possible, I mean we did travel back in time to 1960 to correct the space time continuum the last time Margaret died so any things possible just as long as it aligns with God’s will.”

Well how far away is my son from here?”

“David lives with His wife and two children about a mile away from here.”

“Hey Daniel, I have a little question before we go, I’m I still alive in this time.”

“Well Jonny Boy your kinda alive, I’ll explain while we walk, you see John you get the virus a few years after your wife did and by that time scientists had perfected cryogenic hibernation and you were put into a state of hibernation.”

“Well what about you? Wasn’t there anything you could have done to save Margaret and me?”

“I’m sorry John it didn’t turn out that way.”

Pastor Shon and I had some time to talk in sharing some of our adventures and I really enjoyed talking with Rabbi Hersh about Israel and Torah teachings. Rabbi Hersh told us of a story when he was a young man and how his mother and father were prisoners at a German concentration camp during WW2 called Auschwitz. Rabbi Hersh told of a story about two Jewish brothers who were friends of his fathers. The two brothers were taken to a field outside the camp to be shot. The two men began arguing over who would be shot first because they each did not want to have to watch their brother being killed so they began fist fighting over who would be shot first. They fought a bloody brutal battle wanting to be the one who was shot first, this went on for a while as their Nazi guards laughed at the spectacle then at some point they ordered the two brothers to stop and because of their courage and determination the Nazis let the two brothers live.

This story is a shining example of what true brotherly love is all about because each of these brave men couldn’t bear to see their brother, the brother they loved being shot dead right in front of them. Hersh told us that his older brother was the first Jewish baby born after the liberation of Auschwitz by the Allied Forces.

Daniel informed us that we had arrived at my son’s house which sadly looked more like a broken down abandoned building but there was solar power and the lights were on.

We decided to have Rabbi Hersh go to the door to see if my son David was home, David answered the door and I started to cry, I was filled with overwhelming emotion.

My son opened the door he looked thin and malnourished, Rabbi Hersh explained the situation to him than Pastor Shon walked over and began telling David about me. My son seemed like he was cool with it, then he called out my name and I walked over to him.

“Hi son, I’m your dad.”

David gave me a big hug and started to cry.

“Dad I know who you are, thank God you are alive, thank God your alive. Dad you have been in a state of cryogenic hibernation for the last six years, I knew you would find a way to save yourself, I just knew it. Dad will you be able to go back in time and save mom?”

At this point we all gathered around and began thinking about the consequences and the risks of trying to save Margaret, then after about two hours we developed a plan.

The first order of business was to anoint my grandson Caius, we didn't know why but we called him in to the room, I told him I was his grandfather and he gave me a big hug, then his mom came walking over and gave me a hug and as she did I could hear a baby crying in the other room, then my six year old granddaughter Aurora came running in the room to hug grandpa. I was completely overwhelmed by what was happening.

We all made a prayer circle my family could not see Daniel or Raphael then we begin praying as Pastor Shon anointed Caius. All of a sudden the white light began manifesting in a very powerful way and suddenly we were sent back in time to 2021.

“Daniel, what do we have to do in order to save Margaret?”

Then Raphael said, “I got this, John, Pastor Shon needs to anoint you and Margaret and proclaim a hedge of protection and a blessing over your lives this will change future event for the better, Margaret will not die from the virus and you will not be placed in cryogenic hibernation.”

“Well in that case let's go find Margaret and get anointed, what do you say Pastor Shon?”

“Sounds good, praise God.”

At this point Kidd Justice came walking in the room and we began telling him about all that had happened then two demons dressed like cowboys flew in from nowhere and snatched Pastor Shon away again.

We all took off at light speed of in hot pursuit and once again the Holy Avengers were notified and were on the way, we had the whole crew going after these two desperados, even Pos was helping in fact it was Pos who caught up with the demons and stopped them dead in their tracks and freeing Pastor Shon. Danial told Pastor Shon to eliminate the two by illumination. I wanted to try a trick shot again but Raphael told me to stand down.

Pastor Shon took aim and just as the two demons were illuminated, he disappeared. Raphael informed me that Pastor Shon was now on his way to his next assignment in Iceland or Alaska and that we would all have to catch up with him so he could anoint Margaret and me.

Part 7

Exodus 23:25-27 So you shall serve the Lord your God and He will bless your bread and your water, and I will take sickness away from the midst of you. And no one shall suffer miscarriage or be barren in your land; I will fulfill the number of your days. I will send My fear before you. I will cause confusion among all the people to whom you come and make all your enemies turn their backs to you.

Pastor Shon and Rabbi Hersh and Raphael were now located in Anchorage General Hospital in Alaska. I had explained to Margaret that we needed to go to Alaska to be anointed by Pastor Shon, I didn't tell her about the future or that I had already known about having a son. I told her that we needed a vacation and Pastor Shon being the mighty man of God that he is, invited us to come to Alaska to be anointed and to receive a blessing of protection and healing.

We decided to fly up to Seattle and then board a cruise ship headed for Alaska. The cruise ship was named The Galilee and we were very blessed to have booked a really nice suite on board the ship.

Daniel and Pos came along too and Pos got a little seasick at first then Daniel told us that Pos was just kidding, he said positive energy doesn't get sick.

Margaret was now three months pregnant and she did get seasick in the morning but now that I think of it, it was probably morning sickness.

The voyage northward was incredible as we were standing on deck the ocean breeze was exhilarating and we could see the rocky shoreline off in the distance. There was a low hanging mist that looked like the pine trees were covered in smoke. We could hear the sounds of seagulls flying all about and off in the distance we could see seals swimming and fish jumping in the water.

As we got closer to Alaska we began seeing whales swimming off in the distance, then a bald eagle flew right over the ship and suddenly went into a dive and snatched a big fish from right out of the water, everyone who saw it clapped and cheered and took pictures and videos and as I sat there and watched all of this unfold right before my eyes I realized that the greatest show on earth is found in the majesty of God's

creative power in creating all that there is of the mystery and of the beauty and of the wonder of nature.

As our ship sailed into port at Anchorage Alaska we were in awe of the amount of wildlife all around us, then as we were departing from the ship we heard a strange sound and as we looked we saw three killer whales swimming nearby.

Margaret and I checked in to a quaint country bed and breakfast then we decided to go for a little sightseeing and as we walked through the town we saw all kinds of shops and eateries.

The next morning we set out to go see Pastor Shon so he could anoint Margaret and me. When we arrived at his room he was very happy to see us, we talked for quite a while sharing stories about our adventures, then Pastor Shon invited us to be anointed, he looked at Daniel and Raphael and said,

“Well, I wonder where we’ll all be sent this time?”

Then Rabbi Hersh came walking in with some donuts and said,

“Well now this is a surprise, shalom my friends, shalom, peace be with you all.”

Everyone made a circle around Pastor Shon, then Pastor Shon anointed us and proclaimed a blessing of healing and protection over our lives and once again a powerful white light appeared and suddenly Margate and I were transported back in time to the year 1989. We were still in Alaska and Pos and Danial were with us.

Danial looked at me and said,

“Jonny Boy it’s time we returned the favor for Pastor Shon.

Daniel took us to the dock and there standing by a fishing boat was a young Pastor Shon. We watched at a distance then suddenly Pastor Shon slipped on the ice and fell in the water in between the boat and the dock. Pastor Shon could barely stop the boat from crushing him against the dock. Daniel waved his hand and the boat moved away just long enough for Pastor Shon to pull himself from out of the water then Pastor Shon climbed on deck and passed out.

We ran to be by his side, I anointed Pastor Shon in proclaiming a blessing of protection and healing over his life and then with a brilliant flash of white light we were transported even further back in time to the year 1898.

Margaret looked at us and said,

“Well Daniel, this is definitely a vacation we will never forget, where are we now anyway?”

“We are still in Alaska in the year 1898, it would seem there is someone here that we are to anoint.”

“O Daniel, I thought Pastor Shon was the one who was doing the anointing here?”

Well, it looks like you now have that honor in this case Jonny Boy.”

I looked down and I noticed I was wearing side arms, how cool is that?

“Don’t get too carried away with yourself John, this is a very dangerous place and a very dangerous time period.”

Black Heart was a gambler, a cheat, and a low-down thief who once was arrested for shooting a man dead in cold blood all because he wouldn’t give up his seat at the poker table at Dollie’s Saloon. Black Heart was now Sheriff Wilber Coleber’s prisoner awaiting trial for

murder. The fact is they had to wait for the District Judge to come through who visited these parts only four times a year and

Judge Palmer wasn't expected to ride through these parts for at least three more months. Black Heart's gang knew this and they were planning to spring their Pal out of jail any day now.

Danial explained all of this to us then let us know it was Black Heart who was chosen to be anointed."

"DANIEL HOW IN TAR NATION ARE WE GOING TO DO THAT?"

"O are we back to using our western lingo Jonny Boy?"

"Well it wouldn't hurt under the circumstances now would it?"

"No, I guess not, I mean it could be kinda fun."

Danial looked at me and said,

"Jonny Boy, I am going to make you a bank robber by the name Jonny Oaktree with scars and all and then you are going to be arrested by Sheriff Coleber and placed in the cell right next to Black Heart this is how you'll be able to get close to Black Heart to witness to him, after all outlaws do live by a certain code you know"

"And what about me Daniel? What am I doing while my desperado husband sits in the clink?"

"Margaret my dear you are going to stick by my side, we wouldn't want you getting into any trouble while we are here now would we?"

"Well Ok Daniel, let's get this show on the road so we can go home after all we are on vacation you know?"

"John, go stand outside that saloon over there because Sheriff Colber is about due and when he sees you he will be shaking his head saying,

“This is my lucky day, two outlaws arrested in the same week, damn I should get a raise for this.”

Sheriff Coleber having now seen me motioned his two deputies to circle around and draw their guns on me, I could see what was happening through the corner of my eye but played along anyway.

“All right Jonny don’t move, you are under arrest my friend.”

And with three guns pointed at my head I was disarmed and escorted to jail and placed in the cell right next to Black Heart.

“So your Jonny Oaktree? I’ve heard of you, you are Ok in my book.”

“That damn Sheriff and his deputies got the jump on me over at the saloon. If I get out of here I aint never comin back that’s for sure.”

“Hey Jonny, my Pals are springing me out of this rats nest within the next two or three days or so, hey, you comin with us?”

“Well now how could I refuse a kind invitation like that?”

“Well come to think about it you can’t because I won’t let you.”

“In that case, I’m all in Black Heart.”

Two days went by and no gang, then three, then on the fourth night the Black Heart Gang came a riding into town just as quite as a summer june bug resting on a bullfrog’s back and as the gang approached the Shariff’s office where the prisoners were being housed, Shariff Coleber shouted,

“ALL RIGHT JUST HOLD IT RIGHT THERE, LAY DOWN YOUR GUNS BOYS WE HAVE GOT THE JUMP ON YOU.”

Well the Black Heart Gang was not going down without a fight they dismounted, got behind their horses, drew their guns and began firing, then all hell broke loose,

There were six members of the gang and four deputies and two townsmen and Sheriff Colber. Bullets were a flying everywhere then two of the gang were shot dead in a blazing crossfire. One of the deputies tried running across the street and was killed, then one of the townsmen was hit in the leg. Sheriff Coleber was hit twice in the arm but he was still able to ride his horse out of the line of fire. Two of the gang made it to the jail and broke the door in and a deputy was inside waiting and shot him dead then the other gang member drew his gun and shot him dead and then ran over to free Black Heart.

As Black Heart was being freed he motioned to his Pal to free me then Black Heart was handed two pistols and he through one to me and we ran out the back to hop on our horses thanks to one of the gang members. By this time the law was regrouping so we took off like white lightning headed for the hills. By the time it was over three deputies were killed, one townsman was hit and the other townsman was killed, one deputy was hit in the arm and the leg and Sheriff Coleber was hit twice in the arm and was badly bleeding.

The Black Heart Gang lost three gang members and one was hit in the leg, so with me and Black Heart that made five of us now. We rode off heading towards the mountains east of town. Black Heart told me that he had a hole in the wall hide out in a ravine by a stream where we could hang low and lick our wounds and plan our next heist.

Well, this has certainly been an adventure and I sure do hope Daniel and Pos get here soon, I mean how am I supposed to witness to this guy anyway? OMG!!! And what about Margaret? I hope she is Ok.

I know, this story takes place in Alaska but you have to admit this picture does look kinda cool, just pretend that the cactus is a pine tree, O and because this story is so cool I'm betting there will be a few more parts to it in the future or the past that follow this storyline, see ya soon partner.

Let's close out Part 7 with a scripture verse.

John 15:5 I am the vine, you are the branches, he who abides in Me and I in him bears much fruit for without Me you can do nothing.

Part 8

Matthew 16:24-26 Then Yeshua said to his disciples, "If anyone desires to come after Me let him deny himself and take up his cross and follow Me. For whoever desires to save his life will lose it but whoever loses his life for My sake will find it. For what profit is it to a man if he gains the whole world and loses his own soul? Or what would a man give in exchange for his soul?"

Well needless to say we made it to Blackheart's hideout In the Alaskan woods, we have been chillin here for about a week now and still no Danial or Pos then two more of Blackheart's gang showed up by the name Coyote Pete and Dillan. So now there were seven of us, Billy Blackheart, Carson City Jake, Dan The Man, Frank Star, Coyote Pete, Dillan and of course good ole me, Jonny Oaktree.

The good news was Dan The Man and Carson City Jake had Bibles in their saddlebags. I asked them if they ever read their Bibles and their response was, " Only when someone dies or gets killed."

Well, I thought I could possibly offer to read some of the Bible to them in the morning and at night right before we all turn in, and to my shocking surprise they all said,

"Sure Jonny, why not, we got nothin better to do up here anyway."

We all chipped in gathering wood and water and food throughout the day, Frank Star played the harmonica and Carson City Jake played the banjo, it felt like a real vacation, I mean it didn't feel like we were outlaws running from the law, everyone got along for the most part and any problems were quickly remedied by the leadership of Billy Blackheart.

I realized I shouldn't get too relaxed with these guys, I mean if those old westerns have taught me anything it's that the tables can turn on a dime and people can and do get killed. As long as I respected these guys and stood up for myself I hope and pray things turn out fine.

I decided to go look for some wild berries close by so I could call out to Daniel and Pos for help. I walked down by the creek and called out to Daniel and all of a sudden Pos gave me a great big hug and I fell face first right into the creek. Daniel help lift me out of the water.

"Boy am I sure glad to see you two guys, where have you been anyway?"

"Well Jonny Boy we figured you needed some time to get settled before me and Pos came a ridden into town."

"I sure am glad to see you, is Margaret Ok Daniel?"

“She’s fine John, Margaret is working at Marylou’s Café back in town, she is fine no need to worry.”

“Well what’s the plan Daniel?”

“Blackheart has to be anointed in order for future events to be altered for the good, the gang is going to plan a stagecoach robbery and that is where you will be able to anoint Blackheart. John things may get a little rough but don’t worry Pos and I have your back partner.”

“Thanks Daniel, I just want to get this over with and get back home.”

Well the gang was going to rob the Wells Fargo Stagecoach but first they planned to rob the First National Bank of Alaska. This was a problem because now I was going to be directly involved in a bank robbery and as a man of God that didn’t sit to well with me. I needed to talk to Daniel because we were all going to head out in four days.

“O Daniel, O Daniel, I need to talk to you please.”

“Right here John, what’s Up?”

“Danial the gang is planning to rob a bank and I am in on it so what am I supposed to do?”

“Well Johnny Oaktree, I guess you’ll be going along for the ride and avoid getting killed that’s the real trick to the benefit package.”

“AVOID GETTING KILLED R U SERIOUS DANIAL?”

“Well actually no, you won’t be getting killed or even hurt because God has placed a hedge of protecting on your life. Just go with the flow and all things will work out for God’s good purpose.”

“Now that is good news, Ok let’s get this cowboy show on the road.”

Four days later the Blackheart gang headed off in the direction of town, they had practiced this bank job over and over right down to the minute. My job was to bring the horses around back for the big escape. I guess I could handle that and besides Frank Star would be right by my side just in case led began flying.

The plan was for the gang to split up, three gang members would go in the bank, two would watch the front and me and Frank would be around back with the horses. Billy Blackheart, Dillan, and Dan entered the bank. There were only two customers, two tellers, the bank president, a clerk, and a bank guard who was sleeping in a chair in the corner of the room. Billy drew his sidearm and told everyone in the bank to lay face down on the floor while demanding for money. The bank guard woke up to find Dillan standing over him laughing pointing the bank guard's own gun at his face. Dan The Man ran around the counter and began bagging stacks of money.

It looked like they were going to get away with a clean break but a deputy noticed the two gang members hanging around outside of the bank and ran for help and in less than five minutes ten town's men and four deputies and the Sheriff were out front demanding that the gang surrender.

Billy told the boys to head out the back like they had planned then the two gang members who were out front ran in the bank just as the bullets began flying. Carson City Jake was shot in the neck and bleeding out as he fell to the floor. Coyote Pete returned fire in order to cover his Pals as they were running out the back. Then the bank guard got up and grabbed Carson City Jake's gun and shot Coyote Pete right in the back, but as Coyote Pete was falling to the floor he was able to shoot the bank guard right between the eyes and he fell flat on his face dead.

The gang jumped on their horses to a thunder of gunfire as a hail of bullets flew all around them like a mean swarm of yellow jackets. Dillan was hit in the arm and Frank Star was hit in the shoulder as we rode off with a pile of bread.

When we returned to the hideout Blackheart was already planning for the stage Coach robbery. He told the gang, "Boys we got to gettem while the pickens are good; after this next robbery we'll be hanging low for a while."

Well partners I sure do hope Daniel and Pos get here for the next robbery because that's when I'm supposed to anoint Blackheart in leading him to the Lord.

Matthew 5:16 Let your light so shine before men that they may see your good works and glorify your Father in Heaven.

On the morning of July 9 1898 we road out headed for Gulliver's Gulch to stop the Wells Fargo Stage, I was really starting to make headway with these guys by reading the Bible to them in the morning and at night. I would read a few chapters and then we would talk about it and no one argued it was all very respectable. We all needed each other and respected each other. I got to know these guys pretty well over the last few days maybe some time I'll share with you some of the experiences we had together in sharing the Word of God. It would seem these guys were just thrown together and forced to survive in an unforgiving land. Hey wait a minute am I becoming an outlaw? If so I pray it's in a good way in order to bring others to Christ our Lord.

We road into a ravine and hid behind some boulders, the gang set up a crossfire and the plan was to surround the stagecoach and take them by surprise. Well that's what we thought. You see one of the gang who was killed at the bank robbery lived long enough to tell the law about our plan and the law had been waiting for us camped out in the area for over two weeks and not too happy about it.

The stage came rolling on by and off we went riding like the wind to stop it, then all hell broke loose, the law opened fire in a cross fire of their own and to make matters worse there were lawmen in the stagecoach and they opened fire too. I honestly thought I was going to be killed and suddenly Pos and Danial showed up and placed a hedge of protection around me. There were five of us in the gang and within two minutes they were all dead except me and Billy Blackheart then we took off for the hills but Billy was shot in the lower back and bleeding badly. Pos and Daniel made sure we got away. We made it back to the hideout by nightfall and Billy was dying. I began to read scripture to him to comfort him and then Billy looked at me and said,

"Jonny you're a true Pal, you really helped in uplifting the gang and all. Jonny, I don't want to go to hell but I know I've lived a very sinful life."

"Billy it's never too late, do you want to accept Christ to come into your life here and now? It's not too late Billy, it's not too late I promise you that and so does Christ Jesus."

“Jonny I trust you, I’m ready, I’m as ready as I’ll ever be.”

“Billy I have some very special anointing oil here it has healing properties, now I aint promising anything but I know you will be healed one way or another.”

I recited the Prayer of Salvation with Billy, then I took out the anointing oil and proclaimed a blessing of healing and peace onto Billy’s life. Then a powerful white light engulfed the cabin and we were transported back to 2021 with Danial, Pos and Margaret. We found ourselves standing in Pastor Shon’s hospital room with Raphael and Rabbi Hersh. We were all standing there looking at each other then Billy asked,

“Is this Heaven Jonny?”

Billy was completely healed both physically and spiritually for the glory of God, he was now a new creation, old things had passed away all things had now become new.

We all took turns explaining to Billy about who we all were and about what had happened, then he looked at everyone and said.

“Well then I guess I’m now a member of your gang and since I’m now in the year 2021 and have given my life completely to Christ our Lord I’m changing my name to Billy Pureheart for the glory of God and where you go I will follow until the good Lord calls me home.”

Pastor Shon looked at everyone and said,

“Praise God, Praise God, welcome to the crew Billy, Jesus loves you and so do I.”

Well needless to say Margaret and I spent two weeks in Alaska then we flew home with Danial and Pos. O we flew on an airplane this time. Billy came with us, he was now an official member of my crew. Pastor Shon and his crew were off once again to, mmmmm, I wonder where they’re headed off to now? O Danial!!!

2 Timothy 2:20-21 But in a great house there are not only vessels of gold and silver, but also of wood, and clay, some for honor and some for dishonor. Therefore, if anyone cleanses himself from the latter, he will be a vessel for honor, sanctified and useful for the Master prepared for every good work.

Part 9

Psalms 55:6-8 So I said, “Oh that I had wings like a dove, I would fly away and be at rest. Indeed, I would wander far off and remain in the wilderness. I would hasten my escape from the windy storm and tempest.”

Daniel informed me that the Lord had granted Pastor Shon and I a well-deserved rest so he was sending us to an island paradise somewhere in the south pacific.

I thought we would be staying in a really nice hotel or resort, but Daniel had other ideas. In an instant Pastor Shon and I found ourselves sitting on a desert island, O we had a hut and supplies but we were on our own.

“O DANIAL WHAT’S GOING ON HERE?”

Danial and Raphael popped in and explained that a little solitude was a good thing and there were many lessons to be learned while Pastor Shon and I were there. The good news was Pos was staying with us and Rabbi Hersh was going to be stopping by once a day to bring snacks.

“Well I guess it’s all for good, so why not? Let’s get this va ca started.

Pastor Shon and I set up shop, we built a campfire and Pos seemed to enjoy the peace and quiet. As we were sitting by the fire looking at the ocean a full moon seemed to rise up right out of the water, its silver reflection seemed to reach out to us like a distant dream as the ocean waves gently crashed upon the awaiting shoreline. Then a green sea turtle swam slowly by as three seagulls hovered just above us.

“Hey John, I didn’t tell you about what happened at the hospital in Alaska while you all were back in 1898. As you know we were sent there to anoint 7 of the chosen few, well you and Margaret were two of the seven and three of the chosen few were one RN and two CNAs who totally became on fire for the Lord immediately after being anointed and the seventh person was a patient by the name Molly.

Molly was in her forties, and she was suffering with cancer, I had invited her to be anointed and she felt very honored. Now this was amazing, as I was anointing her a bright light once again filled the room.

I really didn't know what was going to happen, I closed my eyes and the next thing I knew I was on a fishing boat headed out to sea, I was with my dad and he saw me as being young. I could barely contain myself, I was filled with great emotion. I jumped right into action taking hold of line and net just as though I had been there all along, me and dad were getting along just fine, we caught a good catch that day and afterwards we began heading back to port.

When we returned home my dad said,

"Thanks for the help son, we did good today, I'll see you tomorrow."

"Dad"

"Yes."

"I love you dad, you take care of yourself."

"I love you too son."

"Dad."

"Yes son."

"Jesus loves you and so do I."

"Thanks Son, we'll see you bright and early tomorrow morning, don't stay out too late tonight."

And with that I was sent back to the hospital with Molly who by the way was completely healed for the glory of God, and John, I'm not ashamed to tell you I cried for over an hour."

“God gave you a wonderful gift, He allowed you to go fishing with your father one last time and you were able to tell your father that you loved him and Molly was healed of her cancer for the glory of God.”

“Praise God, Praise God, this is all so very incredible, what a blessing.”

“Hey Pastor Shon, I got a story to tell too, while I was back in time with the Blackheart Gang I was able to minister to my Pals by reading the Word of God to them twice a day, once in the morning and once at night right before we turned in. While we were reading the story of Jonah the boys asked many questions, Frank Star asked,

“Jonny, how could someone survive being trapped for three days in the belly of a giant fish like that.”

And Dan The Man asked,

“Does God really turn us around in life like that even if at times when we don’t want to?”

Then Coyote Pete chimed in and said,

“We can run but we can’t hide, if God wants us to do something He will surely make it happen for His good purpose.”

Then Billy Blackheart said, “God gave Jonah a plant for shade and then He took the plant away with a worm, what I got out of that is, God giveth and God taketh away so enjoy it while you can boys because tomorrow aint promised to anyone especially not to outlaws.”

The night before we rode out to rob the stage we read some of the book of the Gospel of John, we read John Chapter 4:1-26 with emphasis on John 4:13-14 Yeshua answered and said to her, “Whoever drinks of this water will thirst again, but whoever drinks of the water that I shall give will never thirst, but the water that I shall give him will become in him a fountain of living water springing up into everlasting life.”

Carson City Jake looked at me and asked,

“Hey Jonny, what is this living water that we will never thirst for again.”

“Well Jake, the living water that the Lord is talking about is our salvation because once we are truly saved we no longer thirst for our salvation, you see, at that point it’s a done deal partner, you see Jake our sin debt has been paid for in full through the shed blood of Christ our Lord when He was crucified on the cross at Calvary.”

Well that must have sunk in real deep because later that same night three members of the gang woke me up and asked me to lead them in a prayer of salvation, so we went out back and under the light of a full moon they invited Christ Yeshua to come into their lives and it was a darn good thing they did because the very next day they were all shot dead by the law at the stage coach robbery, Lord please welcome my Pals into Your Heavenly Kingdom just like You did with the thief on the cross over 2000 years ago...Amen”

“Hi boys shalom, I brought snacks just like Daniel promised, here I’ll set up a little table for you guys, no worries, just enjoy your rest, I got this. Boy what a view, have you both been doing any fishing yet.”

“No fishing yet Rabbi Hersh, maybe we will try our luck tomorrow. Hey grab a seat Rabbi and stay for a while.”

Well the three of us sat on the beach and we looked out on the ocean, we talked about life and the Lord and our blessings and adventures, we praised God, we thanked Him and we asked for His continued guidance, protection and love.

Pastor Shon, Rabbi Hersh and I did go fishing and exploring on the island the very next day and soon it was time to go home. On the last day we were there Pastor Shon found a blue stone lying on the beach, Raphael told Pastor Shon about the significance of the blue stone and he instructed him to give it to Chaplain Paul Vescio back at North Mountain.

Pastor Shon was sent to North Mountain to continue ministering to the staff, patients, and family members at least for an appointed time. Rabbi Hersh and Raphael were always close by.

John 4:13-14 Yeshua answered and said to her, "Whoever drinks of this water will thirst again, but whoever drinks of the water that I shall give him will never thirst, but the water that I shall give him will become in him a fountain of living water springing up into everlasting life...Amen

The Water Stone

I went to visit Pastor Shon today, we shared the Word of God and talked about life, then as I was about to leave he motioned me to come over by his bed and he handed me a blue stone. Pastor Shon looked at me with a very kind face and said, "Chaplain Paul this stone is a gift take it with you wherever you go and may you be filled with our Lord's peace, love, and joy."

Then Pastor Shon looked at me and said,

"Jesus loves you and so do I."

I thanked Pastor Shon and then I put the stone in my pocket and went home. When I got home I took the blue stone out of my pocket and examined it, the stone was a very deep blue like the color of the ocean or the blue sky above. The stone looked like deep blue turquoise.

In the days that followed I took the stone with me wherever I went, then about two weeks later as I was visiting a patient I mentioned water baptism and she seemed very interested in getting baptized and as we were talking my pocket became wet. I took the stone out of my pocket and the stone was wet. I couldn't understand what was happening.

I asked Joanna if she wanted to be baptized and she said yes, I explained to her that because she was a patient that water immersion wasn't an option but I could pour a small amount of water over her head and we could place a towel around her neck so she wouldn't get too wet. Joanna agreed and I proceeded to fill a cup with water and once again my pocket became wet but this time it was really wet, at this point I was led by the Holy Spirit to take the blue stone out of my pocket and use its water to baptize Joanna.

I began to baptize Joanna and as I placed the stone over her head water began flowing out of the stone then I said,

"Joanna I hereby baptize you in the Name of the Father, the Son and of the Holy Spirit."

Then suddenly I found myself in the presence of the Lord. The Lord Christ Yeshua invited me to sit with Him. I was overwhelmed with a sense of peace and love.

The Lord told me to go forth baptizing in the Name of The Father, the Son and the Holy Spirit for the glory of God then the Lord looked at me and said,

“The stone Pastor Shon gave you will provide you with an endless supply of baptizing water so no matter where you go you will always be able to baptize others, now go in peace, peace shalom, for peace I leave with you, My peace I give to you, not as the world gives do I give to you, let not your heart be troubled neither let it be afraid.” John 14:27

And with that I found myself back in Joanna’s room and it was as though I had never left. In the weeks that followed I offered to baptize the patients I visited, many of them were energized with a newfound leaf on life.

2 Corinthians 5:17 Therefore if anyone is in Christ, he is a new creation, old things have passed away behold, all things have become new.

Water baptism is a public affirmation of faith. When we go into the water we are crucified with Christ. When we go under the water we are buried with Christ and when we come out of the water we are resurrected with Christ. Old things have passed away, behold all things have now been made new for the glory of God.

Matthew 28:18-20 And Yeshua came and spoke to them saying, “All authority has been given to Me in Heaven and on Earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you and lo, I am with you always, even to the end of the age...Amen”

The End?
