

## GOD PROVIDES THE INCREASE

There once lived a man who lived under a tree, now this poor man could not truly see, try as he might he just couldn't see the light. You see this poor man walked by sight and not by faith. He saw the world around him as something that just came to be, he could only see what he wanted to see as he sat day by day under the old shade tree.

The man was totally into himself and that was very plain to see, so I walked right up to him and asked if he would like to talk to me. The man looked at me and said,

"Sure come on over and sit down under my tree."

We started talking about all kinds of things but we really didn't have much in common at all then I looked at the man and said,

"Hey have you ever heard of a guy named Chaplain Paul?"

"I know Chaplain Paul he stops by every once in a while he gives me a little money and a scripture coin or two and a devotional, then he prays with me, does he do the same for you?"

"Well not exactly, now let me ask you a question, Do you know Jesus and if not would you like to invite Him to come into your life?"

"You know I think that would be just fine, any friend of Chaplain Paul is a friend of mine."

The Bible teaches one person plants another waters and God provides the increase. Be ready always to plant seeds and water in helping to lead others to Christ for the glory of God... John 3:16

Proverbs 3:5-6 Trust in the Lord with all your heart and lean not on your own understanding in all your ways acknowledge Him and He shall direct your paths...Amen John 14:27

1 Corinthians 3:5-10 one plants another waters and God provides the increase.
